

2017

Sanderlin Color Run

Dear Sanderlin PK-8 Families,

The PE department is gearing up for our 1st Color Run! The Color Run will be taking the place of the annual Walk-a-Thon that has been held in the past. It will take place Friday, February 24, 2017. The Color Run will raise money for the PYP and MYP physical education and health departments.

The color is made with corn starch, water and food color. We suggest your student *bring a white or light colored t-shirt to wear during the run* to cover their clothes. **Each student will need a signed permission slip (located below) to participate in the Color Run. Without the signed permission slip, students will run an alternate course.**

The student who raises the most money will get to be PRINCIPAL for the day with Dr. Miller. The student who raises the second highest amount of money will get to PIE Ms. Cehi in the face, and the student who raises the third highest amount of money will get to SLIME a participating Sanderlin staff member. The PYP classroom and the MYP House that raises the most money will earn a pizza party.

Checks for donations should be made out to Sanderlin PK-8. Please return the signed permission slip and donation the week of February 20-24 to Coach Bosser in Le Bistro before school or Coach Needham in her portable.

Thank you for your efforts in helping our school!

Please detach the permission slip below and return no later than Feb. 24

My child _____ grade/teacher _____ has
permission to

participate in the Color Run on February 24, 2017 at James B. Sanderlin IB.

Parent/Guardian signature: _____

Amount of donation: \$ _____
