

Welcome Families!

We are excited to be your BPE 2nd-grade teachers for the 2025-2026 school year!

Second grade is a significant year where your child will focus on mastering reading skills and comprehension. We will continue to develop mature writers, proficient mathematicians, and curious scientists. This will be a year full of enthusiasm and growth!

We are committed to providing a positive, safe, and enjoyable environment where your child will feel free to explore and excel comfortably.

We look forward to guiding your child through this important year and getting to know them better. We want to emphasize that regular attendance is crucial for their success in having a productive school year. With your cooperation and support, we are confident that we can achieve this goal together!

Sincerely Yours,

Bay Point Elementary 2nd Grade Team

Second Grade Supply List

The following items would be helpful to ensure our classrooms will be equipped and ready to start our year off. Please label only the items that are listed under [Labelable items only](#)! All other supplies will be used in our classroom community throughout the year.

Thank you!
