Fall To-Do List

Today, you will have the opportunity to meet with your counselor to review and discuss your academic progress as well as your overall transition to high school. While you wait, please take a moment to complete the tasks outlined below to help you prepare for the future. There are additional tasks on your to-do that you have the option to explore and complete, but these tasks listed below require completion during this session.

1st Task:

Complete the Personality Styles Quiz

- If you have not completed the Matchmaker quiz, please click [here](#) for a step-by-step guide to complete.
- The personality styles quiz is the next step into exploring different pathways and careers

Optional Tasks for Further Insight and Assistance with Future Planning

For a deeper dive into your college and career exploration, feel free to complete the optional tasks listed on your to-do list; such as the explore career matches lesson, study skills and habits lesson, or the self-advocacy lesson. All tasks offer additional opportunities to explore and identify colleges and career paths for your future.

If you are looking to improve in your approach to your individual learning and academics, it may be beneficial for you to complete the Learning Style Quiz. The Learning Style assessment helps students understand different ways of learning and how they best learn.

College and Career Center Support

School-Site College and Career Coordinators can assist you with future planning for college, trade programs and preparing for military enlistment. Here are a few ways in which they can support you as you prepare for your next step:

- Assist you in registering and preparing for the college fair, military recruiter visits and other specialized events put on by the College and Career Center
- Assist you with reviewing your saved colleges and careers in Xello in more detail
- Assist you with preparing for the PSAT in October
- Assist with completing and reviewing additional lesson in Xello related to preparing for your future (i.e. career path choices lesson, getting experience lesson, and study skills and habits lesson).
