Executive Secretary, Middle School Education

## General Middle School Curriculum Overview

Each middle school student will be registered in a minimum of seven (7) courses per year while in a Pinellas County middle school.

## Basic Course Requirements

The basic course requirements are listed below for middle school student progression. Students must pass all twelve (12) of these courses or higher level courses:

- Language Arts: Grades 6, 7, 8
- Mathematics: Grades 6,7,8
- Science: Grades 6, 7, 8
- Social Studies: Grades 6, 7, 8

Natural Progression for Middle School Language Arts

| School Year | Grade | Course \# | Abbreviated Title | Placement Guidelines FSA Math | Maximum Class Size |
| :---: | :---: | :---: | :---: | :---: | :---: |
| 2015-2016 | 6 | 1001010 | M/J Language Arts 1 or | Guidelines will vary by course | 22 |
|  |  | 1001020 | M/J Language Arts 1 ADV |  | 22 |
| 2016-2017 | 7 | 1001040 | M/J Language Arts 2 or |  | 22 |
|  |  | 1001050 | M/J Language Arts 2 ADV |  | 22 |
| 2017-2018 | 8 | 1001070 | M/J Language Arts 3 or |  | 22 |
|  |  | 1001080 | M/J Language Arts 3 ADV or |  | 22 |
|  |  | 1001320 | English 1 Honors (HS Credit) |  | 25 |

Natural Progression for Middle School Math

## Additional Course Requirements:

## Reading is required for the following students:

Middle school students who score at Level 1 or Level 2 on the statewide, standardized Reading assessment or the English Language Arts (ELA) assessment are required to complete an intensive reading course. Those students in grades 6-8 who score at Level 1 or Level 2 on the statewide, standardized Reading assessment or the English Language Arts (ELA) assessment and do not need instruction in decoding or text reading efficiency may receive reading remediation through a content area course with a Reading Certified/Endorsed, Content Area Reading Professional Development (CAR-PD), or Next Generation/Common Core Content Area Reading Professional Development (NGCAR-PD) Qualified teacher in which remediation strategies are incorporated into course content delivery. Those students who qualify for content reading remediation must also have an approved Secondary Individual Literacy Improvement Plan in place, and data must be available to show that Level 1 or Level 2 students do not have decoding or text reading efficiency issues based on district placement criteria. The opportunity for students who scored at Level 1 or Level 2, but in three years prior scored at Level 3 or above, to receive a one-year exemption from reading intervention is no longer available due to the requirements of Senate Bill 1076.

| FCAT 2.0 Reading Level | Course | Abbreviated Title | Course Code | Data Points |
| :---: | :---: | :---: | :---: | :---: |
|  | Intensive Reading -single period (full year course) <br> ACHIEVE3000 \& AMP Reading System (grades 6, 7, and 8) | $\begin{aligned} & \text { M/J INT } \\ & \text { READ } \\ & \text { (grades 6-8) } \end{aligned}$ | $\begin{gathered} \text { Gr. 6: } \\ \text { 10000106 } \\ \text { Gr. 7: } \\ 10000107 \\ \text { Gr. 8: } \\ 10000108 \end{gathered}$ | Scored below proficiency on ELA State Assessment <br> - WRT/VKT/SKT Score: $<30^{\text {th }}$ percentile <br> - Probably of Literacy Success (PLS) < 70\% <br> - Teacher recommendation and Reading Intervention <br> Decision Process <br> flowchart scores for placement <br> - Optional Open Response Task to further assist determining student instructional needs. |
|  | Intensive Reading* - two-period block (full year course) <br> Read 180 (grades 6, 7, and 8) | $\begin{gathered} \text { M/J INT } \\ \text { READ } \\ \text { M } / \mathrm{JND} \text { INT LA } \\ \text { (grades } 6-8 \text { ) } \end{gathered}$ | Gr. 6: 1000010A Gr. 7: 1000010B Gr. 8: 1000010 C AND 10000000 | Scored below proficiency on ELA State Assessment <br> - WRT Score: $15^{\text {th }}>30^{\text {th }}$ percentile <br> - VKT Score: $15^{\text {th }}>30^{\text {th }}$ percentile <br> - Has not scored a Level 3 or higher on prior two FCAT Reading exams and <br> Reading Intervention Decision Process flowchart scores for placement <br> - Teacher recommendation |
|  | Intensive Reading* - two-period block (full year course) <br> System 44 <br> REACH (grade 6)* <br> Reading Academy (grades 7 and 8)* <br> *Curriculum is in the process of being revised | $\begin{gathered} \text { M/J INT } \\ \text { READ } \\ \text { AND } \\ \text { M/J INT LA } \\ \text { (grades 6-8) } \end{gathered}$ | Gr. 6: 1000010X Gr. 7: 1000010 Y Gr. 8: 1000010 Z AND 10000000 | Scored below proficiency on ELA State Assessment <br> - WRT/VKT/SKT Score: $\leq 15^{\text {th }}$ percentile <br> - PLS < $70 \%$ <br> - Individualized program assessment prior to placement <br> - Open Response Task to further assist determining student instructional needs. <br> - Teacher recommendation |
|  | *Must be blocked with intensive language arts-and students must ALSO be enrolled in one of the following course codes: Language Arts 1: $\mathbf{1 0 0 1 0 1 0 0}$ (grade 6); Language Arts 2: 10010400 (grade 7); or Language Art 3: $\mathbf{1 0 0 1 0 7 0 0}$ (grade 8) Just to clarify: Students in Read 180, System 44, REACH, or Reading Academy will be enrolled in the following three courses: Intensive Reading, Intensive Language Arts, and Language Arts 1,2, or 3 |  |  |  |
| Level 1 \& 2 <br> Content Area | - Content area teachers who complete the Next Generation Content Area Reading - Professional Development (NGCAR-PD) package or have the Reading Endorsement may provide reading intervention through their content area classes to $6^{\text {th }}, 7^{\text {th }}$, and $8^{\text {th }}$ grade students who score below proficiency and do not need instruction in decoding and text reading efficiency. <br> - FAIR-FS data points: WRT/VKT/SKT $>40^{\text {th }}$ percentile, PLS $\geq 70^{\text {th }}$ percentile \& Teacher Recommendation <br> - NGCAR-PD--Students scoring below proficiency can be served in a content area classroom once the content area teacher completes the initial 60 -hour academy of the 90 -hour NGCAR-PD package. Teachers will have up to two semesters to complete the 30 hour practicum to maintain qualification. <br> - Please note: Any students who scored below proficiency on ELA State Assessment receiving reading remediation through a content area class must have a Secondary Individual Literacy Improvement Plan in place and on file. The waiver is no longer an option. |  |  |  |
| Reading Option (Manually Entered) |  |  |  |  |

Sixth grade students who scored Level 3 or higher must take a semester or year-long reading course, as determined by the school unless this requirement was completed at the elementary level. Sixth grade students enrolled in the gifted elective, Advanced Academics, or the approved magnet world languages programs at John Hopkins, Bay Point, and Sanderlin may exempt this requirement if they scored at Level 3 or above on the fifth grade state, standardized Reading assessment.

| Level 3-5 Only: Electives-- Manually Entered |  |  |  |
| :--- | :--- | :--- | :--- |
| Reading I-- Daybook (required) | M/J READ 1 (grade 6) | $\mathbf{1 0 0 8 0 1 0 0}$ | Full year course - required for students <br> scoring at proficiency or higher |
| Reading I - Advanced (elective) | M/J READ 1 Adv (grade 6) | $\mathbf{1 0 0 8 0 2 0 0}$ | Full year course |
| Reading 2-- Plugged-in to Reading <br> (elective) | M/J READ 2 (grade 7) | $\mathbf{1 0 0 8 0 4 0 0}$ | Full year course |
| Reading 2 - Advanced (elective) | M/J READ 2 Adv (grade 7) | $\mathbf{1 0 0 8 0 5 0 0}$ | Full year course |
| Reading 3-- Plugged-in to Reading <br> (elective) | M/J READ 3 (grade 8) | $\mathbf{1 0 0 8 0 7 0 0}$ | Full year course |
| Reading 3 - Advanced (elective) | M/J READ 3 Adv (grade 8) | $\mathbf{1 0 0 8 0 8 0 0}$ | Full year course |

## Intensive Math is required for the following students:

If a middle grades student scores Level 1 or Level 2 on the statewide, standardized Mathematics assessment the following year the student must receive remediation, which may be integrated into the student's required mathematics courses. In Pinellas county all students score a Level 1 on the statewide, standardized Mathematics assessment must be received direct daily instruction in an intensive math class. Students scoring a level 2 can receive remediation which must be integrated into the grade level required math course, however, schools must closely monitor the progress of these students to ensure student success.

| Grade <br> Level | Course Title | Course Code | ACRs | Current Math Level |
| :---: | :---: | :---: | :---: | :---: |
| 6 | $\mathrm{M} / \mathrm{J}$ Intensive Math (annual) | 1204000 A | Rule 1 | 1 (required) |
| 7 | $\mathrm{M} / \mathrm{J}$ Intensive Math (annual) | 1204000 B | Rule 1 | 1 (required) |
| 8 | $\mathrm{M} / \mathrm{J}$ Intensive Math (annual) | 1204000 C | Rule 1 | 1 (required) |

## Physical Education is required for the following students:

Physical education is required in grades 6, 7, and 8 for a minimum of one (1) semester. Any student having written parental consent (see PCS Form 2-3097) or who is enrolled in a remedial class may be exempt from the physical education requirement.

## Physical Education

| $6-8$ | 1400000 | Peer Counseling 1 | Year Long | Beginning |

Health is required in grades 6 and 8.

- M/J Health 6 (08000500) or Personal Development (85002300) will meet the requirement for Comprehensive Health Education/Family Life Education.
- Sixth grade students enrolled in a yearlong program (i.e., band, strings, chorus, world languages, etc.) may opt out of the sixth grade health requirement.
- Only eighth grade gifted students enrolled in the gifted program as an elective may opt out of the eighth grade health requirement. Written parental consent is required. (see PCS Form 2- 2648)

## 2015-2016 Access Course Numbers

(Used for Mild/Moderate/Intense Classrooms)
MMI Program Specific Information: Mild, Moderate and Intensive

