If you are interested in seeing a big impact in a small amount of time, then working on one of our construction sites will provide that. It's powerful to see the progress that can be made on a family's home in one day. However, if you are interested in helping customers, or want more flexibility with your**

volunteering hours, then volunteering in one of our ReStores may be the perfect opportunity for you. Our ReStores receive and sell donated goods, and the proceeds fund homes that we build. No matter what way you choose to volunteer with Habitat for Humanity of Pinellas County, you are helping struggling families in our community obtain affordable housing.
