**video released May 1*

The background features a large, faint sunburst or starburst graphic in the upper left quadrant, with rays extending across the top. A large, stylized musical note, possibly a treble clef or a large 'G' note, is centered in the background. The overall color palette is soft, with pastel shades of yellow, orange, and blue.

Thank you so much for attending our 2021 All County Music Fest. In the face of an incredibly difficult year, it is so wonderful to see our students persevering and making music together. Their teachers have worked tirelessly throughout the year to create safe, musical experiences. With the help and support of our Pinellas County Music Educators Association, we can now showcase all of that hard work.

It is my sincere hope that we can return to our normal music activities in the future. For now, I am eternally grateful that we can be together today. Please stay safe, respect social distancing, and wear a mask while attending today's event. Most of all, please enjoy your student's performance. Welcome to All County Music Fest 2021.
