

4-Year Plan Review if Student Created One in 8th Grade

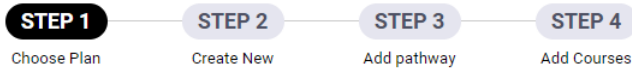

1. Log onto your Naviance account > Select Courses > Select Manage Course Plans

2. Click on the red plus button to create the Course Plan for High School

3. Select "Course Plan for High School."

Select the graduation plan you would like to build.

Start by selecting a high school and then select one of the graduation plans available at that school. You will then be able to select courses and explore and apply career pathways courses to your plan. You can also create more than one plan so that you can explore different pathways available at different schools.

Dunedin HS Plan for 8th Grade Students

When you click **CONTINUE** the course selections you made in "Dunedin HS Plan for 8th Grade Students" will be transferred in the best way possible to a new "Course Plan for High School" plan of study. Due to differences in requirements between plans of study there may need to be some course adjustments in the new plan.

4-Year Plan Creation if Student Did NOT Create One in 8th Grade

Steps 1-3 remain the same.

4. Select “Create a New Plan” instead of transferring your plan from 8th grade.

Steps 5-7 remain the same, but this student will need to fill in all courses since they had not done so yet.
