

Businesses

Successful businesses know that good schools are an investment worth making. Through partnerships, businesses benefit schools and students and employees benefit by knowing that they assisted in the life of a student.

The following are ways to help you make a difference in the education of our students. Try one or all of them!

Become a Partner in Education

When businesses become partners in education, everyone wins – business, employees, and students! Partners can sponsor a school, class, or program; host events for students and their families; become a member of the school’s SAC (School Advisory

Committee); provide internships or job sharing, judge a school event; provide speakers for coordinating interests, or display student artwork in your business

Participate in National Advocacy events such as:

- Great American Teach-in (November)
- National Mentoring Month (January)
- Take Your Daughters & Sons to Work Day (April)

Volunteer

Employees benefit from volunteering at a school.

- Mentor
- Tutor
- Read
- Chaperone
- Be a guest judge at a contest
- Assist

Financial support

Make a donation to a school for school supplies, materials, field trips, instruments, computers, award ceremonies such as Student of the Month or Teacher Appreciation Day.

Donate Resources

Do you have extra materials, furniture, computers, etc.? Classrooms can recycle equipment that can be utilized by students and staff.
