7. Please briefly list any additional information that students may need to know about your organization if they are considering you as a community service agency: **Great Explorations has recently developed eight educational programs designed specifically for student volunteers. We match their unique talents and interests with targeted educational opportunities throughout the museum that they will enjoy and will propel them into the career of their dreams. The environment and learning opportunities that we provide are perfect for high school students seeking hands-on experiential education. We are not a one-size fits all environment; we truly have a program for everyone and our commitment to the program is to always find a place for every student's special interests at Great Explorations.**