- Secondary only- All students placed in MMI must be eligible to have instruction at Access coursework level. ( per state definition No students with SLD or LI only are eligible)
- No longer categorical classes based on eligibility - but based on student level of support
- Modified curriculum - exempt from FCAT, Florida Alternate Assessment taken; Teachers should use FAA results to determine what level access points students are instructed on. They may be on different levels in different subjects
- IEP drives decisions.
- Mild (18:1:1) - S1: The student requires a modification to the learning environment, and assistance for some of the learning activities
- Can navigate the school campus independently or with a mild level of support (ex. Supervision for the first week- then support faded if appropriate)
- General verbal or minimal prompting needed
- Can follow simple daily routine after some supervised modeling or practice
- Is able to express wants and needs independently (regardless of communication avenue)
- Requires specific scheduled supervision for some tasks and assistance for some learning activities
- Moderate (14:1:2) - S2: The student requires a more extensive modification to the learning environment, and assistance needed for a majority of learning activities
- Can navigate the school campus with continuous supervision in a group
- Specific verbal prompting required- and needed often
- Can follow simple directions with adult supervision
- Is able to express wants and needs with prompting
- Requires small group instruction for learning activities
- Requires support specifically for some transitions and self-care
- Intensive (9:1:2) - S3: The student requires an individualized modification to the learning environment, and continuous or intensive (one-on-one or very small group) assistance for all learning activities.
- Cannot navigate the campus without continuous supervision either one-on-one or small group
- Prompting and modeling needed to complete most activities
- Needs continuous supervision- requires a high level of support primarily for all Self- care needs, self- injurious behavior, medical needs and safety
- Needs assistance to communicate wants and needs

```

7810012 Access M/J Lang 2, can be used for 2 periods=1block ,ELA,RDG.
7812020 Access M/J Math 2
7820016 Access M/J Comp Science 2
7821023 Access M/J Civics and Career Planning
7863000 Access M/J Social Personal Skills: 6-8, or Unique Skills
7863010 Access M/J Unique Skills (PAES \& CBI)

## $8^{\text {th }}$ Grade MMI

7810013 Access M/J Lang 3, can be used for 2 periods=1block ,ELA,RDG.
7812030 Access M/J Math 3(Pre-Algebra)
7820017 Access M/J Comp Science 3
7821023 Access Civics and Career Planning
7863000 Access M/J Social Personal Skills: 6-8 or Learning Strategies
7863010 Access M/J Unique Skills (PAES \& CBI) Other Course Numbers (Electives/Therapies/etc.)
7815010 Physical Education 6-8 (MMI students do not use \#1500000)
7863030 Unique Skills: Independent Functioning 6-8 (can be used for Intensive Unit)
7863040 Unique Skills: Curriculum and Learning 6-8
7863050 Unique Skills: Communication 6-8
7863090 Learning Strategies 6-8 (can be used for Mild Unit)
7863080 Unique Skills: Vision 6-8
7866030 Speech Therapy 6-8
7866050 Occupational Therapy 6-8
7866070 Physical Therapy
7855020 Hospital Homebound 6-8
For additional ESE courses and more detailed information please see the Course Code Descriptions folder in Outlook.
Reminder: Any student is eligible to take the General Education courses. The student's Individual Education Plan (IEP) drives the environment in which the student receives instruction in the General Education standards (General Education Classroom, ESE Setting, or a combination). Only students with disabilities who are exempted from FSA and eligible to take the Florida Alternate Assessment (FAA) may enroll in Access courses. The student's IEP drives the environment in which the student receives instruction in the Access standards (General Education Classroom, ESE Setting, or a combination). As much as possible, students with disabilities taking the FAA should receive instruction in the subjects, with corresponding minutes at each grade level, that replicate the General Education requirements, keeping in mind that the IEP must be implemented as written.

## Articulation Reminders for Students With Disabilities

North, Mid and South county "Articulation Help Sessions" will take place in January and February for the $5^{\text {th }}$ to $6^{\text {th }}$ grade ESE teachers and for $8^{\text {th }}$ to $9^{\text {th }}$ grade ESE teachers to assist with this process. Please look for the email flyer with more information or contact your CED.

## FOCUS/Service Delivery/Transportation

- In January or early February, please verify next years' service delivery codes in FOCUS.
- Check IEP transportation codes and services to ensure the student still requires the same level of support they are currently receiving.
The school's DMT should receive any changes to service delivery codes to ensure proper coding in FOCUS. If changes do occur, the DMT should recheck codes after the FOCUS rollover on February 28.

If a student moves, please direct the family to student assignment to ensure new address is documented.

- Consider service delivery options.
- If an RP setting is being considered, student must presently be included in a general education setting for the majority of their day.
G Guidelines are to assist with next years' service delivery- but all recommendations should be made based on individual needs and be reflected in the IEP.
Examples for EBD and ASD students NOT eligible for ACCESS Course instruction are below:

| Students with an Emotional/Behavioral Disability |  | Students with an Autism Spectrum Disorder |  |
| :---: | :---: | :---: | :---: |
| Standard Diploma: ___Pathway |  | Standard Diploma |  |
| Currently in an F3 setting $50 \%$ of the time or more | Currently in an Inclusion setting $50 \%$ of the time or more and does not access any support from EBD program | Currently in an F6 setting $50 \%$ of the time or more or I-6 or F-6 Standard Dip and requires support of $B x$ Spec and/or social skills | Currently in an Inclusion setting $50 \%$ of the time or more and does not access any support from ASD Standard Diploma program |
| Probable Next Year Service Delivery = F3 | Probable Next Year Service Delivery = RP | Probable Next Year Service Delivery = F6 | Probable Next Year Service Delivery $=$ RP |

. F1, F4, F5, I5 students who are pursuing an ACCESS COURSE Pathway must be coded S1 (mild), S2 (moderate), or S3 (Intensive) in middle school. The service delivery code is determined by the level of supports and services indicated in the student's IEP.
[ See the description for each below. These service delivery codes are based on the level of support the student requires NOT eligibility.

