*Informational Baseline School Grade

Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Pinellas County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F or a monitoring status of "Former F" (see page 4). For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education’s school improvement planning web application located at https://www.floridaCIMS.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies
Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in section 1008.33, Florida Statutes, is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

At the start of each academic year, traditional schools are classified for DA support in three categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by Rule 6A-1.099811, Florida Administrative Code:

- Not in DA – currently A, B, or C and not Monitoring Only; charter schools; ungraded schools
- Monitoring Only – currently A, B, or C that improved from a previous grade of F
- Focus – currently D
- Priority – currently F

DA Turnaround and Monitoring Statuses

Additionally, schools in DA may be subject to a turnaround status of “Planning” or “Implementing” or a monitoring status of "Former F." These statuses are based on a school's grades history, including the current school grade:

- Former F - A school with a status of "Former F" requires the department to monitor the implementation of strategies and progress toward the goals outlined in the school improvement plan for three years following the school's improvement from a grade of F to a C or higher.
- Planning - A school with a status of "Planning" requires the district to engage stakeholders in the development of a turnaround option plan to be implemented in the following year should the school grade not improve to a C or higher.
- Implementing - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

   a. Provide the school’s mission statement

   Bear Creek Elementary provides all children with a challenging, high-quality education for their academic and vocational success.

   b. Provide the school’s vision statement

   100 percent student success

2. School Environment

   a. Describe the process by which the school learns about students’ cultures and builds relationships between teachers and students

   The staff at Bear Creek Elementary is committed to building a bridge between what students know and what they need to learn. We are committed to knowing our students well - academically, socially, and emotionally. Our goal is to learn about our students’ families, cultures, and interests. Creating a classroom learning community which encourages students to care for one another and be responsible for each other will foster a positive learning environment. As the gatekeepers of our school’s vision and mission, we will provide consistent routines that help students feel valued and safe, and accountable to one another.

   Meet the teacher will provide an informal opportunity for students and parents to meet the teacher and visit the school. Teachers will elicit ideas from parents and students in regards to their likes, dislikes, strengths and areas for support. Throughout the school year, parents will have opportunities to engage in monthly parent workshops and parental involvement activities.

   As an AVID Elementary school, teachers will work to promote rigorous, relevant, and differentiated opportunities for all students based on their future goals. Short and long-term goal setting will be expected. At least 3 days per week, on the school news, a new person and career will be introduced to spark student interest.

   A welcoming attitude and inviting environment will be expected by all office staff members- parents and visitors will be first priority. We will continuously elicit volunteers and encouraging parental involvement as one of our priorities.

   b. Describe how the school creates an environment where students feel safe and respected before, during and after school

   One way that we have created an environment where students feel safe and respected is by requiring all visitors, media personnel and vendors to check in at the front office. The front office is the only point of entrance onto school grounds once school is in session.

   All entrances are locked at the start of the day and remain in this status until dismissal. Before the gates are open for morning drop-off, staff members must use their sonitrol pass or gate key to enter on school grounds. Students are taught that they are never to open perimeter doors without the approval of an adult. ALL visitors must wear a visitors badge and the staff has been trained to alert
the front office when this is not evident.

Staff members are positioned throughout the campus before and after school with the expectation of welcoming our families and monitoring the arrival/dismissal process.

Classroom teachers are positioned at their doors to welcome students and encourage them to begin their day on a positive note.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

Bear Creek has identified four expectations that are the GFS (guidelines for success). These guidelines are - Be responsible, Encourage others, Actively participate and Respect others. These common area expectations are shared in the classrooms, on the news and in the monthly newsletter. Classroom rules and expectations are aligned to the GFS and posted in the classrooms.

Please see modified behavior plan below:
Developing lesson plans aligned to our Guidelines for Success and a concrete timeline for the implementation. Making certain that all stakeholders are aware of our GFS/school-wide expectation. We will complete 3 hour training with our staff. Administration will host a school-wide assembly to “pump up” our GFS. Teachers will teach the GFS for the first 10-days of school using lesson plans developed over the summer our behavior/ foundations team. Follow-up lessons will be taught as needed.

