

## Executive Summary of Skyview Elementary's School Improvement Plan

**Skyview Elementary School**, home of the Eagles, has 676 students in grades Pre-K to 5<sup>th</sup>, two administrators, 58 instructional teachers and 36 support staff members. The **Mission of Skyview Elementary** is: **"Educate each student for grade level proficiency or beyond in preparation for Middle School."** **To accomplish our Mission, Skyview Elementary has Four Goals:**

1. Increase reading proficiency by 15% for ALL students in grades K-5; moving our student reading achievement to 70% on FSA 2016 with all subgroups meeting the AMO reading targets
2. Increase writing proficiency by 15% on for ALL students in grades K-5; as a base-line measure for students in grades 3-5 on the ELA FSA Assessment 2016 with all subgroups meeting AMO targets
3. Increase math proficiency by 15% for ALL students in grades K-5; moving our student math achievement to 70% on FSA 2016 with all subgroups meeting the AMO math targets.
4. Increase science proficiency by 15% for ALL students in grades K-5, moving our 5<sup>th</sup> grade student science achievement from 55% to 70% on 5<sup>th</sup> grade FSA 2016 with all subgroups meeting AMO targets.
5. **Additionally Skyview Elementary has a goal related to Bradley MOU:**

Our black students (K-5) will increase proficiency levels of 3 and beyond in all content areas by 15% with an action plan of increasing informational text during small group Guided Reading, developing relevant project-based learning activities across all content areas to increase black student motivation and engagement, increase black self-efficacy matching Big Brothers, Big Sisters as mentors and providing after school extended learning moving black student achievement to 70% on FSA 2016. **Skyview Elementary has Four Actions and plans of implementations to achieve our Four Goals to improve student achievement:**

1. A deeper understanding of FL Standards (K-5) aligned to AdvancED Standards for Quality, district curriculum, and SIP through implementation of Marzano Instructional Framework for 10 BEST instructional strategies to improve student mastery at cognitive complexity Levels of 3 and beyond through professional development.
2. Teachers will create and develop ELA and Math Learning Goals and Scales aligned to ELA and Math FL Standards for teachers and students to refer to throughout units of instruction and for students to track progress toward mastery of Learning Goals at cognitive complexity Levels of 3 and beyond through professional development.
3. Improve core instruction across all content areas (K-5) aligned to FL Standards and district curriculum through implementation of Marzano Instructional Framework 10 BEST Instructional strategies to improve student mastery at cognitive complexity Levels of 3 and beyond through professional development
4. Improve differentiated instruction aligned to FL Standards and district curriculum utilizing Marzano Instructional Framework 10 BEST Instructional strategies to improve student mastery at cognitive complexity Levels of 3 and beyond through professional development.

**Parent Engagement Matters at Skyview Elementary!** Parents will round the bases throughout the school year attending fun and informative family events to learn about the FL Standards their child will master.

**Our school-wide motto is "Cultivating a team of high-achieving Eagle LEARNERS through commitment, collaboration and cooperation."** Students exhibiting academic success earn Eagle Honor Medals.
