Student and Parent Handbook

"The School Board of Pinellas County, Florida, prohibits any and all forms of discrimination and harassment based on race, color, sex, religion, national origin, marital status, age, sexual orientation, or disability in any of its programs, services, or activities.

Pinellas County Schools
301 Fourth St. SW Largo, FL 33770
(727) 588-6000

Revised July 9, 2025

2025-2026 School Calendar

Monday, August 11		First day of school
Monday, September 1		Labor Day Schools closed
Friday, September 19		*Possible Hurricane Make-Up Day Schools closed for students
Friday, October 10		End of first quarter
Monday, October 13		*Possible Hurricane Make-Up Day Schools closed for students
Monday, November 24 through Friday, November 30		Thanksgiving break Schools closed
Friday, December 19		End of first semester
Monday, December 22 through Friday, January 2		Winter holidays Schools closed
Monday, January 5		Teachers and Students return
Monday, January 19		Martin Luther King, Jr. Day Holiday Schools closed
Friday, February 13		*Possible Hurricane Make-Up Day Schools closed for students
Monday, February 16		Teacher professional development day Schools closed for students
Friday, March 13		End of third quarter
Monday, March 16 through Friday, March 20		Spring holidays Schools closed
Monday, March 23		Teachers and Students Return
Friday, April 3		Schools closed
Monday, April 27		Teacher professional development day Schools closed for students
Monday, May 25		Memorial Day School Closed
Thursday, May 28		Last day of school End of second semester

Be sure to check our website for additional events throughout the school year!

Welcome from the Administrator

Dear Parents and Students,

Welcome to Pinellas Virtual School!

I am thrilled to welcome our new families and to welcome back our returning families for the 2025-26 school year. The beginning of a new school year is a wonderful time to reflect on past accomplishments and look forward to the growth and opportunities ahead.

This will be an especially exciting year for our Pinellas Virtual School as we continue to expand and enhance our academic offerings. We are pleased to announce the addition of several new Advanced Placement (AP) courses: AP Calculus AB, AP Macroeconomics, AP Microeconomics, AP Psychology, and AP United States Government and Politics. These courses will provide students with even more opportunities to challenge themselves and prepare for postsecondary success.

I am incredibly proud of the growth we have seen at Pinellas Virtual School and am especially grateful for the continued support of our families. Your advocacy and enthusiasm for virtual learning have helped spread the word throughout our community and have been instrumental in our success. Thanks to you, more families are discovering the benefits of a flexible, personalized virtual education.

This handbook is designed to serve as a valuable resource for both students and learning coaches. I encourage you to review it together at the start of the year to ensure everyone understands the expectations, responsibilities, and supports in place. Inside, you will find helpful tips and important guidelines to help you thrive in the virtual learning environment.

I am look forward to another successful and rewarding year ahead. If you have any questions or need assistance at any time, please don't hesitate to reach out to me at (727) 588-6448 or perrym@pcsb.org. Be sure to follow us on Facebook at facebook.com/pinellasvirtual and on X (formerly Twitter) @pinellasvirtual to stay up-to-date on news, events, and celebrations.

Warm regards,

Mandy Perry
Principal
Pinellas Virtual School
www.pcsb.org/virtualschool

What is Virtual School?

A virtual school is one in which the instruction is primarily delivered online. While students and teachers are separated by time and space, they work closely together to achieve high levels of learning. The virtual environment allows for flexible pacing and scheduling, empowering students to learn at the times and places that work best for them.

At **Pinellas Virtual School (PVS)**, we bring together:

-  **Top-Quality Teachers** – Certified Pinellas County educators
-  **Rigorous Curriculum** – Aligned with Florida Standards
-  **Powerful Technology** – Reliable tools to enhance learning
-  **Strong Relationships** – Built between teachers, students, and families

We are committed to educating every student in the most effective and personalized way possible.

✨ What Makes PVS Unique?