- Students who are not eligible for ACCESS COURSE INSRUCTION with ASD/OHI may not be coded F5 in elementary, middle or high school. They must be coded F6.
IEP
- If the annual review and/or re-evaluation is due prior to October of the following year, an annual IEP meeting should be held prior to the end of this school year and re-evaluation should be considered.
Ensure that the current IEP reflects student performance, needs and supports. Address domains reflecting all services required to meet the needs of the student. IEP drives decisions.
[ Re-evaluations must be completed and closed.
Collaborate with the TSA at the receiving school to discuss specific needs of the incoming students in order to reflect proper course requirements and minutes in the IEPs.

## FBA/PBIP

Review and update FBA/PBIP within the last 2 months of the school year.
Send the electronic version to the receiving school's behavior specialist and TSA.

## Students with ASD Profiles

- Please complete/update on each student prior to them transitioning and obtain parent input if possible.

## Social Histories

[. For students in self-contained EBD and ASD: The school based IEP team, with social worker involvement will do a social history update for the student transitioning from $5^{\text {th }}$ to $6^{\text {th }}$ or $8^{\text {th }}$ to $9^{\text {th }}$ if it has not been done within the past year. If an update has been completed within the last year, another one does not need to be done unless there have been events in the student's life or the family situation has changed, then an update still should be completed again.
For students with disabilities who have previously had a social history: Consider a social history update every 3 years

## OT/PT

- Re-evaluations should be completed prior to leaving elementary school if it is more than 2 years old. Equipment needs should be communicated to Jody Becker

## SLP Articulation

[ SLP articulation will take place in October/November. The SLP articulation form should be completed for all students transitioning and should include strategies, service delivery discussions etc...

- SLP department database information should be entered and monitored

## DHH/VI

DHH and VI will have separate internal articulation process

## ESOL Services

## Content Specialist: Natasa Karac

| Grade Level | Course Code | Code Name | Length <br> Semester or Year Long | Level <br> Beg, Intermediate, <br> Adv |
| :---: | :---: | :--- | :---: | :--- |
| 6 | 10020000 | $\mathrm{M} / \mathrm{J}$ Language Arts 1 through ESOL | year | BEG, Low <br> Intermediate |

## Middle School ESOL Program

Middle Schools that have 20 or more ELLs who are:

- classified LY in FOCUS
- at the beginning (BEG) and low intermediate (LIN) language proficiency levels and
- in the same grade level

MUST provide M/J Language Arts through ESOL 1-3 using identified curriculum and materials.

These schools will provide basic mainstream instruction in the Content Area using differentiated instruction and identified curriculum. Clustering students is strongly recommended. The schools can also provide sheltered instruction in the Content Area using identified curriculum and materials.

Middle Schools that have fewer than 20 ELLs, classified LY at the beginning (BEG) and low intermediate (LIN) language proficiency levels in the same grade level will provide ESOL services in their $\mathrm{M} / \mathrm{J}$ Language Arts 1-3 in the basic mainstream using differentiated instruction and identified curriculum as well as provide the basic mainstream instruction in the Content Area using differentiated instruction and identified curriculum. Clustering students is strongly recommended.

## ESOL GLOSSARY

English Language Learner (ELL) - a student who:
a. Was not born in the U.S. and whose native language is other than English; or
b. Was born in the U.S. but who comes from a home in which a language other than

English is most relied upon for communication; or
c. Is an American Indian or Alaskan Native and comes from a home in which a language other than English has had a significant impact on his or her level of English Language Proficiency: and
Who, as a result of the above, has sufficient difficulty speaking, reading, writing, or understanding the English language to deny him or her opportunity to learn successfully in classrooms in which the language of instruction is English.

LY - The student is an English Language Learner and is enrolled in classes specifically designed for English Language Learners.

LF- The student is being monitored for a two-year period after having exited from the ESOL program.
LZ - The student is one for whom a two-year follow-up period has been completed after the student has exited the ESOL program. Once a student completes the two year post-reclassification monitoring period, they are re-coded LZ and remain so for the remainder of the school career.

ZZ - Not applicable. Students whose parents responded in the negative to all three required Home Language Survey questions, that is, non-Ells.

ELL Committee- a committee composed of ESOL teacher(s) and home language teacher (if any) and administrator or designee plus guidance counselors, social workers, school psychologists or other educators as appropriate for the situation. Parents must be invited to attend all committee meetings.

ELL Student Plan- a written document(s) that identifies student name, instruction by program (including programs other than ESOL provided), amount of instructional time or schedule, date of ELL identification, assessment data used to classify or reclassify the student as an ELL, date of exit and assessment data used to exit the student as English proficient.

Basic Subject Areas - instruction in computer literacy, mathematics, science and social studies.
Basic ESOL - instruction in English/Language Arts, regardless of delivery model approach.
Other Subject Areas - any instruction other than Basic ESOL or Basic subject areas.
Basis of Entry - A one character code indicating the student's basis of entry in the ESOL program: Aural/Oral (A); Reading and Writing (R); LEP Committee (L) or temporarily placed in a program based on a "Yes" response to Home Language Survey questions $b$ and/or $c(T)$.

Basis of Exit - one or two character code indicating the student's basis of exit from the ESOL program: $\mathbf{H}$ for K-2, I for 3-9, J for 10-12 and ' $\mathbf{L}$ ' for ELL Committee or ' $\mathbf{Z}$ ' if not applicable.
Classification Date - the initial date a student whose parents responded "Yes" to the Home Language Survey is determined eligible or not eligible based on assessment for an ESOL program.

Entry Date- the initial date an identified ELL student starts receiving instruction.

Exit Date - the initial date an ELL student is classified a Fluent English Speaker (LF) according to approved criteria.