Evaluation – a timeline will be developed for the purposes of sharing, tracking, scheduling and tracking our current plan. As a team we will review monthly incident and referral data based on the identified common areas. These areas have been identified using multiple data sources (EDS, portal, Decision Ed…etc.) are based on the frequency of incidents in these locations are considered as “hot spots”. The SBLT and teachers in PLCs will identify what appears to be working and will make adjustments as needed. The school guidance counselor will pull small groups for those students who are struggling with our plan.

Implementation – Through the use of walk-throughs, data will be collected on sustaining what’s currently in place and whether or not the staff is following through with the implementation plan.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Our school's counselor currently provides Tier 1 social skills lessons to all students in grades K-5. Lessons are developed around the Commitment to Character traits and shared monthly on the morning news.

Our school's counselor and social worker provide additional small group support for students who are struggling with specific issues (i.e. bullying, getting along with others, changing families..etc). Some students also receive individual one-on-one support in areas which are unique to the individual behavior plans.

Our community liaison works with our community partners to recruit mentors for students in need. For the upcoming school year, Bear Creek has partnered with our feeder high school, Boca Ciega, to provide additional mentorship opportunities.

3. Early Warning Systems
a. Describe the school’s early warning system and provide a list of the early warning indicators used in the system

Bear Creek Elementary’s early warning system (EWS) is a data system that identifies students in grades K-5 “at-risk” of dropping out and the intervention process to link identified students with services and monitor progress. The indicators listed below are used in our current system.

* One or more out of school suspensions
* One or more previous retentions
* Attendance below 90 percent
* Low performing students as measured by FSA bottom quintile, running record, iStation, common assessment (reading and math) and SAT-10 data

b. Provide the following data related to the school’s early warning system

1. The number of students by grade level that exhibit each early warning indicator:

<table>

</tr>
</tbody>
</table>

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Bear Creek Elementary’s early warning system (EWS) is a data system that identifies students in grades K-5 “at-risk” of dropping out and the intervention process to link identified students with services and monitor progress. The indicators listed below are used in our current system.

Administration and grades level teachers meet once per month (during scheduled PLCs) to discuss students falling under the EWS categories outlined above. During this time, decisions are made regarding the next steps as it relates to students. Please see some of the steps which are taken below:

- Bi-monthly child study team meeting, including all required members, that address students that have missed 10% or more of school to discuss the following: trends of why students are not attending school. We will use attendance codes for this purpose. The team will also compete PSW for Attendance quarterly to assist with problem solving to determine the most common reasons/barriers students are absent. We will also utilize the new attendance letters that include graphs comparing the absences of peers.
- RtI/MTSS team meets weekly to discuss and develop plans for students who are struggling academically and with behavior concerns. Decisions are made regarding moving students to Tier 2 or Tier 3 based on evidence through the use of an identified data collection process.

- Conferences are scheduled with parents/guardians to get support from home, and to keep them informed.

- Attendance celebration for students who are present at or above the 90% expectation.

### B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

   a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?
   
   Yes

   1. **PFEP Link**
   
   The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

   2. **Description**

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Bear Creek looks for partnerships that are mutually beneficial to best serve our students. Our staff is dedicated to meeting the educational needs of all children and we believe that involvement and assistance from community partnerships completes the vision we have of attaining high student achievement.

The classroom partnerships are mainly secured through our Family & Community Liaison. The Family & Community Liaison reaches out to the surrounding community by visiting the local businesses or with personal phone calls to owners and managers. These partnerships run throughout the initial year with continued communication that allows us the possibility to sustain the relationship from year to year.

Businesses, community service organizations, and families have joined us as partners.

