Principal's Message Mrs. Huzar

It's May! I can't believe we are so close to the end of the school year. We'll be having testing every week this month. It's important that you do not schedule appointments on test days and that students arrive on time. Our testing schedule is on page 3 of this newsletter. We start Tuesday, May 4th with FSA Reading for all students. All face-to-face students must bring a charged computer and their own head-phones/earbuds that plug into the laptop. No wireless and Bluetooth head-phones are not allowed for state testing.

May will also bring our awards ceremonies. This year 6th and 7th grade will be sent a virtual awards link. Look for this in your grade level weekly newsletter, mid month. 8th graders will have an in-person ceremony during their moving up ceremony on June 8th at 6pm in the high school gymnasium. Bike Safety- Parents please help us by reminding your students to wear their helmets and use the crossing guard to cross the street. Too many students are trying to cross in front of cars in carline.

Students entering 7th grade

TDAP Immunization

The State of Florida requires students entering the 7th grade to have the TDAP

(tetanus, diphtheria and pertussis) booster before the first day of school on August 11th.

- Contact your child's pediatrician for an immunization appointment.
- Florida Department of Health provides required Immunizations at **NO COST**.
- Turn in your FL Certificate of Immunization 680 form to your school before August 11, 2021.

Caught Being Awesome

May's Caught Being
Awesome Kid is

Sydney Wright!

Her 6th grade history teacher, Mr. Rumaker nominated her. He says she always goes out of her way to help other students in

class. When they do not seem to understand, she takes the time to re-explain it to them. She is always responsible, on task, and self-advocates when she is unsure of something.