Extension of Instruction- indicates a student is receiving services beyond the base three years of eligible ESOL FTE funding as specified in Rule 6A-6.0903, FAC. Students may receive an additional $4^{\text {th }}, 5^{\text {th }}$ or $6^{\text {th }}$ year of weighted FEFP funded instruction and services based upon needs as determined by annual evaluations.

Home Language Survey Date - the date that the Home Language Survey was completed in accordance with Rule 6A-6.0902, FAC. (Note: After the 1990-91 school year only those students entering Florida public schools for the first time must complete the Home Language Survey.)

Instructional Model- the type of instructional strategy provided to English Language Learners in each course. The allowable types of instructional models are:
E Sheltered-English
S Sheltered - Core/Basic Subject Areas
I Mainstream/Inclusion - English
C Mainstream/Inclusion - Core/Basic Subject Areas
Z Not applicable
Post Reclassification Dates- each date that a former English Language Learner's performance has been reviewed to ensure parity of participation once the student has been classified as fully English proficient (LF). These reviews shall take place automatically at the student's first report card, semiannually during the first year after exiting the program and at the end of the second year, in accordance with Rule 6A-6.0903, FAC.

Reclassification Date - the initial date a former ELL (LF) is reclassified as an ELL (LY). This can only be done through an ELL Committee.

Reclassification Exit Date- the date a reclassified ELL exits the ESOL program. This can only be done through an ELL Committee.

Date Entered United States (DEUSS) - the month, day and year on which the student entered the United States (any of the 50 states, excluding U.S. territories and possessions.)

## COMPREHENSIVE PROGRAM REQUIREMENTS AND STUDENT INSTRUCTION

## ESOL Program Delivery Models

Pinellas County Public Schools offers ELLs instructional services through the following types of instructional delivery models:

- ESOL Sheltered-Instruction Classes
- Basic Mainstream Instruction

In both of these instructional delivery models, the instruction provided to ELLs must be equal in amount, scope, sequence and quality to the instruction provided to non-ELLs at the same grade level. Instruction is supported through the use of ESOL instructional strategies. In addition, the curriculum, textbooks and other instructional materials used by ELLs must be comparable to those used by their non-ELL counterparts.

These two types of instructional delivery models are implemented through the following placement options:

## 1. Sheltered Instruction

Sheltered Instruction (K-12) refers to the instructional delivery where only ELLs from different language backgrounds are grouped together to receive instruction in content subject classes, such as Science, Social Studies, Math and English/Language Arts by highly qualified teachers.
Students are "sheltered" in the sense that they do not compete with fluent speakers of English. Teachers adjust the level of instruction to ensure that students understand the grade level curriculum. This type of instruction enables ELLs to become proficient in
English and facilitates the acquisition of academic language necessary to succeed in content area classrooms. Delivery models will vary by grade levels. In grades K-5, students are clustered by grade level and instruction is differentiated by language proficiency in a sheltered (self-contained) classroom. In grades 6-8, students are cluster by grade level and sheltered instruction is differentiated by English language proficiency. In grades 9-12, students are clustered by sheltered instruction (content area) classes and instruction is differentiated by English language proficiency.

## 2. Basic Mainstream Instruction

Basic Mainstream Instruction ( $\mathrm{K}-12$ ) is implemented in schools with an insufficient ELL enrollment to provide sheltered instruction. In this model, ELLs receive instruction with ESOL strategies in classrooms with non-ELLs. This model requires careful planning and ongoing support from a highly qualified teacher, to ensure that the needs of the ELLs and non-ELLs are met simultaneously and equitably. Implementation of this model will vary for the grade levels. Schools should cluster students strategically in order to maximize instruction and resources available.

Clustering is:

- Developing consistent school wide guidelines for student placement (according to language classification/proficiency, and/or academic needs) in order to strengthen instructional services.
- An all school effort-staff must understand the rationale and system for student placement so that new students are placed appropriately

## Benefits of Clustering:

For Students:

- Equal access to all instructional options
- More instructional time and support provided by school staff
- More bilingual support provided by bilingual paraprofessional/teacher
- Social and emotional support from peers who are, themselves, learning English
- Instruction provided by a mainstream teacher trained to work with ELLs
- Access to additional materials that are appropriate for ELLs (manipulatives, visual supports, range of leveled books, etc.)
- Better differentiation of instruction - it is harder to overlook a large group of students when planning for instruction

## For Teachers:

- Increased opportunities to collaborate with and learn from other teachers
- More professional development opportunities
- Opportunities to work in small groups for focusing instruction
- Access to more materials for differentiation of the instruction

## Instructional Approaches

The META Consent Decree (1990) does not prescribe any particular instructional approach or model as the principal vehicle for instruction. However, the Consent Decree does require that understandable instruction must always be provided. The instruction must be comprehensible, equal and comparable in amount, scope, sequence and quality to that provided to English proficient students.
Regardless of which instructional approach is implemented, ELLs must receive course or grade level curriculum, which is aligned with the appropriate benchmarks in the Florida Standards and to the course descriptions. Textbooks and other instructional materials used with ELLs must be the same or comparable to those used with non-ELLs in the same grade.

## Sheltered Instruction - Elementary

In schools with ESOL sheltered classes, ELLs are grouped by grade levels and receive comprehensible instruction from teachers in the area of language arts through ESOL and in all subject areas. Bilingual teachers or paraprofessionals can provide native language support. Students are mainstreamed for electives such as art, music, and physical education.