Involvement includes:
- Sending employees to volunteer or become part of our mentor program
- Speaking at our school about their business/career for the Great American Teach In
- Recognizing students for academics, attendance or behavior
- Teacher Incentives
- Participating in PTA or SAC
- Visits to tour our campus
- Inviting students on a fieldtrip to their business or display student work
- Making a monetary donation/or purchasing items for specific programs/classrooms by becoming involved in our Adopt-A-Class program
- Pack-a-Snack program
Additionally, the partner receives:
Advertisement in our school newsletter and a thank you on our school marquee
A personal certificate of recognition for their contribution
A thank you from the class/staff
An invitation to an end of year celebration and to events held at our school throughout the year

C. Effective Leadership

1. School Leadership Team

a. Membership
Identify the name, email address and position title for each member of the school leadership team.

<table>

</tbody>
</table>

b. Duties

1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

- Principal (Willette Houston) - Monitors and oversees the entire process
- Assistant Principal (Nikishia Dixon) - assist team in accessing and interpreting (aggregating/disaggregating)
  the data.
- Time keeper; helps team begin on time and ensures adherence to agreed upon agenda
- MTSS Coach (Claudine Kwiatkowski) - Generates agenda, leads meeting discussion and generally facilitates the meeting
- Math Coach (Carybeth Hobbs) - provide feedback and ongoing support for staff as related to the area of mathematics.
- Psychologist (Amelia Neal) - assist team in accessing and interpreting (aggregating/disaggregating)
  the data.
- Social Worker (Marcia Youngerman) - assist team in accessing and interpreting EWS data
- Guidance Counselor (Sharon Johnson-Levy) - assist team in accessing and interpreting (aggregating/disaggregating) discipline data
- VE Resource teachers (Marybeth Krenitsky & Melissa Shible) - provide feedback and resources where needed
- SLP(Alicia Capen) - provide feedback and resources where needed

2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s)
responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

The Bear Creek MTSS team meets every Tuesday at 7:30 am in the data room to review/revise current processes, analyze Tier 1, Tier 2 and Tier 3 progress and make adjustments to current plans as needed. The team uses student performance and discipline data to make decisions about instruction, SIP goals and eligibility. The instructional staff is collaborating with Learning Sciences International (LSI) focusing on increasing rigorous standards-based instruction in the classroom.

2. School Advisory Council (SAC)

a. Membership

Identify the name and stakeholder group for each member of the SAC:

<table>
<thead>
<tr>

</tbody>
</table>

b. Duties

1. Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(2).

a. Evaluation of last year’s school improvement plan

SAC will continue to evaluate/progress monitor student achievement as outlined in the School Improvement Plan.

b. Development of this school improvement plan

The SAC collects and analyzes information about the community and the school and receives public input regarding needs (Needs Assessment) of the school. SAC provides ongoing review of the progress being made toward implementation of the School Improvement Plan. The SAC also evaluates success by monitoring short-term and long-term outcomes.

SAC members are given the opportunity to provide feedback and input on goals of the school. SAC’s specific focus is to assist in increasing parental involvement in academic programs.

c. Preparation of the school’s annual budget and plan

Funds for the 2017-2018 school term have not been allocated.
2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

The 2017-2018 school improvement funds were used to retain substitute teachers for TDEs in grades K-5, ESE and Pre-K. During grade level TDEs, teachers used this time for lesson study (grades K-4) and analyzing data.

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements

3. Literacy Leadership Team (LLT)

a. Membership

Identify the name and position title for each member of the school-based LLT or similar group, if applicable:

<table>
<thead>
<tr>
<th>Name</th>
<th>Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>Houston, Willette</td>
<td>Principal</td>
</tr>
<tr>
<td>Kwiatkowski, Claudine</td>
<td>Instructional Coach</td>
</tr>
</tbody>
</table>

b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable

Literacy Leadership Team promotes literacy within the school by focusing on the following areas of literacy concern:
- Jan Richardson and LLI
- Support for text complexity
- Support for instructional skills to improve reading comprehension
- Ensuring that text complexity, along with close reading and rereading of texts, is central to lessons
- Providing scaffolding that does not preempt or replace text reading by students
- Developing and asking text dependent questions from a range of question types
- Emphasizing students supporting their answers based upon evidence from the text
- Providing extensive research and writing opportunities (claims and evidence)
- Support for implementation of Florida State Standards for Literacy in Social Studies, Science, and Technical Subjects (a focus on text, task, and instruction).

