*Informational Baseline School Grade

*Note: The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

School Board Approval

This plan is pending approval by the Pinellas County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing.

This document was prepared by school and district leadership using the FDOE’s school improvement planning web application located at https://www.floridacims.org.

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

**Part I: Current School Status**

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

**Part II: Needs Assessment**

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

**Part III: 8-Step Planning and Problem Solving for Implementation**

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify barriers that could hinder achieving those goals and resources that could be used to eliminate or reduce barriers (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

**Appendices**

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies
Differentiated Accountability

Florida's Differentiated Accountability (DA) system, established in section 1008.33, Florida Statutes, is a statewide network of strategic support, differentiated by need according to performance data, provided to districts and schools in order to improve leadership capacity, teacher efficacy, and student outcomes. Through a data-driven planning and problem-solving process, DA field teams collaborate with district leadership to design, implement, and refine strategic goals and action plans that are documented in the SIP.

### DA Regions

Florida's DA network is divided into four geographical regions, each served by a field team led by a regional executive director (RED).

### DA Categories

At the start of each academic year, traditional schools are classified for DA support in two categories based on the most recent school grades data available. Descriptions of each DA category along with the state support and interventions provided are set forth by Rule 6A-1.099811, Florida Administrative Code:

- **Not in DA** - A school with a current school grade of A, B, or C; charter schools; and ungraded schools.
- **Targeted Support and Improvement** - A school with a current school grade of an initial D.
- **Comprehensive Support and Improvement** - A school with a current school grade of F or two consecutive grades of D, or a high school with a graduation rate of 67 percent or less in the most recent data release.

### DA Turnaround Status

Additionally, Comprehensive Support and Improvement schools have a turnaround status of "Implementing," based on a school's grades history, including the current school grade:

- **Implementing** - A school with a status of "Implementing" requires the district to submit a turnaround plan to the State Board of Education for approval and implementation. A school remains in "Implementing" status until its school grade improves to a C or higher.

I. Part I: Current School Status

A. Supportive Environment

1. School Mission and Vision

a. Provide the school's mission statement

The mission of Gulfport Montessori Elementary is to provide a safe learning environment conducive to various learning styles so students achieve their highest level, resulting in adequate yearly progress.

b. Provide the school's vision statement

100% student success.

2. School Environment

a. Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Our classrooms are open and friendly to parents and students. Parents and students are encouraged to share stories and items from their culture. Each of our teachers takes a child to mentor and build relationships for personal and academic success.

b. Describe how the school creates an environment where students feel safe and respected before, during and after school

Teachers mentoring students. Positive behavior plan in place school wide. Bulldog bucks, paw prints, and positive rewards for success. Any concern is addressed quickly.

c. Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

School wide Positive behavior system for the 98% of our students doing exactly what we need them to do each day.
A discipline consequence menu is also in place for those that are not quite there as of yet. However, many opportunities are given for students to improve their behavioral standing throughout the day. We also have a restorative practice plan in place.

d. Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Mentoring, Guidance, Social Worker, School Psychologist available for families.

3. Early Warning Systems

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(i) and (b)(7)(A)(iii)(III).

a. Describe the school's early warning system and provide a list of the early warning indicators used in the system

Level 1 and 2's on the FSA reading and Math from previous year.
Students one grade level behind based on Running Record Data.
Students scoring in the red on Math or Language Arts Final assessments.
Students with more than 5 referrals
Students with more than 1 suspension.
Students that have missed more than 15 days of school or 10% of current school days.
Students with excessive tardies (30 or more)
Or a combination of tardies and absences that equal up to 30.
An F grade in Reading or Math

b. Provide the following data related to the school's early warning system

1. The number of students by grade level that exhibit each early warning indicator:

<table>
<thead>
<tr>
<th>Indicator</th>
<th>Grade Level</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
<tr>
<td>Level 1 on statewide assessment</td>
<td>0 0 0 34 52 49 0 0 0 0 0 0 0 135</td>
</tr>
</tbody>
</table>

The number of students identified by the system as exhibiting two or more early warning indicators:

<table>
<thead>
<tr>
<th>Indicator</th>
<th>Grade Level</th>
</tr>
</thead>
<tbody>
<tr>
<td>Students exhibiting two or more indicators</td>
<td>K 1 2 3 4 5 6 7 8 9 10 11 12 Total</td>
</tr>
<tr>
<td></td>
<td>0 2 7 7 11 33 0 0 0 0 0 0 0 60</td>
</tr>
</tbody>
</table>

c. Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Behavior plans
Attendance Incentives
Social Worker checkups
Extra intervention(s) in Reading or Math
Extended Learning Program
Enrichment Clubs
Child Study Team

B. Family and Community Engagement

The school's response to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(2) and (b)(7)(A)(iii)(I).

1. Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

a. Will the school use its Title I Parent and Family Engagement Policy (PFEP) to satisfy this question?
Yes

1. PFEP Link
The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

2. Description
See Parent Involvement Plan

2. Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Our family and community liaison meets with business owners and civic leaders to see how we can help them and how they can help us in our partnership.
Our students take field trips to community locations.
We invite community leaders to speak with our staff and students on a regular basis.
We allow the community to use our school for various events.
The principal is involved in community events and reaches out to any and all potential business/community partners.

