November here we come. We have hit a busy time of year. We will host Discovery Night for prospective parents on November 6th and will also host the Great American Teach In on November 13th. I am most excited for our Walk To School event on November 6th - this month we are asking all students that are participating to bring at least 3 non perishable items to help fill Calvary's food pantry. This past Month East Lake Middle School Academy of Engineering was awarded being an Academy of Distinction by Pinellas Education Foundation. We are the first middle school to ever get this distinction. It is important to note that after we come back from Thanksgiving break we will already be in December and shortly after that students will be taking their mid-terms. Remember mid-terms are 10% of your student's semester grade in the class they are taking a mid-term for. Please note that not all subjects will be taking a mid-term. Please have your student get with their

Principal Karen Huzar

teacher if you are unsure if they will be having a mid-term per subject area. The mid-term testing schedule is located on our website.

ELMS Receives Academy of Distinction Award

Oct. 24, 2018

(Mr. Stewart and Ms. Huzar represented ELMS)

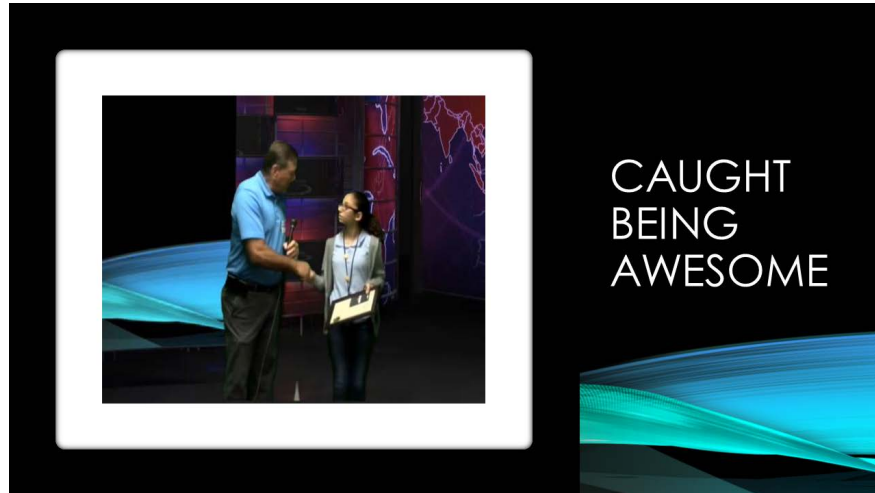

Four schools were recognized with the Academy of Distinction honor for maintaining the highest level of performance and alignment to the national standard. The schools were: East Lake Middle School (Academy of Engineering); Osceola Fundamental High School (Culinary Arts Academy and Center for Technology, Entertainment and Design); Richard O. Jacobson Technical High School at Seminole (Academy of Construction Technology, Academy of Electricity, Gaming, Simulation and Programming Academy and Veterinary Assisting Academy) and Tarpon Springs High (Veterinary Science Academy). The schools were recognized at Tuesday's regularly scheduled School Board meeting.

The Academies of Pinellas is a system of career academies in high schools and middle schools dedicated to refining a student's focus on career goals and academic success. There are 87 distinct career academies, 66 academies in high schools and 21 academies in middle schools. The Academies are guided by nationally-adopted standards that facilitate the operation of an academy, maximizing the rigor and relevance of career and academic content providing students a clearer direction for their education plan.

To receive the Academy of Distinction honor, the schools were visited by the Pinellas Education Foundation's Career Education Board who partners with the district's Career, Technical and Adult Education department. They visit each academy twice annually and utilize a rubric of 10 operational standards that measure the status of implementation and effectiveness of the academy. Schools that have achieved "Exemplary Implementation" on each of the 10 standards are eligible for the Academy of Distinction honor. Academy of Distinction is reviewed every two years to ensure the academy is maintaining the highest level of performance and alignment to the national standard.

CAUGHT BEING AWESOME

Each month one student is recognized as a student caught being awesome. This event is sponsored by the Lutheran Church of the Resurrection and The American Legion post 46. The winner each month is given a plaque and a \$25.00 check. The winner for September was Samantha Abde for her willingness to help her fellow students during class.

Michael Jenness and 6th grader Samantha Abde

The winner for October was Josiah Bell for his willingness to help a friend during the month that was on crutches.

PINELLAS COUNTY SCHOOLS
Make an Impact

Join us on November 22, 2019 - Noon to 1:00 p.m.
for a Mentor Workshop Webinar!

Register for the Mentor Workshop Webinar
or go to www.pcsb.org/mentor

In Pinellas County Schools, more than 3,500 youth are mentored every week during the school year, but there are thousands more that are in need of and could benefit from having a mentor.
It's Easy! Attend a Mentor Training Webinar, or one of our other workshops. Be matched with a student that will benefit from your encouragement for 30 minutes each week, at a school that is convenient for you.

ELMS Great American Teach-In

Wednesday, Nov 13, 2019

If you'd like to share your career, hobby, or a particular life experience we'd love to hear from you. The purpose of this day is to encourage employees, businesses, community leaders, community volunteers, parents & retirees to become involved in education by sharing what they know with the next generation.

Find out now if your student's bus is going to be delayed

Pinellas County Schools Transportation Department is implementing a new system to inform you when your child's bus is going to be delayed. Our school is part of a pilot effort to use a system called Bus Bulletin.

The Bus Bulletin notification system will notify schools, parents and students when there are bus delays and schedule changes. If you would like to receive instant notifications when delays or incidents affect your student's bus, please register with Bus Bulletin.

- There is no cost to you for this service.
- Registration is simple and fast.
- You can choose to receive either text messages, phone calls, and e-mails or all of these options.
- All contact information is stored securely and will not be shared or sold. Your privacy is protected.
- Please note: this system is not related to Pinellas County Schools new emergency text message communications through SchoolMessenger.

For more information, or to sign-up and start receiving notifications, please visit:
www.BusBulletin.com/parents.

If you need assistance with registration, call Pinellas County Schools Transportation Department at 727-587-2020.

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

SEE THIS...
CLIP IT

SEE THIS...
SCAN
YOUR RECEIPT

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