The district will provide training and tools for Literacy Leadership Teams.

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

We have implemented a true block schedule which allows teachers to meet as a grade level team for collaborative standards based planning and instruction. This also allows opportunities for our embedded coaches to meet with grade level teams to unpack standards, develop lessons via backwards design and develop formative assessments in an effort to make informed instructional decisions.

During the 2017-2018 school year, standards-based PLCs will take place every Thursday morning from
7:30am-8:15am. We will continue to collaborate with LSI to target and focus on areas in need of improvement regarding effective standards-based instruction and the Rigor Implementation Project.

2. Describe the school’s strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

- Due to our previous turnaround status, administration is able to provide teachers with a $3,000 recruitment bonus.
- Professional development opportunities/training are available both, within and outside the instructional day.
- Increase opportunities for instructional staff collaboration within our school, but also across the district and with outside districts.
- Ensure new hires know the student population and demonstrate a passion and commitment to their success.
- Grow the staff that I presently have.
- Provide ongoing support to new teacher cadre’ (Bear Cubs).

3. Describe the school’s teacher mentoring program, including the rationale for pairings and planned mentoring activities

1. First year teachers will be assigned a site-based mentor to meet with weekly for ongoing guidance (Lead Mentors will support this initiative)
2. Pinellas county’s taxpayers passed a referendum which funds higher salaries for all teachers (County-wide initiative which is reviewed every 4 years pay tax payers.
3. Title I; Supplemental Title I Funds are allocated to further facilitate increased student achievement. Through these funds, Title I Hourly Teachers and a MTSS Coach are retained.

Lead mentors and team leaders will serve as liaisons between administration and grade level teams. Teachers new to Bear Creek will be given opportunities to observe colleagues during designated times or segments of the day.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies

   a. Instructional Programs

      1. Describe how the school ensures its core instructional programs and materials are aligned to Florida’s standards

      We rely on the expertise of administration, teacher leaders, and coaches to ensure that our core instructional programs and materials are aligned to the level of Rigor and Taxonomy level of the Florida standards by monitoring:
      - Instructional staff members will collaborate with Learning Science International (LSI) to increase the level of rigor during learning.
      - During standards-based PLCs and common planning, embedded coaches will assist teachers in aligning instruction to meet the Florida Standards for all content areas (ELA and MAFS), along with the Science NGSSS.
      - Teachers will regularly assess (both formally and informally) and utilize data to modify and adjust instruction.
      - Teachers will use data to differentiate and scaffold to increase student performance.
      - Teachers will provide students with extensive opportunities to write across all content areas.
      - Teachers will increase opportunities for students to collaborate with peers.
      - Teachers will establish routine practice for students using Success Criteria to track individual
progress of Learning Targets in relation to the standard.
- STEM Integration will be included across subject areas in grades K-5.
- Culturally responsive teaching techniques will be incorporated within lessons.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Making data informed decisions - During bi-weekly data chats and standards based PLC sessions with the embedded coaches, teachers will analyze formative assessment data to adjust instruction (whole and small group) to meet the needs of individual learners. Teachers will use bi-weekly teacher created formative assessments, iStation, running record, and common assessments data in reading. Teachers will use Soar to Success, bi-weekly teacher created formative and common assessments in math to supplement and support students having difficulties attaining proficiency in these areas.

Teachers will develop student friendly learning targets and sequences, aligned to the grade level standards, to effectively communicate the purpose of the lesson.

Teachers will Focus on integrating AVID strategies into the content in grades K-5.
- Planners building consistency and a protocol for the school (K-5)
- Goal setting both short term and long term (2-5)
- Note taking strategies in grades (K-5)
- Inquiry (3-5)
- WICORizing daily lessons (4-5)
- Growth mind-set through actionable teacher/peer feedback (feed forward)

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:
**Strategy:** After School Program

**Minutes added to school year:** 7,200

This year we will be implementing "Promise Time" after school extension and enrichment program(s) to provide students with extended learning opportunities. We will expand the school year by at least 7200 minutes to improve student outcomes in core academic subjects, broaden enrichment opportunities, and improve instruction by adding more planning and professional development time for teachers.

Our goal is to have a math and reading afternoon learning academies.

**Strategy Rationale**

Research suggests that regular participation in programs that provide academic and social activities contribute positively to children's academic and social development.

**Strategy Purpose(s)**

- Core Academic Instruction
- Enrichment

**Person(s) responsible for monitoring implementation of the strategy**

Houston, Willette, houstonw@pcsbor

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

I-ready OPM data collection will take place every six weeks to determine where adjustments to the curriculum should be made and whether or not the implementation is effective.

Data collection tools such as running records, and formal/informal district approved assessment tools will be used to monitor student progress.

2. **Student Transition and Readiness**

   **a. PreK-12 Transition**

   The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(iii)(V).

   **1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another**

   Kindergarten Teachers will host an orientation for incoming students and their parents prior to the beginning of the school year. Readiness skills will be emphasized and good choices for academic and social characteristics will be presented. Materials will be available, as well as pamphlets covering a variety of helpful parenting subjects ranging from parenting skills, helping with homework, students with disabilities and what to expect at a parent teacher conference.

   In late Spring AVID students from our feeder, middle and high, are invited to talk with our fourth and fifth grade students to help them in preparing for their transition to post elementary school.
b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations
N/A

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs
N/A

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement
N/A

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the High School Feedback Report, as required by section 1008.37(4), Florida Statutes
N/A

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

   b. Data Uploads
   Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.
   The following documents were submitted as evidence for this section:

   No files were uploaded

2. Problem Identification Summary
   This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary
   This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why"? or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

C. Strategic Goals
School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Strategic Goals Summary

**G1.** By developing and sustaining a healthy, respectful, caring and safe learning environment for students and staff and community members we will engage in wellness efforts through the Alliance for a Healthier Generation’s Healthy Schools Program working towards Bronze Level Recognition becoming eligible in 4 out of 6 Assessment Modules.

**G2.** Decrease the gap in ELA-Reading and Math proficiency by African American students by an average of 5% on FSA until the gap is eliminated or greatly narrowed.

**G3.** Decrease the number of students identified under three or more EWS indicators from 15% to 13% as identified in Performance Matters data base. Decrease the number of students absent 10% or more, by 5%.

**G4.** Increase science proficiency in grade 5 from 54% to 59% as measured by the SSA.

**G5.** Increase the percentage of students on the grades 3-5 ELA (satisfactory to mastery levels) from 47% to 52% as measured by FSA. Increase ESE ELA proficiency from 25% to 30% as measured by FSA. 70% of students in grades K-2 will meet the ELA grade level projected proficiency as measured by NWEA MAP.

**G6.** Increase the percentage of students on the grades 3-5 Math FSA (satisfactory to mastery levels) from 61% to 65% as measured by FSA. Increase ESE Math proficiency from 23% to 30% as measured by FSA. 70% of students in grades K-2 will meet the math grade level projected proficiency as measured by NWEA MAP.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., “SMART goals”), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.

Schedule
Every 6 Weeks, from 8/10/2017 to 5/24/2018

Evidence of Completion
G2. Decrease the gap in ELA-Reading and Math proficiency by African American students by an average of 5% on FSA until the gap is eliminated or greatly narrowed.

G2.B1 Percentage of black students entering current grade level performing one or more years below grade level expectation

G2.B1.S1 Teachers will differentiate and incorporate UDL strategies in all lessons to meet the needs of our African American learners.

**Strategy Rationale**

Research shows tailoring instruction to meet individual student needs is critical to closing the achievement gap.

**Action Step 1**

Identify under performing African American students in grades K-5.

G3. Decrease the number of students identified under three or more EWS indicators from 15% to 13% as identified in Performance Matters data base. Decrease the number of students absent 10% or more, by 5%.

G3.B1. Process of identifying and monitoring students who fall under two or more EWS indicators

G3.B1.S1 Include a time (monthly) on the master professional development schedule to review EWS data during PLCs.

**Strategy Rationale**

Providing time within the master PD schedule will ensure that the process will take place.

**Action Step 1**

Administration and grade level teachers will meet monthly to review and discuss the progress (academic, attendance and behavior) of students identified under 2+ EWS indicators.

**Person Responsible**

Willette Houston

**Schedule**

Monthly, from 8/10/2017 to 5/24/2018

**Evidence of Completion**

PLC agenda, meeting minutes and Performance Matters EWS data information

CST & SBLT will meet monthly to review EWS data and determine what additional supports are needed for student success.

**Person Responsible**

Willette Houston

**Schedule**

Biweekly, from 8/10/2017 to 5/24/2018

**Evidence of Completion**

CST and SBLT meeting agenda and minutes

The problem solving process will be used to determine implementation effectiveness

**Person Responsible**

Claudine Kwiatkowski

**Schedule**

Monthly, from 8/10/2017 to 5/24/2018

**Evidence of Completion**

CST and SBLT team meeting agenda
G4. Increase science proficiency in grade 5 from 54% to 59% as measured by the SSA.

G4.B1 Instruction is not aligned to meet the level of rigor required for students to meet or exceed state science expectations.

**Strategy Rationale**

Research shows that not only will effective collaboration with peers improve teacher performance, it increases student performance.

**Action Step 1**

Teachers will receive science training from coach and learning specialist in using new curriculum guides, SLAG, 5Es, and formative assessments

- **Person Responsible**
  Willette Houston

- **Schedule**
  Monthly, from 8/10/2017 to 5/24/2018

- **Evidence of Completion**
  PD agendas and lesson plans

**Action Step 2**

Students in grades K-5 will participate STEM related problem solving activities.

- **Person Responsible**
  Willette Houston

- **Schedule**
  Every 6 Weeks, from 8/10/2017 to 5/24/2018

- **Evidence of Completion**
  Walkthrough data and lesson plans

Administrators will provide teachers with walkthrough feedback on implementation of STEM integrated best practices.

**Person Responsible**
Willette Houston

**Schedule**
Monthly, from 8/10/2017 to 5/24/2018

**Evidence of Completion**
Walkthrough trend data

Additional training and support will be provided as needed individually, by grade level, or whole school based on trend-data. Administration will monitor lesson plans and provide teachers with walk-through feedback.

**Person Responsible**
Willette Houston

**Schedule**
Monthly, from 8/10/2017 to 5/24/2018

**Evidence of Completion**
Walkthrough feedback
Strategy Rationale

Research shows pedagogy where students have increasing autonomy and responsibility for their own learning, students are able to analyze and reason more.

Action Step 1

Teachers will participate in lesson planning centered around STEM integration and organizing students for student-centered learning.

Person Responsible
Willette Houston

Schedule
Semiannually, from 8/7/2017 to 5/24/2018

Evidence of Completion
Meeting minutes

Walkthrough observational data and feedback provided to teachers

Person Responsible

Monthly review of build walkthrough observational data and PD provided as necessary

**Person Responsible**
Willette Houston

**Schedule**
Monthly, from 8/10/2017 to 5/24/2018

**Evidence of Completion**
As leadership team reviews monthly walkthrough data, team will develop a plan to provide additional PD support in classrooms where student autonomy is not evident.

G4.B1.S3 Teachers must clearly identify what students should be able to do in an effort to demonstrate mastery of the learning goal/target.

**Strategy Rationale**

**Action Step 1**
Instructional staff will attend PD on identifying critical content.

**Person Responsible**
Willette Houston

**Schedule**
Quarterly, from 8/8/2017 to 5/24/2018

**Evidence of Completion**
Meeting minutes, sign in sheets and PowerPoint for training

During weekly standards based PLCs, teachers will plan with grade level teams to unpack standards and identify critical content using the LSI Tracking tool.

**Person Responsible**
Willette Houston

**Schedule**
Weekly, from 8/10/2017 to 5/24/2018

**Evidence of Completion**
PLC meeting minutes/sign-in sheets.

Data will be collected on learning target/task alignment during weekly walkthroughs.

**Person Responsible**
Willette Houston

**Schedule**
Weekly, from 8/10/2017 to 5/10/2018

**Evidence of Completion**
iObservation building and LSI Look and Learn data
**Strategy Rationale**

Formative assessments (minute to minute) are essential in determining whether or not a lesson is effective and if students understand.

**Action Step 1**

Provide PD on ways to formatively assess student learning using multiple assessment tools.

- **Person Responsible**
  Willette Houston

- **Schedule**
  On 5/24/2018

**Evidence of Completion**

Formative assessment data will be reviewed during monthly data chats.

- **Person Responsible**
  Willette Houston

- **Schedule**
  Daily, from 8/10/2017 to 5/24/2018

**Evidence of Completion**

Data chat sign in sheets and meeting minutes

The leadership team will meet weekly to determine the effectiveness of implementation based on walkthrough observational trend data.

V. Professional Development Opportunities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G3. Decrease the number of students identified under three or more EWS indicators from 15% to 13% as identified in Performance Matters data base. Decrease the number of students absent 10% or more, by 5%.

G3.B1 Process of identifying and monitoring students who fall under two or more EWS indicators

G3.B1.S1 Include a time (monthly) on the master professional development schedule to review EWS data during PLCs.

PD Opportunity 1

Administration and grade level teachers will meet monthly to review and discuss the progress (academic, attendance and behavior) of students identified under 2+ EWS indicators.

Facilitator

Performance matters EWS tracking tool/ Houston and Youngerman

Participants

Teachers grades K-5

Schedule

Monthly, from 8/10/2017 to 5/24/2018

G4. Increase science proficiency in grade 5 from 54% to 59% as measured by the SSA.

G4.B1 Instruction is not aligned to meet the level of rigor required for students to meet or exceed state science expectations.

PD Opportunity 1

Teachers will receive science training from coach and learning specialist in using new curriculum guides, SLAG, 5Es, and formative assessments.

Facilitator

Nikishia Dixon and JIT Science Coach

Participants

K-5 teachers; VE resource teacher

Schedule

Monthly, from 8/10/2017 to 5/24/2018
PD Opportunity 2
Students in grades K-5 will participate STEM related problem solving activities.

Facilitator
Nikishia Dixon, Willette Houson and STEM Integration Team.

Participants
K-5 teachers; VE resource teacher

Schedule
Every 6 Weeks, from 8/10/2017 to 5/24/2018

PD Opportunity 1
Teachers will participate in lesson planning centered around STEM integration and organizing students for student-centered learning.

Facilitator
Nikishia Dixon and STEM Integration Team

Participants
All Instructional Staff

Schedule
Semiannually, from 8/7/2017 to 5/24/2018

G4.B1.S3 Teachers must clearly identify what students should be able to do in an effort to demonstrate mastery of the learning goal/target.

PD Opportunity 1
Instructional staff will attend PD on identifying critical content.

Facilitator
LSI Staff Developer

Participants
All Instructional Staff

Schedule
Quarterly, from 8/8/2017 to 5/24/2018

PD Opportunity 1

Provide PD on ways to formatively assess student learning using multiple assessment tools.