- | | | |
|---|-------------------------------------|---|
|  | We are a public school | Part of the Pinellas County School District. All teachers are local, which allows for in-person connection opportunities. |
|  | Standards-aligned curriculum | Our lessons meet Florida Standards and include multimedia, teacher discussions, and varied assessments. |
|  | Live virtual lessons | Students attend scheduled, interactive lessons with teachers. Participation is expected and engaging! |
|  | Graduation and diplomas | Full-time students earn an accredited PVS diploma and can walk in our graduation ceremony. |
|  | Field trips and events | Enjoy face-to-face enrichment through field trips and in-person activities with classmates. |
|  | Blended learning supports | Access additional help sessions—either in-person or via Zoom—to support study skills, organization, or coursework. |

A Team Approach

Students, families, and teachers work **together** to ensure every learner has the tools and support they need to succeed. This partnership creates a **personalized learning experience** that meets each student's unique needs and goals.

Steps for Success

At Pinellas Virtual School (PVS), we recognize that every student has their own learning style and daily routine. Some students work best in the morning, while others prefer the afternoon. Some complete a little bit in each course every day, and others focus on one subject at a time.

No matter how your student chooses to organize their day, success in virtual school starts with staying on pace and following the expectations. All PVS students are required to submit weekly assignments in every course based on the course pacing guide. This typically means completing **about 6% of each course per week**.

Successful virtual school students share these five key habits:

1. 📅 A Schedule — and They Stick to It

Successful students have a written schedule to help them stay on track. It doesn't have to be the same every day, but it should clearly show what subjects and tasks are planned for each day. A few sample schedules are provided at the bottom of this page to help you get started.

2. 🧠 A Plan — Tailored to Their Learning Style

Each student is different. Some work better with short breaks; others prefer longer study sessions. Some need a quiet space to focus, while others may thrive with soft background music.

Encourage your child to think honestly about how they learn best — and build a plan that matches. For example, if your child gets tired after an hour, don't plan three straight hours of study time. The goal is to make learning manageable and consistent.

3. 📞 Teacher Contact Info — and They Use It!

PVS teachers are here to help! Whether your student has a quick question or needs more in-depth support, reaching out is important. Don't wait until you're behind or confused. Students who regularly communicate with their teachers tend to stay on track and feel more confident.

4. 🤝 An Involved Learning Coach

A **learning coach** is an adult (usually a parent or guardian) who supports the student's daily learning. This role is essential — especially for elementary and middle school students.

Learning coaches help students manage time, monitor progress, encourage motivation, and ensure daily learning happens. Your support makes a huge difference!

5. 🧑 A Quiet, Organized Workspace

Every student needs a dedicated space for school. This can be a desk in a quiet room or a quiet corner set up for learning. It should include:

- A computer
- Headphones (if needed)
- School supplies
- A distraction-free environment (no games, toys, or TV)

This workspace is your student’s virtual classroom — set it up for success.

If your student needs help creating a schedule or learning plan, please reach out to their teacher. You can also attend one of our **face-to-face orientations**. These orientations offer a great opportunity to connect with teachers and meet other students who might have the same questions.

Together, we’ll make this year a success!

Sample Schedules

Early morning worker, several breaks: 7:00- 7:30 Breakfast 7:30- 8:30 Course work 8:30-8:40 Break 8:40-10:00 Course work 10:00-10:10 Break 10:10-11:00 Course work 11:00-11:30 Lunch 11:30-12:50 Course work 12:50-1:00 Break 1:00-2:00 Course work 2:00-2:10 Review coursework, with learning coach, prepare for next day (Approximately 6 hours of work time)	Late morning worker, few breaks: 9:00-9:30 Breakfast 9:30-11:30 Course work 11:30-11:45 Break 11:45-1:00 Course work 1:00-1:30 Lunch 1:30-3:30 Course work 3:30-3:40 Review coursework, with learning coach, prepare for next day (Approximately 6 hours of work time)	“Split shift” worker: 8:00-8:30 Breakfast 8:30-11:00 Course work 11:00-3:00 Break 3:00-5:30 Course work 5:30-7:30 Break 7:30-8:30 Review coursework, with learning coach, prepare for next day (Approximately 6 hours of work time)
--	---	---

