2 Months Prior to Your Retirement

☐ Sign up for a Risk Management Retirement Forms Event to submit your retirement paperwork. When you sign up for a workshop, you will be sent an insurance packet prior to the event. A check made payable to PCSB for two month’s premium for health, vision, and/or life insurance is required to continue benefits.

☐ After you make a payment to PCSB for the first two months of coverage, your premiums will be deducted from your pension check. If your pension check is not enough to have the health premium deducted, you will make payments directly to PCSB.

☐ FRS pension checks arrive on the last business day of the month. The first check will arrive 6-8 weeks after your retirement date.

☐ If you are in DROP, the funds from your DROP account must be rolled over into an eligible retirement plan account, distributed as a lump-sum payment, or as a combined partial lump-sum payment and direct rollover.

☐ If your payout of sick and vacation time is under $2,500, you will be sent a check from Pinellas County Schools. If your payout of sick and vacation time is over $2,500, it will be distributed into your Bencor Special Pay Plan account. For additional information about Bencor, contact David Ellis at 813-449-4344.
Congratulations and thank you for your years of service with Pinellas County Schools!

☐ Around the time you receive your first pension payment, FRS will send you the following forms to complete and return:
  - **Direct Deposit Authorization (DFS-A1-26R)** - For prompt setup of Direct Deposit, complete your EFT request through the FRS online portal at [https://www.rol.frs.state.fl.us/login.aspx](https://www.rol.frs.state.fl.us/login.aspx)
  - **Health Insurance Subsidy Certification (HIS-1)**
  - **Withholding Form (W-4)** - If this form is not completed, FRS is required to withhold taxes as if you are married and claiming three allowances.

☐ There are certain termination requirements and reemployment limitations that affect your retirement benefit if you are reemployed with an FRS-participating employer during the first 12 calendar months after your effective retirement date. Review the FRS retirement guide, *Ready. Set. Retire.* online at [www.rol.frs.state.fl.us/forms/ready_set_retire.pdf](https://www.rol.frs.state.fl.us/forms/ready_set_retire.pdf)

☐ The PCS payroll department will process your terminal pay 3-6 weeks after you retire. You will receive a detailed letter from payroll specifying the amount of your terminal pay and Bencor will send you a statement after receipt of the funds. Once Bencor receives the funds, you can contact them at 1-866-296-9712 to determine the options available to you.
☐ The PCS annual benefits enrollment for retirees is normally in October. Changes made to your insurance coverages are effective January 1st of the following year.

☐ Please note: Your insurance is not deducted from your pension check on a pre-tax basis.

☐ Please notify PCS of cancellations or changes to your coverage within 30 days prior to the effective date of the change. If premiums are deducted from your pension check, we must receive an Enrollment and Change form no later than the 5th day of the month. You can get this form by calling Risk Management at 727-588-6214. When the form is completed, you can fax this form to 727-588-6182.

☐ Sometimes it can be hard to find ways to fill all of your free time after retirement. Volunteering is a way to get out of the house and keep your social life growing. There are many organizations in your community that are in need of volunteers. If you are interested in volunteering for Pinellas County Schools, please visit https://www.pcsb.org/Page/459

Wishing you a journey of success and happiness in the new page of your life
