## **RETIREMENT NEWS**

### **Exciting Way to Set up a Voluntary Retirement Plan**

Pinellas County Schools continually strives to provide enhanced benefits for employees. One such benefit is the voluntary 403(b) retirement savings plan that employees can elect to participate in for their future financial security. Within minutes, you can complete and start voluntarily saving for your future retirement.

Employees have the option of doing their own research and meeting with a local advisor who can provide one-on-one planning and enrollment assistance QuickENROLL option. (See our [Retirement website page](#) for more information).

However, for those who aren't able to schedule a meeting or to do research, we have partnered with authorized Investment Providers in our Plan to provide the QuickENROLL option that offers the ability for employees to enroll in a 403(b) plan in less than 2 minutes with their chosen authorized investment provider company.

Opening a 403(b) account through QuickENROLL allows you to quickly start saving for your future retirement needs. Simply select from the list of participating investment provider companies, complete the required fields in the online application process, submit, and you are done. Deductions should start within 1-2 paychecks.

[Click here](#) for step-by-step instructions.

To take advantage of this benefit, visit the QuickENROLL website:
