This plan is pending approval by the Pinellas County School Board.

## SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education’s school improvement planning web application located at [https://www.floridaCIMS.org](https://www.floridaCIMS.org).

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies
Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A, B or C with at least one F in the prior three years
- Focus – currently D
  - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
  - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
  - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
  - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-C with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

Part I: Current School Status

Supportive Environment

School Mission and Vision

Provide the school’s mission statement

All stakeholders will work together in a cooperative partnership which will enable our students to become contributing citizens and life long learners. Together we will provide a balanced curriculum which is driven by data and based on individual needs.

Provide the school’s vision statement

As a community we will provide the necessary support to all students so that they will succeed and reach the highest level of students.

School Environment

Describe the process by which the school learns about students’ cultures and builds relationships between teachers and students

The first ten days of school are used to build a classroom culture and build relationships with students. Teachers engage students in "Getting to know you" activities. Classrooms engage in team building activities where students learn to work together to complete a specific task or goal. The administration encourages and set aside limited interrupted time within the classroom for teachers to build positive relationship with their students.

Describe how the school creates an environment where students feel safe and respected before, during and after school

School expectations are modeled and taught during the first ten days of school and as needed throughout the year. Students are taught what are appropriate behaviors and what they need to do to ensure their safety and others around them. They are taught how to report issues/problems to an adult and the adults handle the situation or direct to the appropriate personnel. The Guidance Counselor delivers guidance lessons that align to the character traits and teaches students how to problem solve. Daily agendas are used to communicate with parents and teachers or staff members make parent phone calls as needed. Students are greeted pleasantly every morning as the step off the bus and as staff members see them in the hallway.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

Pinellas Park Elementary Guidelines for Success, B.E.A.R.S. represent the minimum behavioral expectations required for successful participation in the educational process. Our Guidelines for Success are:
- Behave kindly
- Engage in learning
- Act responsibly
- Respect others
- Strive for success

School-wide behavior plan is in place where each classroom displays and reviews the GFS and then each classroom has their own specific, detailed expectations/rules. We acknowledge students who
are exhibiting BEARS behaviors by giving them specific positive feedback along with a PAWS token. All staff has been trained on the school-wide behavior plan. Behavior infractions data will be shared during monthly faculty meetings and any problem areas will be addressed with support as needed. Teachers taught scripted behavioral lessons the first ten days of school. Lessons focused on the school-wide behavior expectations and protocol for disciplinary incidents.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Counseling is provided by the school social worker to students who have IEPs (Individualized Education Plans) that specify counseling minutes. Other students can be referred for counseling by the teacher or parent. Counseling is provided by the school social worker or the guidance counselor to individual students or to groups of students based on needs. Volunteer mentors are assigned to students based on needs and support. Retained students are assigned a mentor who can lend moral, or academic support as needed.

Early Warning Systems
The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

Provide the following data related to the school's early warning system

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Child Study Team reviews all attendance with a focus on students who have habitual attendance problems. Letters and phone calls are made to parents to inform about attendance issues. All attempts are made to have parents resolve the issue. Letters are sent to parents to inform of the absences. Parents are scheduled to conference with the CST team along with administration, to discuss how the attendance issue can be resolved. If after numerous attempts the student’s attendance still doesn't improve then they are referred to TIP. Students are discussed during SBLT meetings and action is taken (phone call reminder, letters, or conference) based on the data at hand. Interventions are put in place or adjusted based on data.
Bi-Weekly Child Study Team, rewards/incentive program for perfect attendance and improvements to attendance.

**Family and Community Involvement**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

**Will the school use its PIP to satisfy this question?**

No

**PIP Link**

The school completes a Parental Involvement Plan (PIP), which is available at the school site.

**Description**

The leadership and staff at Pinellas Park Elementary School offers parent-conferences on a schedule designed to help accommodate parents. Additional communications will occur at our Open House/Meet the Teacher and through our school newsletter.

We are currently working on our PTA and SAC monthly meeting schedule to further involve parents in our school community.

All parents were given surveys at the end of the school year seeking their input on activities, trainings & materials they needed to help their child. Results of parent surveys were reviewed by the SAC to determine needed changes in the PIP (Parental Involvement Plan) and SIP. During the SAC meeting when the PIP was developed the parents/SAC will have input in how the funds are used.

Initial communication begins at the Annual Title 1 Meeting for parents (Sept. 1 2015). They will be presented with school-wide Title 1 programs and its events, how to schedule parents conference, opportunities for participation in decisions related to the education of their child. Parents will receive a copy of the Parent Right to Know.

Compacts will be distributed prior to Sept. 9 and reviewed with parent, teacher & student. After each event parents receive a survey, The school Parental Involvement Committee reviews & share the information with staff.

Connect to Success is a laptop computer initiative that allows students access to a computer at home. Parents and students attend a training that is presented by classroom teachers and the technology specialists. The training involves how to access educational programs such as STMath and Ticket to Read, which support student achievement. Teachers are then able to run reports to review student usage and progress. Then teachers can make adjustments based on data to promote highest student achievement. The initiative connects to our 3 SIP goals as all goals focus on students being proficient at 70% in reading, math, science and writing.

**Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement**

Our Family and Community Liaison reaches out to businesses within the community and local government offices to build support for the school. Currently the City of Pinellas Park Manager, has reached out to administration and has offered support with mentors and funding. The City of Pinellas Park has also used their electronic marqueses to display information that is relevant in reaching out to the school community. We have built relationships with a local bank who donates supplies for the students two times a year. Local businesses support the school by donating items for teachers and students.
Effective Leadership

The school’s response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

**Duties**

*Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making*

- **Facilitator**: generates the agenda and leads the discussions
- **Data Manager**: assists team in accessing and interpreting (aggregating/disaggregating) the data
- **Recorder/Note Taker**: documents meeting content and disseminates to team members in a timely manner and keeps a binder.
- **Time Keeper**: helps team begin on time and stay on track with the agenda.

*Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.*

SBLT will meet weekly (Monday, if all necessary personnel are on site.) Focus will rotate between math/science, ELA, Subgroups, and behavior.

Title I, Part A funds are utilized, in conjunction with various other federal, state and local funds, to support high quality instruction, parental engagement, and professional development for highest students achievement. Title I services are coordinated and integrated with other resources through collaboration of staff in various offices and departments, including: School and Community Support, Teaching and Learning, Assessment, Accountability and Research, Professional Development, Strategic Communications, Strategic Partnerships, Human Resources, and Transportation.

Title II, Part A funds professional development to increase the academic achievement of students by improving teacher and principal quality and increasing the number of infield and effective teachers in the classroom and highly effective principals and assistant principals in schools. Title II supports professional development for content areas, common core, leadership development, and early career teachers.

Title III funds are utilized to provide a variety of educational resources and support services to improve the education of English Language Learners. Bilingual translators provide assistance with parent workshops and dissemination of information in various languages for Title I schools. The district's ESOL web page makes relevant information and resources available to families, including a schedule of parent workshops and other activities.

SAI funds are coordinated with Title I, Part A funds to provide extended learning enrichment opportunities for students during the school year. SAI funds are also used in conjunction with Title I, Part A funds, to provide ongoing instructional support for teachers through professional development.
by highly skilled content area specialists and staff developers. Title I coordinates with district food Services staff members to monitor poverty rates at schools and determine Title I eligibility. Title I and Food Services also collaborate to implement the Community Eligibility Option in schools with poverty rates of 40% or greater, so that all students receive free breakfast and lunch during the school year.

Duties

*Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes*

**Evaluation of last year's school improvement plan**

Our SAC committee meets a minimum of three times a year to review the school improvement plan and provide input into school based decisions to better serve the academic needs of our student population.

**Development of this school improvement plan**

The development of this school improvement plan was completed by the SBLT team in conjunction with teachers during monthly meetings.

**Preparation of the school's annual budget and plan**

*Describe the use of school improvement funds allocated last year, including the amount budgeted for each project*

**Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC**

Yes

*If the school is not in compliance, describe the measures being implemented to meet SAC requirements*

School Messenger has been sent out to parents to request parents interested in SAC to contact the assistant principal. Marque messages asking for SAC members has been used. The school newsletter has a section about SAC and interested parents contacting the assistant principal. During meet and greet a table was set up to explain SAC and the responsibilities to attempt to recruit parents.

**Duties**

Describe how the LLT promotes literacy within the school

- Support for text complexity and grade level text
- Support for instructional skills to improve reading comprehension
- Support for implementation in Social Studies, Science and Technical courses.

**Public and Collaborative Teaching**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

The instructional staff meets with instructional coaches to collaborate and plan standard-based lessons on a weekly basis. Teachers and coaches have expectations of the collaborative planning sessions and the expected outcomes. Members of the team have roles during the collaboration; this fosters true collaboration and participation of the entire team. The instructional coach is a facilitator of the process and uses effective questioning skills to get all members actively involved.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Hires are based on recommendations from department supervisors, other administrators from struggling schools and/or work experience under an administrator in the past. The administration examine the teachers previous student achievement data and the impact they had with students of similar demography. Retaining highly qualified teachers is of utmost importance. The administration frequently surveys the staff and where possible, make the necessary changes that's suggested by the staff. Staff members are actively engaged in the development of the system and processes at the school. Twice per year the principal and assistant principal host and prepares the meal for a staff luncheon.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

Regular, scheduled meetings with new teachers. Prior to the start of school all new hires are given training, reviewing policies, introducing guidelines, and reviewing strategies and best practices. Assigned to EDGE mentor and also a mentor within their grade level team.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs
Describe how the school ensures its core instructional programs and materials are aligned to Florida’s standards

The instructional programs used in the core instruction are the Modules and Math Units from district which are aligned to Florida standards. The instructional coaches along with grade level teachers unpack the modules and units to determine what the instruction in the classroom needs to look like to achieve proficiency on the module assessments.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Data analysis meetings are held school-wide and within grade levels. Teachers analyze their student data to determine the differentiated levels of small group instruction. Teachers adjust their instruction according to student performance data.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

<table>
<thead>
<tr>
<th>Strategy: Extended School Day</th>
</tr>
</thead>
<tbody>
<tr>
<td>Minutes added to school year: 8,640</td>
</tr>
</tbody>
</table>

Based on summative data, the extended day will include Science Camp and ST Math instructional program will be used to further support the learning needs of students.

Extended ELA Plan:
Collaborative planning will be built into weekly schedules. The expectation is that collaborative lesson planning occurs once a week during the 50 minute PE block. Team leaders will submit the day of the week the team chooses. Once a schedule is submitted Reading and Math coaches will design a schedule to participate in grade level collaborative planning. Professional development: intermediate teachers will focus on Guided Reading Routine (this will promote a common language, common focus and non-negotiables for interventions). Primary teachers will focus on administering and analyzing running records. Book Study with Jan Richardson’s Guided Reading. Fidelity checks will be implemented after administration, and RTI/MTSS coach are trained. Reading Coach will begin modeling Guided Reading with third grade and create a rotation schedule. Core instruction will be monitored by Administration and Reading Coach every 3 weeks.

Strategy Rationale

Strategy Purpose(s)

- Teacher collaboration, planning and professional development

Person(s) responsible for monitoring implementation of the strategy
Freeman, Lisa, freemanl@pcsb.org

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy
Data collection will be done through student assessment data and surveys.

Student Transition and Readiness

PreK-12 Transition
Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Kindergarten teachers will hold an orientation for incoming students and their parents prior to the beginning of the school year. Readiness skills will be emphasized and good choices for academic and social characteristics will be presented. Materials will be available, as well as pamphlets covering a variety of helpful parenting subjects ranging from parenting skills, helping with homework, students with disabilities and what to expect at a parent teacher conference.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the High School Feedback Report, as required by section 1008.37(4), Florida Statutes

Needs Assessment

Problem Identification

Data to Support Problem Identification

Portfolio Selection
Portfolio selection is not required by the Florida Department of Education but is offered as a tool for needs assessment.

Data Uploads
Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

Problem Identification Summary
This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

Problem Analysis Summary
This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying “why” or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.
**School Improvement Goals**

*The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.*

**Problem Solving Key**

- **G** = Goal
- **B** = Barrier
- **S** = Strategy
- **1** = Problem Solving Step

### Strategic Goals Summary

**G1.** All instructional staff will provide data driven ambitious instruction aligned to Marzano’s framework of instruction to include scales.

**G2.** Bradley MOU: If teachers implement high interest standards-based instruction, then the achievement level of black students in reading will increase to 70% and in math to 70% based on AMO targets.

**G3.** Provide an environment that is safe and civil, fosters positive relationships between staff and students, and respond to students’ academic needs.

### Strategic Goals Detail

*For each strategic goal, this section lists the associated targets (i.e., “SMART goals”), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal*

Pinellas Park Elementary School

**Action Plan for Improvement**

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

**Problem Solving Key**

- **G** = Goal
- **B** = Barrier
- **S** = Strategy
- **1** = Problem Solving Step
- **S123456** = Quick Key

**G1.** All instructional staff will provide data driven ambitious instruction aligned to Marzano’s framework of instruction to include scales.

**Strategy Rationale**

Research based strategies that support effective instruction.

**Action Step 1**

Teachers will participate in facilitated grade level PLC's to research and discuss High Yield Strategies i.e summary, thinking maps, journal summaries; 8 High Leverage Teaching Practices

**Person Responsible**

Lisa Freeman

**Schedule**

Weekly, from 9/7/2015 to 5/30/2016

**Evidence of Completion**

Student samples, student data, sign in sheets, agendas, PLC calendar
**Action Step 2**

Teachers will participate in collaborative planning with instructional coaches to develop lesson plans to implement high yield strategies and High Leverage Teaching Practices.

**Person Responsible**
Lisa Freeman

**Schedule**
Weekly, from 9/7/2015 to 5/30/2016

**Evidence of Completion**
Documents from unpacking standards Lesson plans Student samples students task aligned to standards and high yield strategies Marzano scales agendas

**Action Step 3**

Teachers will participate in professional development based on needs determined by data; job-embedded PD; after-school planning.

**Person Responsible**
Lisa Freeman

**Schedule**
Monthly, from 9/7/2015 to 5/30/2016

**Evidence of Completion**
Lesson Plans Walk-through data sign in sheets Deliberate Practice LMS transcript Student samples/Assessments unpacked modules

**Action Step 4**

Tiered coaching cycles with identified teachers

**Person Responsible**
Kathleen Beauregard

**Schedule**
Biweekly, from 9/7/2015 to 5/30/2016

**Evidence of Completion**
Coaching Logs, walk-through data, lesson plans, coaching calendar, teacher reflections
**Action Step 5**

Teachers will implement standards-based instruction with the use of Marzano Scales to monitor students learning

**Person Responsible**

Lisa Freeman

**Schedule**

Daily, from 9/7/2015 to 5/30/2016

**Evidence of Completion**

Classroom Observation Data Student samples Lesson Plan Align to standards Marzano scales aligned to Florida Standards

**Action Step 6**

Celebrate students and teachers success

**Person Responsible**

Lisa Freeman

**Schedule**

Weekly, from 8/18/2014 to 5/28/2015

**Evidence of Completion**

Freeman Focus (weekly update) Student names submitted for recognition Visible posting of Student of the Month End of unit celebrations related to all academic areas Student work displayed Specific feedback notes during walk throughs Kudos to colleagues Birthday Cards School-wide Behavior Plan

**Action Step 7**

Use of research-based Instructional Delivery Model to increase the effectiveness of all content area instruction; ELA (Gradual Release) and Mathematics (Van de Walle)

**Person Responsible**

Lisa Freeman

**Schedule**

Daily, from 8/24/2015 to 5/30/2016

**Evidence of Completion**

lesson plans, students samples, classroom observation
Strengthen core instruction by increasing the Independent practice time where students grapple with grade level text, writing, mathematics, and science.

