7. Please briefly list any additional information that students may need to know about your organization if they are considering you as a community service agency: **We are a museum of antique automobiles and engines of field and factory. Our mission is to inform people of the progression of technology as seen in automobiles and engines of the 1900s. You'll get to be in an exceptional environment, learn about important historical concepts, participate in hands-on activities and work directly with other people. If you like learning, you'll like it here!**
