PINELLAS COUNTY SCHOOL BOARD
FLORIDA

PCSB: 2216         FLSA: Exempt
Instructional

SOCIAL WORKER

MAJOR FUNCTION:
This position provides a specialized service for helping students in an adjustment which enhances learning and participation in school. The students referred to this position are primarily those identified as having problems in behavior, personality, achievement and/or attendance, to the extent that they are not making constructive use of school. Responsibilities include helping students through casework, group work or consultation, either on a long or short-term basis, involving contacts with the child and/or parent, school personnel and community resource.

DUTIES AND RESPONSIBILITIES:
• Facilitates and consults with school staff with regard to individual case situations when appropriate.
• Develops and maintains partnerships with social work related community organizations.
• Conducts individual and/or group counseling sessions with students and/or parents.
• Facilitates student and teacher learning on issues such as character education, child abuse, suicide, safety, alcohol/drug abuse, human relationships, communication skills, peer mediation, teen pregnancy, and other mental health/social issues.
• As a member of the county crisis response team, organizes, facilitates, and provides support services to the affected students and school staff during and after a crisis.
• Makes referrals to school and community resources to provide both remedial and preventive services to students and their families.
• Allocates time and resources consistent with the department mission statement.
• Involves family, teachers and student when creating a success plan for support plan for the student.
• Develops a plan to enhance student learning and participation in school. This may include: monitoring students with poor attendance--intervening and referring as necessary; functional behavioral assessment; academic improvement planning; behavior support planning; and individual education planning.
• Solicits feedback to build, maintain, and improve student, parent and community partnerships.
• Assists students and their families in the resolution of behavioral, emotional and social needs through school and community resources and referrals.
• Aggregates, maintains and monitors customer satisfaction and dissatisfaction data to help determine needs and priorities.
• Develops and monitors program processes and services based on needs of students, teachers, administrators, and families.
• Maintains awareness of developments in the field of school social work by participation in workshops and seminars, and through private study of professional books and journals.
• Develops practice models to meet the needs of students and families.
• Considers level of satisfaction in determining intervention aim (everyone involved).
• Coordinates and collaborates with school personnel and private and public sectors of the community to meet the needs of Pinellas County students and families.
•Communicates the expectations and services of the school to the parent.
•Communicates the expectations of the parent to the school.
•Maintains an information system that supports the facilitation and monitoring of department goals and initiatives.
•Establishes, maintains, interprets and utilizes case information and performance data collected.
•Uses social work data to maximize resources available to schools.
•Maintains records of case information and services provided.
•Aligns services with school improvement plan, C&I Division Plan, customer and state requirements.
•Assists schools and community agencies in analyzing data for continuous improvement in student achievement.
SOCIAL WORKER

DUTIES AND RESPONSIBILITIES (Continued):

- Provides students and other funding agencies with timely access to information, and materials, to improve student performance.
- Uses comparison and benchmarking data in the analysis of professional performance.
- Administers various behavior rating scales and other standardized instruments.
- Responsible for behavior and academic assessment including bio-psychosocial histories for the purpose of educational planning.
