## 2025-26 Legacy Request

*Return this form to the school office by May 2, 2025.*

***Late forms will not be accepted. Non-legacy requests will not be accepted. Legacy Requests are not guaranteed.***

In May, Teachers will begin forming classes for the 2025-2026 school year. They use a number of criteria to ensure all classes are fairly and equitably balanced. Because there are so many factors we take into consideration, we do not honor parent requests for teachers by name. Our teachers spend countless hours to create the best possible matches to ensure success for every child. If your child has unique needs that would be important for administration to be aware of, please fill out this form explaining your child's unique needs for administration to consider when reviewing class lists during the summer months.

A parent may request to have a child placed with a teacher who previously had a sibling in the family. A parent may request to have a child placed with a teacher whom the child previously had in another grade.
