2024 Benefits & Compensation Retirement Guide

Employees may log in to the Employee Self-Service website [here](#) to view their full personalized 2024 Benefits & Compensation Retirement Guide. These personalized guides are only produced for full-time employees. The guide contains an Annual Benefits and Compensation statement for *calendar year 2023* that highlights the total compensation (salary & benefits) provided by the Board.

If you have concerns regarding the accuracy of the information presented in the 2024 Benefits & Compensation Retirement Guide, please contact Kelli Barr in the Risk Management and Insurance Department at (727) 588-6141 or at barrk@pcsb.org.

[The Meaningful Notice Plan](#) Information provides a brief explanation of the provisions, policies, and rules that govern our voluntary retirement plan. Most employees are eligible to participate in the 403(b) and 457(b) plans immediately upon employment; however, private contractors, appointed/elected trustees and/or school board members are not eligible to participate in the Retirement Savings Program. Eligible employees may make voluntary elective deferrals to both the 403(b) and 457(b) plans and participants are fully vested in their contributions and earnings at all times.

If you have a question regarding your Voluntary Retirement account, contact your representative with your Investment Provider.