## Sheltered Instruction - Middle

In schools with ESOL sheltered classes, ELLs must receive instruction in Language Arts through ESOL 1, 2 and 3. $\mathrm{M} / \mathrm{J}$ Developmental Language Arts ESOL-Reading is an elective course, in lieu of Intensive Reading, which could be used multiple times and provides ELLs with additional listening/speaking/reading and writing skills. Other subject area instruction may be provided in a sheltered setting by a bilingual teacher providing native language support and/or with the assistance of a bilingual paraprofessional. Students must be mainstreamed in classes such as art, music, and physical education.

## Sheltered Instruction - High

In schools with ESOL sheltered classes, ELLs must take English through ESOL I, II, III and
IV courses to meet graduation requirements for English. Developmental Language Arts ESOL-Reading is an elective course, in lieu of Intensive Reading, which can be used multiple times and provides ELLs with additional listening/speaking/reading and writing skills.

Other subject area instruction may be provided in a sheltered setting by a bilingual teacher using native language support and/or with the assistance of a bilingual paraprofessional. Students must be mainstreamed in classes such as art, music, and physical education.

## Basic Mainstream Instruction - Elementary, Middle, and High School

In schools that do not offer sheltered ESOL classes, ELLs must receive instruction through the basic mainstream. Basic mainstream using ESOL strategies is one of the delivery models which ensure comprehensible instruction for ELLs. School site administrators are responsible for monitoring the implementation of ESOL strategies by the classroom teacher. Evidence can be observed during classroom visits, through lesson plans, through use of materials and audio-visuals, etc... All teachers of ELLs MUST document the ESOL strategies used for each lesson in their plan book.

Students are scheduled in academic courses based on their previous schooling as documented by their school records/transcripts and programmatic assessment. In addition, teachers evaluate students' content area knowledge on an ongoing basis and recommend appropriate class placement. These also include honors, advanced placement, and dual enrollment courses. Guidance department staff provides ELLs with information on courses needed based on their post-secondary career plans.

## Lesson Plans

Teachers must plan lessons that incorporate language development by:

- offering many opportunities for students to listen, speak, read and write;
- using cooperative activities;
- creating an environment where students are engaged in meaningful, comprehensive, and useful language activities;
- aligning the lessons with the Florida Standards and documenting benchmarks as required by the state;
- focusing on critical thinking and problem-solving skills;
- providing opportunities for active participation in the learning process

Teachers must document the implementation of ESOL instructional strategies appropriate for ELLs' language proficiency levels for each lesson.

Language Arts through ESOL Courses for English Language Learners (ELLs) in middle school grades:

| Grade | ESOL Course Title | Course <br> Code | Current English <br> Language Proficiency <br> Level (CELLA) | Current FCAT <br> Reading <br> Performance |
| :---: | :--- | :---: | :---: | :---: |
| $\mathbf{6}$ | M/J LA 1 Through ESOL | 10020000 | BEG, LIN, HIN | Level 1, Level 2 |
| $\mathbf{7}$ | M/J LA 2 Through ESOL | 10020100 | BEG, LIN, HIN | Level 1, Level 2 |
| $\mathbf{8}$ | M/J 3 Through ESOL | 10020200 | BEG, LIN, HIN | Level 1, Level 2 |
| $\mathbf{6 , 7 , 8}$ | M/J Developmental Language Arts Through <br> ESOL. May be repeated multiple times. <br> elective, full year course; allows for grouping <br> based on language proficiency | 10021800 | BEG, LIN, HIN | Level 1, Level 2 |
| $\mathbf{6 , 7 , 8}$ | M/J Developmental Language Arts Through <br> ESOL (Reading) - R <br> May be repeated multiple times. <br> elective, full year course; allows for grouping <br> based on language proficiency | 10021810 |  |  |
| R | BEG, LIN, HIN | Level 1, Level 2 |  |  |

NOTE: Students coded LY with FCAT Reading level 3 and/or proficient scores on the language proficiency assessment should be placed in the regular Reading and Language Arts classes with ESOL endorsed/ certified teachers: linguistic modifications and appropriate ESOL strategies will still need to be utilized and documented in the lesson plans.

## Daily Instruction Time

Students will be placed in the Language Arts through ESOL class according to their grade level. In elective courses, ELLs can be grouped according to their language proficiency level. Middle school students receive ESOL instruction five to ten hours per week.

Recommendations:

- Beginners (BEG): 2 hours/per day (ESOL Language Arts/Developmental Language Arts)
- Intermediate (LIN and HIN): 2 hours/per day (ESOL Language Arts/Developmental Language Arts)

## Grading

Students will be graded with letter grades A-F based on their progress made with classroom instruction that has been modified using ESOL strategies and modifications.

These ESOL strategies and modifications will be documented in the teachers' daily lesson plans.

## Promotion

Students in the ESOL program will be required to meet the same standards as any other student in the various subject areas such as social studies, science, mathematics, and computer literacy.

The standards will be met by using ESOL strategies in the content areas.
Content area ESOL instruction implies that teachers will modify instructional strategies, materials, and assessments in order for students to be able to achieve academic success.

## Scheduling

As per the META Consent Decree, ELLs in middle school must be grouped by grade level for the Language Arts through ESOL classes.

The ESOL students can be mixed by language proficiency levels only in the elective courses such as Developmental Language Arts through ESOL course number 1002180. The course number can be used multiple times.

The ELLs will attend content area classes with non-ELLs and receive the same instruction as the non-ELLs. Teachers in those classes have been and continue to be trained to provide comprehensible instruction using ESOL strategies.

## Gifted Services

## Content Specialist: Jenny Klimis

## Gifted Service Delivery Models

A continuum of services is offered for middle school gifted students.

- Part-time services can be delivered through multiple course options: the Advanced Academics (gifted elective) courses and/or the ALPSS Math and Science courses.
- Full-time gifted services are provided only in the three Middle School Centers for Gifted Studies. Services should be selected based on the needs of the individual student and must be documented on the Educational Plan (EP). Service Delivery Codes in FOCUS must match EP services and course enrollment as follows:

| Special Delivery <br> Code | Type of Service | Notes |
| :---: | :--- | :--- |
| F7 | Full-time | Centers for Gifted Studies ONLY |
