Welcome to Fifth Grade!

All about Mrs. Keesee:
I have been an educator in Pinellas County for over 10 years. I began my career teaching 6th grade, worked hourly with multiple grade levels and spent the last 4 years in 2nd. I am excited to teach older kids once again. I have 3 children, a son who will be in 7th grade at Mad Beach fundamental, daughter who will be in 6th grade at Mad Beach and a daughter who will be in 3rd at Bay Vista. I graduated from FSU with a bachelors in elementary ed and a masters degree in reading so I am thrilled to be teaching all reading and writing this year. I am looking forward to a fantastic 5th grade experience!

Meet the **TEACHER**

Welcome to Fifth Grade!

All about Mr. Ateek:

A little about me. My name is Anthony Ateek, and I am a +20-year teaching veteran; all of my experience has come in Pinellas County Schools. In fact, I come from a long line of teachers, and I love watching children grow academically. I am an avid fan of baseball (Rays Up!), science, and I am keenly interested in all sorts of artistic ventures from cooking, to playing music and writing, and so much more. As partners, we share the responsibility for your child's success, and I want you to know that I will do my very best to carry out this responsibility.