**Person Responsible**
Karen Vargus

**Schedule**
Daily, from 8/31/2015 to 5/30/2016

**Evidence of Completion**
students samples, lesson plans, walk-throughs, Marazano scales, differentiated lessons, content area framework

**Plan to Monitor Fidelity of Implementation of G1.B1.S1**

Collect baseline data and intermittent data point for the evidences.

**Person Responsible**
Lisa Freeman

**Schedule**
Monthly, from 9/2/2015 to 6/2/2016

**Evidence of Completion**
Classroom observation, time spent in independent practice, lesson plans, coaching cycles, PLC agendas and sign sheet, student samples

**Plan to Monitor Effectiveness of Implementation of G1.B1.S1**

Collect data on extra time given to unpack modules and math units

**Person Responsible**
Karen Vargus

**Schedule**
Every 6 Weeks, from 9/2/2015 to 6/2/2016

**Evidence of Completion**
unpack standards, lessons aligned to scales and high yield strategies, lessons designed with entry points to meet the needs of all learners
### G2. Bradley MOU

If teachers implement high interest standards-based instruction, then the achievement level of black students in reading will increase to 70% and in math to 70% based on AMO targets.

<table>

<tr>
<th>G2.B2</th>
<th>Lack of student engagement</th>
</tr>
</thead>
</table>

**G2.B2.S1** Implement culturally responsive teaching; supportive learning environment

#### Strategy Rationale

Students are not exposed to lessons that relate to their cultural backgrounds; Lack of addressing academic needs of black students.

#### Action Step 1

Design and conduct a student interest survey to determine sub-group interest.

- **Person Responsible**
  
  Yvette McLean-Pilliner

- **Schedule**
  
  On 9/18/2015

- **Evidence of Completion**
  
  interest surveys & Survey results

#### Action Step 2

Analyze survey results specific to subgroups. Identify instructional implications.

- **Person Responsible**
  
  Yvette McLean-Pilliner

- **Schedule**
  
  On 9/30/2015

- **Evidence of Completion**
  
  survey, data from survey
Integrate data from interest survey; cultural responsive teaching framework into modules at collaborative planning.

**Person Responsible**

Kathleen Beauregard

**Schedule**

Weekly, from 10/1/2015 to 5/27/2016

**Evidence of Completion**

Implementation of high interest and culturally responsive (based on survey) lessons that are aligned to Florida Standards and relevant to students' lives.

**Person Responsible**

Kathleen Beauregard

**Schedule**

Weekly, from 10/1/2014 to 5/14/2015

**Evidence of Completion**

observational data, lesson plans, authentic student engagement data (IPI)

**Plan to Monitor Fidelity of Implementation of G2.B2.S1**

Observe implementation of culturally responsive lessons

**Person Responsible**

Lisa Freeman

**Schedule**

Daily, from 9/7/2015 to 5/30/2016

**Evidence of Completion**

lesson plans Walk through observations
Plan to Monitor Effectiveness of Implementation of G2.B2.S1

Monitor levels of student engagement with the use of IPI

**Person Responsible**
Karen Vargus

**Schedule**
Quarterly, from 9/7/2015 to 5/31/2016

**Evidence of Completion**
Student authentic engagement (IPI)

G2.B2.S2 Differentiated Instruction; Thinking Maps, CRISS

**Strategy Rationale**
Inconsistency in selecting appropriate strategies that value the experiences and knowledge that black students bring to school.

**Action Step 1**

Provide Professional Development on Differentiated Instruction; Thinking Maps, CRISS during Math & ELA PLCs

**Person Responsible**
Lisa Freeman

**Schedule**
Weekly, from 9/7/2015 to 5/30/2016

**Evidence of Completion**
PLC Agendas and sign in sheets
Incorporate DI, Thinking Maps and CRISS strategies from PLC into lesson plans

**Person Responsible**
Kathleen Beauregard

**Schedule**
Weekly, from 9/7/2015 to 5/30/2016

**Evidence of Completion**
lesson plans

Implement DI lessons with the use of Thinking Maps and CRISS

**Person Responsible**
Lisa Freeman

**Schedule**
Daily, from 9/7/2015 to 5/30/2016

**Evidence of Completion**
walk-through data

classroom walk-throughs

**Person Responsible**
Lisa Freeman

**Schedule**
Daily, from 9/7/2015 to 5/30/2016

**Evidence of Completion**
walk-through data
G3. Provide an environment that is safe and civil, fosters positive relationships between staff and students, and respond to students’ academic needs.