| P7 | Part time (Advanced <br> Academics/ gifted elective) | All middle schools |
| P6 | Part-time (ALPSS Science) | Bay Point, Carwise, Meadowlawn, Palm Harbor, Safety Harbor, <br> Seminole, Clearwater Fundamental, Madeira Beach <br> Fundamental |
| P5 | Part-time (ALPSS Math) |  <br> Seminole |
| PX | NOT ACTIVE | Student is eligible but not receiving any gifted services. |

## Advanced Academics (Gifted Elective)

This course is designed to enable exceptional students to acquire and apply the skills and abilities needed to enhance academic achievement through experiences which provide enrichment, in-depth learning, and /or accelerated study. The course is based on the NGSSS Gifted Standards. All students enrolled in this course must have an EP. The teacher must meet gifted endorsement requirements. Class size requirements apply.

The Advanced Academics course will be offered at all middle schools. Students can enroll in this course each year. For this reason, the curriculum focus varies in each of the courses listed below. Pending gifted enrollment, the Advanced Academics courses can be offered in two ways:

- Grade level courses using the following sequence: 6th - Literature; 7th - Philosophy \& Psychology; 8th Investigating Cultures. This option is recommended only if enrollment supports a full section of students who are in the same grade.
- Multi-grade level courses that are rotated annually. This option is recommended for schools that only offer one or two sections of Advanced Academics. For 2015-16, schools using this option should offer 78550401 Year 1, Literature.

| Grade | Course \# | Abbreviated Title | PCS Course Code Title | Class Size |
| :---: | :---: | :--- | :--- | :---: |
| $6-8$ | 78550401 | ADV ACAD: 6-8 GIFTED | M/J Advanced Academics: Year 1, Literature | 22 |
| $6-8$ | 78550402 | ADV ACAD: 6-8 GIFTED | M/J Advanced Academics: Year 2, Social <br> Sciences: Philosophy \& Psychology | 22 |
| $6-8$ | 78550403 | ADV ACAD: 6-8 GIFTED | M/J Advanced Academics: Year 3, Social <br> Sciences: Investigating Cultures | 22 |
| $6-8$ | 78550404 | ADV ACAD: 6-8 GIFTED | M/J Advanced Academics: <br> Creative \& Critical Thinking Skills | 22 |

## ALPSS: Accelerated Learning Programs for Secondary Students in Math and Science

The ALPSS math and science courses provide students the opportunity to receive gifted services through advanced content courses. These courses can be offered in the self-contained or blended models described below.

Option 1: Gifted Service in a Self-contained Gifted Setting for Math and Science

- All students in the class are gifted.
- Each student's EP states advanced content math/science instruction in a gifted classroom.
- Teacher must meet gifted endorsement requirements.
- Class size requirements apply.
- Recommended model if the gifted enrollment supports a full section of :

Incoming $6{ }^{\text {th }}$ graders ALPSS- Math and Science
2015-2016 $7^{\text {th }}$ graders ALPSS - Math and Science

Option 2: Gifted Service in a General Education Setting (Blended Model)

- Advanced content class for gifted and non-gifted students in a general education setting.
- Each student's EP states gifted services provided as advanced content math/science instruction in a general education setting.
- The gifted endorsed teacher must document in his/her lesson plans how the course is differentiated for each gifted student based on the EP goals.
- Teacher must meet gifted endorsement requirements.
- Class size requirements apply.
- Recommended model if gifted enrollment does not support a full section of:

Incoming $6{ }^{\text {th }}$ graders ALPSS- Math and Science
2015-2016 $7^{\text {th }}$ graders ALPSS - Math and Science
NOTE: Beginning 2015-16, a "G" suffix has been added to the ALPSS math and science courses.

## ALPSS - Math

| Grade | Course \# | Abbreviated Title | Effective <br> Date | Current Math Level | Maximum Class Size |

*Students enrolled in the magnet programs may have a required magnet curriculum course that does not allow space in the student's schedule for the Advanced Academics course (gifted elective). Parents should contact the magnet coordinator at the middle school regarding questions or concerns about gifted service.
****The Advanced Academics course is the only gifted course available to students who attend Dunedin Highland, Morgan Fitzgerald or Thurgood Marshall, but are not enrolled in the Center for Gifted Studies magnet program.

## Dunedin Highland Middle/ Morgan Fitzgerald Middle/ <br> Thurgood Marshall Fundamental Middle

The goal of the Middle School Centers for Gifted Studies is to provide a full-time gifted program experience for students. In this setting students learn in self-contained gifted classes with their intellectual peers with instructors who are specially trained in best practices in gifted education.

The curriculum philosophy of the Middle School Centers for Gifted Studies is grounded in the belief that gifted students require comprehensive and on-going differentiated curriculum and instruction in order to develop their abilities appropriately. The curriculum is integrated across the broad concepts of change, systems and models, and uses an interdisciplinary approach. This unique curriculum design promotes in-depth learning and creative, critical and complex thinking.

## Curriculum highlights include:

- Advanced and enriched content
- Accelerated courses earning up to six high school credits
- College of William and Mary language arts and science curriculum Strong vocabulary program
- Curriculum integrated across the concepts of change, systems and models Interdisciplinary connections
- Academic competitions - National History Day, National Engineers Week Future City Competition, Future Problem Solving
- Unique magnet elective that focuses on research skills, creative and critical thinking, independent study, and social-emotional needs of the gifted learner.

# Frequently Asked Questions about the Middle School Centers for Gifted Studies 

My child has never been in a full-time gifted program experience, how can I know if he/she will be successful?
Students who meet the criteria for gifted have the academic potential for success in a full-time gifted program. However, not all gifted students demonstrate the need for a full-time gifted curriculum that includes acceleration and advanced content in all subject areas. The curriculum at the Middle School Centers for Gifted Studies is designed to provide a challenge and promote academic growth. Important factors to consider are your child's willingness to meet an academic challenge and to persevere if the work is complex or difficult. Time management, self-direction and organizational skills are also important. Your child's elementary general education and gifted teachers can provide some guidance in making the decision to apply based on your child's performance. The teachers at the Middle School Centers for Gifted Studies will work with students and parents to provide support as needed through the Educational Plan (EP) process.

Will Ridgecrest Center for Gifted Studies students be given priority acceptance for the Middle School Centers for Gifted Studies? Yes, Ridgecrest Center for Gifted Studies students have a feeder assurance to the middle school gifted center in their geographic application area. However, parents must follow the district process for application and acceptance.

If my child is zoned for Dunedin or Fitzgerald, do I still need to apply for the Center for Gifted Studies?
Yes, parents must apply through the district application process for a seat in the Center for Gifted Studies.

Do I have to submit a copy of my child's Educational Plan (EP) with my application if my child is currently enrolled in gifted classes in a Pinellas County School?
No, gifted eligibility of Pinellas students can be verified through the district information system.
Will transportation be provided to the Middle School Centers for Gifted Studies?
Yes, arterial bus transportation is provided to students who live more than two miles from the school.
Will the students accepted at Thurgood Marshall Fundamental Middle School Center for Gifted Studies be required to follow the policies of a fundamental school?
Yes, the Center for Gifted Studies is a school within a school magnet. Since Thurgood Marshall is a fundamental school, all students must adhere to the fundamental policies. Students will also have a priority to a fundamental high school.

Will the curriculum be a challenging, rigorous curriculum?
Yes, the curriculum for each class has been designed to provide acceleration, advanced content and enrichment based on best practices in gifted education.

## Will courses in the Center for Gifted Studies count towards high school credit?

Yes. High school credit can be earned for successful completion of requirements for: Algebra I Honors, Geometry Honors, English I Honors, Integrated Science 1 Honors, and World Language I and 2.

## Will the students take all coursework within the Center for Gifted Studies?

Students must take all of the courses required in the magnet curriculum. Each year students will enroll in one elective class from those offered at the school such as art, band, orchestra, or technology.

## Will the students participate in competitions?

Yes, students will participate in the following national academic competitions: National History Day, National Engineers Week Future City Competition and Future Problem Solving. Additional opportunities will also be available for participation in other competitions such as Science Olympiad, Odyssey of the Mind, and Math Counts.

## Will there be extensive homework?

Homework decisions will be made by the teachers. It should not be assumed that students will have an extraordinary amount of homework because they are in a full-time gifted school. The recommended guidelines are 1-2 hours of homework daily.

| 8 | 1700130 | $\mathrm{M} / \mathrm{J} \mathrm{AVID}^{\text {th }}$ | Yearlong |  |

## Scheduling

AVID was introduced to Pinellas Country 9 years ago and is gaining momentum within our system. Evidence of this exists in our District Strategic Plan, intentional long term planning around training opportunities related to using WICOR strategies to increase the level of rigor our students experience, and systemic understanding of the influence AVID can have in the lives of our "middle" students. In order to reach our goal we must support more students through the elective class and ensure that the scheduling of those classes allows for tutor support.

Scheduling will determine your school's ability to meet the goals in the District Strategic Plan, the District Bridging the Gap plan, and also to meet certification requirements.

- Essential 8, Certification Level 1: The student/ tutor ratio in the AVID Elective class is no higher than 7:1 to support collaboration and mentoring; hiring current college tutors is a priority and whenever possible current college students are hired as AVID tutors. For our office to facilitate the hiring of college tutors for your school's AVID program, sections must be scheduled back to back, minimizing multiple sections in the same class period.

## Identifying the AVID Elective Teacher

For an AVID program to be effective, the AVID Elective teacher must fully understand his unique role as the elective teacher and the extensive commitment necessary to fulfill the expectations. The importance of selecting a teacher who is a strong positive fit to this teacher-leader position cannot be overstated. To that end, the AVID District Staff will work with principals to identify all future AVID elective teachers. Principals will first identify the teacher they recommend and the AVID District staff will interview the candidate in a timely and efficient manner, providing feedback and suggestions to the principal. This will be done with the intent to insure implementation with fidelity, and to create stability and sustainability in the AVID system at each school and within the District. This will ensure that certification, based on informed, voluntary participation by the teacher and fidelity to the expectations of the program, can be met.

The AVID Elective will reflect no less than $1 / 2$ of a teacher's schedule.

| 6-8 | 0720020 | M/J World Language Humanities for International Studies 3 (Dunedin Highland and Morgan Fitzgerald only) | Year Long | Advanced |

- *Although many schools do not have the personnel available to offer sixth grade world language courses, the curriculum for the $\mathrm{M} / \mathrm{J}$ Beginning courses is an introduction to and preparation for the high school language 1 and 2 courses offered in $7_{\text {th }}$ and 8 th grades and in high school AND can be taken in grades 6,7 or 8 . It should be followed by Spanish (French, ASL, Chinese or German) 1. The year-long M/J Beginning courses offer the only language study option available to students who do not wish to be enrolled in a high school course. All other language courses (Year 1 and 2 courses) are high school courses.
- Students must have earned credit for Spanish (French, ASL, Chinese, or German) 1 before enrolling in Spanish (French, ASL, Chinese, or German) 2.
- It is recommended that students who earn a grade lower than "B" in Spanish (French, ASL, Chinese or German) 1 re-take the course, following the "Forgiveness Policy", before continuing to Spanish (French, ASL, Chinese or German) 2.
- All students who earn high school credit for world language courses taken in middle school are expected to continue their study of the language in $9^{\text {th }}$ grade, enrolling in Spanish (French, ASL, Chinese, or German) 2 or 3 (based on the course in which they were enrolled in $8^{\text {th }}$ grade). Only if they have earned 2 consecutive credits in the same language should they consider starting a new language in high school.
