Strategies that will be used across all classrooms to achieve the goals above:

Continued focus notetaking with evidence that students are going back and interactively using notes.

Critical reading strategies in all classes school-wide

Continue to build the mentor program. All students will have a mentor identified within the 1st month of school and will meet monthly with their mentor.

Continue to use Higher Order questioning in all classes. Use of collaborative study groups and collaborative grouping in all classes will be evident.

Continue to have highly rigorous classrooms, while supporting all students on campus.

- Explained our mentor program. Students will be partnered with their mentor the first week of September.
- Explained our support systems in place to help our students to continue to bridge the gap as they get use to the new schedule/rigor of ELMS.
- ELPs will start at the end of August, meeting at the end of the day.