Make sure you consult with your teacher regarding live lessons to include in your schedule

Getting Started

Organize Your Workspace

Before your student begins working, it’s important to have a learning space that supports focus and productivity. Here's how to get ready:

- **Use a notebook or folder** to store hard copies of important documents like guided notes, pacing guides, and other required materials.
- **Create digital folders** on your computer — one for each course. Save any work here before submitting assignments. Ask a tech-savvy adult or your teacher if you need help organizing files.
- **Set up a dedicated workspace** at home. It should be stocked with basic supplies like pencils, pens, paper, and (if possible) a printer. If you’re working in a school lab, remember to bring everything you need.
- **Keep your course pacing guide and teacher contact information nearby.** These are two tools every virtual learner should have within reach every day.

Organize Your Time

Managing time well is one of the most important skills for virtual learners. Here's how students can stay on track:

- **Create a weekly schedule.** Plan for about **5–6 hours per course, per week**. If you're balancing other commitments (like sports or jobs), you'll need to plan carefully.
- **Know your teacher's office hours.** Teachers are available to support you — but they also have schedules. Try to complete coursework during weekday hours when help is available.
- **Avoid distractions.** Social media, games, texting, and web browsing can make it seem like you're working — but they interrupt learning. Stay focused and take planned breaks instead.

Maximize Your Learning

In a traditional classroom, your teacher guides the pace and flow of learning. In a virtual environment, you take the lead — but your teacher is still your best support.

Here's how to get the most out of your learning time:

- **Check your email every day** before starting. Your teacher might have sent important updates or feedback.
- **Check your gradebook regularly.** If you see any low grades or missing assignments, read the teacher's comments and revise/resubmit as needed.
- **Follow the course in order.** Always complete lessons and assignments in the correct order. Don't skip ahead or take a test before reviewing the lesson materials.
- **If you're stuck — reach out!** Call, message, or attend a live session with your teacher. Getting help early makes a big difference.

Communication Expectations

Strong communication is essential to success in a virtual learning environment. Regular check-ins between students, parents, and teachers ensure everyone stays informed and supported.

PVS requires all families to maintain **consistent two-way communication** with teachers. This includes at least one monthly progress conference and regular contact as needed.

Phone Communication

- Each teacher will provide a phone number for students and parents to call when they have questions.
- **If your teacher doesn't answer, always leave a voicemail.** Without a message, they won't know you need help.
- **Monthly progress conferences** are required by Florida law. At least once each month, teachers, students, and parents/learning coaches will connect to discuss student progress.
- **Students are also required to complete a Discussion-Based Assessment (DBA)** in each course. DBAs must be completed with your teacher and can only be done **once per day per course**.

Email Expectations

Parent/Learning Coaches:

- Create a **separate email account** just for school communication. This helps keep messages organized and ensures students are not managing parent-teacher communication.
- **Check your email daily** for updates or teacher messages.
- Teachers will respond within **24 school-day hours**.

Students:

- Check your school email **every day before you start working** and again in the afternoon or evening.
- Reach out to your teachers at least **once a week**, especially if you need help or clarification.
- Give your teacher up to **24 school-day hours** to respond.
- **Email is not private.** Always write with respect — imagine your message could be posted on a bulletin board or shared publicly.

Virtual Classroom (Live Lessons)

Parent/Learning Coaches:

- Attend **parent-teacher conferences** via the virtual classroom link sent to your email on file.
- Be aware of your student's **weekly live lesson schedule** for each course.
- **Monitor your student during live sessions.** Make sure they are paying attention, engaging, and participating appropriately.
- **Check the online gradebook weekly** to stay up to date with your student's academic progress.

