Limeade | Last Few Weeks to Earn Points for Preventative Exams
The limeade program runs through February 14, 2022. However, all preventative exams must be completed between January 1, 2021 and December 31, 2021. Annual physicals, well woman’s exams, mammograms, and colonoscopies will be automatically uploaded within 60 days. However, if you do not see those points within 60 days or by mid-December you will need to report those credits to Limeade support at 888-984-3638 or support@limeade.com. Check your credits! Dental exams, vision exams, skin cancer screenings, flu shots and COVID-19 vaccines will need to be self-submitted through Limeade. Directions for how to self-submit exams.
