

# Sunset Hills Elementary

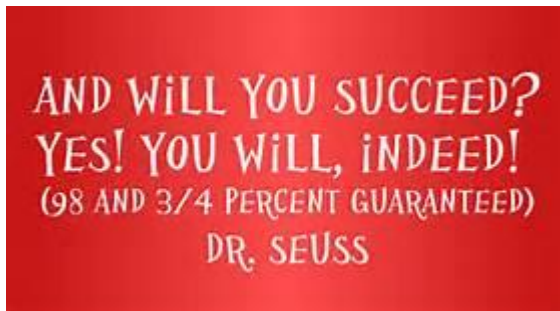

## April 2017 Newsletter

### A Message from Administration

Parents as we continue our State Assessment window, please help students remember to get a good night sleep, eat a healthy breakfast, and be on time. Our students and have teachers have worked extremely hard this year and are ready to show what they know!

*318 is Going Down!!*

### Bucket Filler of the Month

**Congratulations to Donna Schaff**

**Food Service: Café Super Star**

### Important Dates

April 11: PTA - Sponsored Astro Skate Night (3pm -5pm)

April 13: Muffins with Mom (before school)

April 14: No school for students

April 20: Muffins for Dad (before school)

April: FSA Testing throughout the month

## Classroom Spotlight

Ms. Cosme's 3<sup>rd</sup> grade class recently completed a science lab all about Earth Science. Students analyzed:

- How are types of soil different?
- How does soil form?
- How can you classify various types of soil?

Students collected soil samples around campus, used soil sieves to move the soil and sort the soil contents. Students then we journaled our findings.

## April eBook Reading Challenge

This April, Pinellas County Schools is hosting an e-book reading challenge. The top elementary school will win a class set of Kindles. eBooks provide a great opportunity for students to access a variety of titles on an Internet enabled device right at their fingertips. For more information on this challenge, please visit our school website at this link:
