BENEFIT NEWS

Life Insurance Elections for New or Increased Coverage

If you enrolled in Life Insurance for new or increased coverage during Annual Enrollment, remember that the amount elected will be subject to Evidence of Insurability (EOI). If you did not complete the online EOI during annual enrollment, you still have time to complete it, by going to The Standard Electronic EOI System. Deadline to complete is November 8th. After that date, your application for insurance over the guaranteed amount will be closed for the 2024 plan year. [Note that any coverage you had in place will not change.]

As a reminder, Life and AD&D Insurance will be reduced once an employee reaches 70 years. It reduces more at age 75 and 80. Your spouse's Life and AD&D Insurance coverage will terminate at age 70. Please refer to the BENEFlex Guidebook for more detailed information.

Annual Enrollment Ended on October 23rd

On Monday, October 30th, an Annual Enrollment Confirmation for 2024 was emailed to all benefit-eligible employees. It is very important that you take a moment and review the confirmation to be sure your elections and dependent coverages are correct. If you notice any discrepancies, please contact the Benefits Team at 727-588-6197 **no later than Friday, November 3rd**.
