

Dear Families,

Welcome!

We are excited to be your 2nd grade teachers for the 2024-2025 school year!

Second grade is a very important year as your child will be making the transition from learning to read towards reading to learn. We will also be working on maturing as writers as well as becoming mathematicians and scientists. I can already tell that this school year is going to be filled with enthusiasm and lots of learning!

We are excited for the opportunity to get to know your child, and are looking forward to a happy and productive school year. With your cooperation and support, we know that we can make this the best year yet for your child!

There is a general supply list below; more items may be requested as the year goes on.

We are excited to make this the best school year yet!

Sincerely,

Bay Point Elementary 2nd Grade Team
