7. Please briefly list any additional information that students may need to know about your organization if they are considering you as a community service agency: Disability Achievement Center is the local Center for Independent Living (CIL) that serves people of all ages with any type of disability. Our food program consists of food provided through Feeding Tampa Bay and Publix donations. The task will be to divide the food among the households that make reservations that week. So, some weeks we have 30 families, others weeks only 15. We have the largest cache of durable medical equipment on this side of the State in our warehouse. Volunteers will process donations and assist with capturing inventory. General office assistance may include shredding and assisting with mailings. See www.myDACIL.org for a listing of all the services we provide.
