

MEET *your* TEACHER

Mrs. Schafer

Welcome to *5th Grade!*

Welcome!!! I can't wait to meet you! I am your English Language Arts teacher next year! Next year will be my 13^h school year teaching. This is my fourth year at Bay Vista! I am so excited to meet all of you. I have taught grades 3-5 for the last thirteen years. I received my degree from Southern Illinois University and am originally from Chicago, Illinois. I moved to Florida in 2011 and couldn't be happier about the move! The sunshine + beach is one of my favorite things!

My husband and I got married in September 2020 and have one son, Oliver, who is six years old. He is in first grade here at Bay Vista! I would love to get to know you. I've included my email below and hope you will send me an email about yourself (include likes, dislikes, favorites, summer things, etc). Enjoy the rest of your summer!!!

MEET *your* TEACHER

Mrs. Finch

Welcome to *5th Grade!*

Welcome! I am excited about being your teacher this year. I will be teaching both Math and Science. Mrs. Schafer will be teaching ELA.

My name is Mrs. Finch and many of you may know me, as I have taught at Bay Vista for the last seventeen years but have been teaching for 41 years. I received my degree in Elementary Education from Auburn University. I am married and have two children, Charlie (37) and Katie (21).

Multiplication is a big skill to know in 5th grade. Please begin practicing your facts as we will have weekly timed multiplication tests. When you send Mrs. Schafer an email be sure to include me on that email so I can learn about you as well. I am looking forward to a busy and exciting year. We have a lot of fun things planned!