**Strategy Rationale**

Need for understanding children of poverty. The need to understand life students come from.

**Action Step 1**

Professional Development: Trauma Informed School

- **Person Responsible**
  Lisa Freeman

- **Schedule**
  Quarterly, from 10/19/2015 to 5/30/2016

- **Evidence of Completion**
  sign in sheets, LMS, agenda

**Action Step 2**

Teachers implement strategies learned from PD into classroom environment.

- **Person Responsible**
  Lisa Freeman

- **Schedule**
  Daily, from 10/26/2015 to 5/30/2016

- **Evidence of Completion**
  students culture survey, walk-throughs

Teachers will be engaged in coaching cycles to support implementation.

**Person Responsible**
Lisa Freeman

**Schedule**
On 5/29/2015

**Evidence of Completion**
Walk-throughs, teacher feedback

Culture surveys will be administered semi-annually

**Person Responsible**
Yvette McLean-Pilliner

**Schedule**
Semiannually, from 1/11/2016 to 5/30/2016

**Evidence of Completion**
student culture surveys
too much time spent on the kids making poor choices and limited time on the kids making good choices.

**Strategy Rationale**

The brain loves celebrations. When a teacher affirms a student’s correct answer or when students celebrate the accomplishments of a peer, a cooperative group, or the class as a whole, confidence increases and the classroom becomes a place where behavior problems are diminished and learning accelerated ~ Marzano

**Action Step 1**

BEAR Paws distributed to students by staff in any environment

**Person Responsible**
Lisa Freeman

**Schedule**
Daily, from 8/31/2015 to 5/30/2016

**Evidence of Completion**
list of students who earned BEAR Paws; students charm necklace

**Action Step 2**

Commitment to Character: each teacher recognizes a student who exhibited the character for the month

**Person Responsible**
Lisa Freeman

**Schedule**
Monthly, from 9/21/2015 to 5/30/2016

**Evidence of Completion**
Certificate to students, Morning Show
**Action Step 3**

Golden Ticket: Classes are awarded Golden Tickets when they exhibit cafeteria expectations during lunch. Classes that earn 10 tickets get a reward.

- **Person Responsible**
  Lisa Freeman

- **Schedule**
  Daily, from 8/28/2015 to 5/30/2016

- **Evidence of Completion**
  bar chart displaying data, Golden Tickets earned data

**Action Step 4**

BEAR Paws: Teacher will be celebrated when their class earns the most BEAR Paw of the month.

- **Person Responsible**
  Lisa Freeman

- **Schedule**
  Monthly, from 9/14/2015 to 5/30/2016

- **Evidence of Completion**
  list of teachers who were celebrated

**Action Step 5**

SNAP Book!! Notebook passed around from staff to staff recognizing and celebrating the staff. Teachers write a celebratory message in the notebook to a teacher and leaves it in his/her mailbox. The recipient then writes a message to someone else and pass it on.

- **Person Responsible**
  Lisa Freeman

- **Schedule**
  Daily, from 8/28/2015 to 5/30/2016

- **Evidence of Completion**
  Snap book
Plan to Monitor Fidelity of Implementation of G3.B3.S1

Observation of PBS strategies will be done by school psychologist

**Person Responsible**
Karen Vargus

**Schedule**
Every 3 Weeks, from 8/24/2015 to 5/30/2016

**Evidence of Completion**
walk-through observational data

Plan to Monitor Effectiveness of Implementation of G3.B3.S1

Baseline and intermittent data gathered from BIDS; track and compare the number of minutes spent on positive interaction with students (i.e. 1 BEAR = 1 min vs. 1 incident report = 5mins)

**Person Responsible**
Yvette McLean-Pilliner

**Schedule**
Monthly, from 8/28/2015 to 5/30/2016

**Evidence of Completion**
Discipline data (FOCUS), BEAR Paws data