C. Effective Leadership

1. School Leadership Team

   a. Membership
   Identify the name, email address and position title for each member of the school leadership team:

<table>
<thead>
<tr>
<th>Name</th>
<th>Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>Hathaway, Jessley</td>
<td>Principal</td>

<td>Assistant Principal</td>
</tr>
<tr>
<td>Bushery, Jesstina</td>
<td>Instructional Coach</td>
</tr>
<tr>
<td>Kopnitsky, Kimberly</td>
<td>Instructional Coach</td>
</tr>
</tbody>
</table>

   b. Duties

   1. Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

   Administration (Jessley Hathaway, Neala Jackson), Instructional coaches (Kimberly Johns, Erin Macking), Academic MTSS Coach (Jesstina Bushery) Behavior MTSS Coach (Lamar Washington), School Psychologist (Rachel Manzione), Social Worker (Janna Bailey), Educational Diagnostician (Diane Koplar), Guidance Counselor (Barbara Santiago-Fetch), Grade Level Teachers, Magnet Coordinator (Annette Anthony).

   2. Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

   The MTSS leadership team will review data and results to ensure that the action plan we are implementing is making a difference. If the data is not showing progression, the MTSS will look at other viable options to improve our schoolwide data and look for the available resources to make a difference.

   Title I, Part A
   Title I, Part A funds are utilized, in conjunction with district operating funds and other federal
resources, to support teaching and learning, parental engagement, and professional development. Title I services are coordinated and integrated with other resources through the Division of Teaching and Learning, Student Assignment, and Research and Accountability.

Title I, Part C - Migrant
NA in Pinellas

Title I, Part D
The district receives Title I, Part D funds which provide transition services from alternative education programs to zoned schools. In addition, a portion of Title I, Part A funds is reserved for services to neglected and delinquent students. Funds are targeted to support continuous education services to students in neglected and delinquent facilities through tutoring, instructional materials and resources, and technology.

Title II
The district receives funds to increase student achievement through professional development for teachers and administrators. Title II funds provide math and science coaches, as required by Differentiated Accountability, in some of the district's lowest performing schools. A portion of Title I, Part A funds is used to provide additional reading and math coaches in targeted schools based on FCAT results.

Title III
Title III funds provide educational materials, bilingual translators, summer programs, and other support services to improve the education of immigrant and English Language Learners. Bilingual translators provide assistance with parent workshops and dissemination of information in various languages for Title I schools.

Title X - Homeless
The district receives funds to provide resources for students for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education. A portion of Title I, Part A funds is also reserved to provide services to homeless students (social workers, a resource teacher, tutoring, and technology).

Supplemental Academic Instruction (SAI)
SAI funds are coordinated with Title I, Part A funds to provide extended learning opportunities for students before/during/after school and during the summer.

Violence Prevention Programs

Nutrition Programs
Title I coordinates with district food services to provide breakfast and lunch to students in Title I summer extended learning camps.

2. School Advisory Council (SAC)

a. Membership
Identify the name and stakeholder group for each member of the SAC:
b. Duties

1. Provide a description of the SAC’s involvement with the following activities, as required by section 1001.452(2), Florida Statutes

   a. Evaluation of last year's school improvement plan

   Our SAC has looked at the strategies we had in place last year and decided to continue with the success we had in using our processes to ensure effective processes at the school. SAC has also looked at additional strategies for the new school year to improve upon the strategies from last year.

   b. Development of this school improvement plan

   School wide Data (Behavior and Academic) shared with SAC during monthly meetings. From those key points we use feedback from our families and stakeholders to align our strategies and processes.

   c. Preparation of the school's annual budget and plan

   Surveyed teachers and parents for the best use of Title 1 funds and made suggestions on where the money could best be spent in order to improve student results.

2. Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

3. Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

   Yes

   a. If the school is not in compliance, describe the measures being implemented to meet SAC requirements

3. Literacy Leadership Team (LLT)

   a. Membership

   Identify the name and position title for each member of the school-based LLT or similar group, if applicable.:
b. Duties

1. Describe how the LLT or similar group promotes literacy within the school, if applicable

Support for school wide ELA success
Jessley Hathaway (Principal) - Provide timely informal and formal feedback for instructional staff members in ELA
Neala Jackson (Assistant Principal) - Provide timely informal and formal feedback for instructional staff members in ELA, facilitate PLCs
Jesstina Bushery (MTSS Coach) - Provide Tier 1/2/3 support in the area of guided reading
Kimberly Kopnitsky (Reading Coach) - Support for instructional skills to improve reading comprehension, Support for implementation of Florida Core State Standards for Literacy across all subject areas

D. Public and Collaborative Teaching

The school's responses to this section may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(iii)(IV).

1. Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Lesson study led by team leaders, PLC leaders and coaches
All meetings begin with sharing positives
Common planning time for all teams
Through general operating funds we purchased planbook.com for every teacher, coach, and administrator

2. Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Jessley Hathaway (principal) is responsible for hiring highly Qualified teachers. Once they are hired on in the school, we provide training, lesson study, observation opportunities, and a mentor program. Every participant (mentor and mentee) also attend a monthly meeting to help move development forward. Team planning and team meetings are a critical part of building and supporting teachers.

3. Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

Planned Mentoring Activities: Observation of mentee’s instruction and providing feedback; Planning lessons with mentee; Connecting lesson activities to content standards; Discussing student progress and analyzing student work; Modeling or co-teaching lessons. Grade level assignments are determined and shifted based on student, along with teacher and administrator input.

E. Ambitious Instruction and Learning

1. Instructional Programs and Strategies
a. Instructional Programs

1. Describe how the school ensures its core instructional programs and materials are aligned to Florida’s standards

Teachers plan as grade level teams using the Florida Core standards. These standards are goals that students are striving to master. These lessons are monitored by administration and instructional coaches. Teachers are provided feedback along with coaching support.

b. Instructional Strategies

1. Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

We look at a variety of data sources in order to determine the best way and level to instruct our students. This is regularly examined to improve instruction. Data is looked at to determine various supports given to individual students.

2. Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

<table>
<thead>
<tr>

2. Student Transition and Readiness

a. PreK-12 Transition
The school's response to this question may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(7)(A)(iii)(V).

1. Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Kindergarten Teachers will hold an orientation for incoming students and their parents prior to the beginning of the school year. Readiness skills will be emphasized and good choices for academic and social characteristics will be presented. Materials will be available, as well as pamphlets covering a variety of helpful parenting subjects ranging from parenting skills, helping with homework, students with disabilities and what to expect at a parent teacher conference. Each incoming student in Kdg-5th grade will be partnered with a “buddy” in every room until they learn processes and routines. Students are also given an agenda as a way to communicate between school and home.

b. College and Career Readiness

1. Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

2. Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

3. Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

4. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the High School Feedback Report, as required by section 1008.37(4), Florida Statutes

II. Needs Assessment

The school's completion of this part may address the requirements of ESSA, P.L. No. 114-95, § 1114(b)(6).

A. Problem Identification

1. Data to Support Problem Identification

b. Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

No files were uploaded

2. Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

B. Problem Analysis Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying "why"? or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.
C. Strategic Goals
School Improvement Goals

By developing and sustaining a healthy, respectful, caring and safe learning environment for students and staff and community members we will engage in wellness efforts through the Alliance for a Healthier Generation’s Healthy Schools Program working towards Bronze Level Recognition becoming eligible in 4 out of 6 Assessment Modules.

G1. By developing and sustaining a healthy, respectful, caring and safe learning environment for students and staff and community members we will engage in wellness efforts through the Alliance for a Healthier Generation’s Healthy Schools Program working towards Bronze Level Recognition becoming eligible in 4 out of 6 Assessment Modules.

G2. We will place an instructional and extra curricular focus on our African American students so that achievement on classroom post tests and state achievement tests will increase by at least 20% over 2016-2017 achievement levels, resulting in a narrowing of the gap between black and non-black students.

G3. Engaging students in rigorous tasks and assignments across all grade levels, and aligning those tasks to Florida core state standards, will allow students to show growth in all areas. Students in third, fourth, and fifth grades will be above Level 3 on state assessments.

G4. By identifying students’ present levels of performance in all academic subject areas, we will target academic interventions and strategies which will improve the growth percentile rank of our lowest performing students.

G5. Students will use evidence to explain their reasoning and thinking across all subject areas.

G6. Gulfport will improve on its school wide welcoming environment and outreach to its stakeholders. The percentage of referrals and suspensions will decrease by 30% and students attending less than 90% will also decrease by 30%.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., “SMART goals”), targeted barriers to achieving the goal, resources available to help reduce or eliminate the barriers, and the plan for monitoring progress toward the goal.
G1. **Action Plan for Improvement**

*For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.*

**Problem Solving Key**

- **G** = Goal
- **B** = Barrier
- **S** = Strategy
- **1** = Problem Solving Step
- **S123456** = Quick Key

**G1.** By developing and sustaining a healthy, respectful, caring and safe learning environment for students and staff and community members we will engage in wellness efforts through the Alliance for a Healthier Generation’s Healthy Schools Program working towards Bronze Level Recognition becoming eligible in 4 out of 6 Assessment Modules

**G1.B1** Lack of staff participation to complete assessment modules and develop an action plan for improvement.

**G1.B1.S1** By developing and sustaining a healthy, respectful, caring and safe learning environment for students and staff and community members we will engage in wellness efforts through the Alliance for a Healthier Generation’s Healthy Schools Program working towards Bronze Level Recognition becoming eligible in 4 out of 6 Assessment Modules.

**Strategy Rationale**

We need healthy students, staff and community. Healthy students = happy students.

**Action Step 1**

The Healthy School Team will review all assessment items to determine the most feasible item(s) to improve in one module to achieve recognition level, and then develop an action plan for that item(s)

**Person Responsible**

Jessley Hathaway

**Schedule**

On 5/24/2018

**Evidence of Completion**