Facilitator
Nikishia Dixon and STEM Integration Team

Participants
All Instructional Staff

Schedule
On 5/24/2018

G5. Increase the percentage of students on the grades 3-5 ELA (satisfactory to mastery levels) from 47% to 52% as measured by FSA. Increase ESE ELA proficiency from 25% to 30% as measured by FSA. 70% of students in grades K-2 will meet the ELA grade level projected proficiency as measured by NWEA MAP.

G5.B1 Lack of effective planning

G5.B1.S1 Increased fidelity of effective ELA (reading and writing) lesson planning

PD Opportunity 1

During collaborative planning sessions, teachers will design effective student centered lessons based on the ELA (reading and writing) standards. Lessons will include: word work, close reading of grade level material and explicit reading and writing standards based instruction.

Facilitator
PLC Facilitators

Participants
K-5 teachers; VE resource teacher

Schedule
Biweekly, from 8/10/2017 to 5/24/2018
G5.B2 Instruction is not aligned to meet the level of rigor necessary for a majority of student to meet or exceed state ELA expectations.

G5.B2.S1 Participate in standards based PLCs

PD Opportunity 1
Teachers will meet in grade level PLCs to plan effective standards based lessons.

Facilitator
Team Leaders (Krauss, Montgomery, Hagan, Goodwin, Starr, Black and McMahon)

Participants
All instructional staff

Schedule
Weekly, from 8/10/2017 to 5/24/2018

G5.B2.S2 Design instruction that is student centered and rigorous

PD Opportunity 1
Teachers will participate in PD on organizing students in collaborative groups

Facilitator
LSI Staff Developer

Participants
All Instructional Staff

Schedule
Weekly, from 8/10/2017 to 5/24/2018
G6. Increase the percentage of students on the grades 3-5 Math FSA (satisfactory to mastery levels) from 61% to 65% as measured by FSA. Increase ESE Math proficiency from 23% to 30% as measured by FSA. 70% of students in grades K-2 will meet the math grade level projected proficiency as measured by NWEA MAP.

G6.B1 Lack of effective planning

G6.B1.S1 Increased fidelity of effective math lesson planning

PD Opportunity 1

During collaborative planning sessions, teachers and the embedded math coach will design effective student centered lessons based on the Eight Mathematical Practices and will include: formative assessment tools, and the use of curriculum and content planning guides.

Facilitator
Carybeth Hobbs and Nikishia Dixon

Participants
Administration, math coach, teachers grades K-5; VE resource teacher

Schedule
Weekly, from 8/10/2017 to 5/24/2018

PD Opportunity 2

Embedded math coach will model exemplar lessons and work with teachers to study effective methods to meet the standards which include: lesson study, cycles of coaching, and follow up or feedback sessions.

Facilitator
Carybeth Hobbs and Nikishia Dixon

Participants
Administration, math coach, teachers grades K-5; VE resource teacher

Schedule
Weekly, from 8/10/2017 to 5/24/2018
G6.B2 Instruction is not aligned to meet the level of rigor necessary for a majority of students to meet or exceed state science expectations.

G6.B2.S1 Participate in standards based PLCs

PD Opportunity 1

Teachers will meet in grade level PLCs to plan effective standards based lessons

Facilitator

Team Leaders (Krauss, Montgomery, Hagan, Goodwin, Starr, Black and McMahon)

Participants

All Instructional staff

Schedule

Weekly, from 8/10/2017 to 5/24/2018

G6.B2.S2 Design instruction that is student centered and rigorous

PD Opportunity 1

Teachers will participate in PD on organizing students to work in collaborative groups, leading to lessons that will reflect a natural progression of cognitive complexity and lead to greater student autonomy.

Facilitator

(LSI Staff Developer)

Participants

All Instructional Staff

Schedule

Weekly, from 8/10/2017 to 5/24/2018