Student:

- Know your teacher's **class meeting times** and attend all required live lessons.
- Be prepared to **participate fully and respectfully**.
- Follow your teacher's expectations for live sessions.
- Log in **only with your own username**, and never share your login information with anyone.

Final Note on Communication

No matter the method — phone, email, or live lesson — **two-way communication** is a critical part of student success at Pinellas Virtual School.

If a lack of communication from the parent or learning coach becomes a barrier to the student's progress, a **face-to-face conference with school administration** will be scheduled.

Learning Coach and Parent Responsibilities

Who is a Learning Coach?

At Pinellas Virtual School (PVS), a **Learning Coach** is typically the student's parent or guardian. However, a Learning Coach may also be another trusted adult chosen by the parent to support the student's education at home.

The Learning Coach plays a **critical role** in student success — especially in a virtual environment where guidance, structure, and supervision must be provided at home.

What Does a Learning Coach Do?

Virtual learning offers flexibility, but it also requires strong support at home. PVS students are still expected to meet the same behavior and participation standards as traditional students — and this requires a **safe, secure, and structured environment**.

As a Learning Coach, you are:

- **Responsible for your child's safety** during the school day.
- **Expected to be physically present** in the home during learning hours.
- **Essential to daily learning**, especially for younger students or those who need additional support.

 **Important:** Young children should **not be left home alone** during the school day. Older students may work independently for short periods, but consistent supervision is still required.

Time Commitment

Your level of involvement will depend on your child's age and independence. All students should expect to spend **5–6 hours per day** completing their virtual coursework. As a Learning Coach, plan to spend **2–6 hours per day** providing assistance, depending on the grade level.

Here's what supervision typically looks like by grade band:

Grade Level	Learning Coach Involvement	Recommendation
Elementary	 <i>High involvement</i>	Learning Coach should be physically present with the student all day , providing constant guidance and support.
Middle School	 <i>Moderate involvement</i>	Learning Coach should be available throughout the day , in the same general area, and ready to help when needed.
High School	 <i>Low-to-moderate involvement</i>	Students work more independently. Learning Coach should monitor progress, ensure coursework is completed, and maintain a safe learning environment .

Example:

Grade	One to One Instructional Time (with learning coach)	Supervised independent work time (learning coach reviews work)
K-1	4 hours daily	1 hour daily
2-3	3 hours daily	2 hours daily
4-5	2 hours daily	3 hours daily
6-8	1 hour daily	4 hours daily
9-12	Less than one hour daily	5 hours daily

Why It Matters

Your active participation as a Learning Coach:

- Builds your student's confidence and independence
- Helps them stay on track with deadlines
- Ensures communication with teachers is consistent
- Creates a strong home-school partnership that supports student success

Remember: **You are not alone!** Teachers are here to help guide you and your student. Reach out anytime you have questions or need support.

Responsibilities of the Parent or Learning Coach:

Virtual learning gives families flexibility — but it also requires commitment. As a parent or Learning Coach, your partnership with Pinellas Virtual School (PVS) is essential to your child's success. Below are your key responsibilities.

Weekly Planning and Daily Monitoring

- Sit down **each week with your student** to create a learning plan and schedule.
 - Use a **written weekly schedule** showing assignments and how much time each task should take.
 - Encourage your student to **check off assignments** as they are completed.
- **Monitor daily** to ensure your student is:
 - Completing coursework and attending virtual lessons
 - Staying on task (not browsing other tabs or playing games)
 - Working in a **quiet, distraction-free space** where you can observe activity
- Review your student's work **before submission** and offer suggestions for improvement.
 - **Do not complete work for your student.** Let them experience “productive struggle” — this is how real learning happens.

Monitor Progress in Canvas and/or Educator

- Set up a **Parent Observer Account** in both platforms:

- **Educator (for FLVS courses):**
 - Visit ar.flvs.net to have your student complete the sign-up process.
 - After your student receives a username/password, create your parent account at vsa.flvs.net.
- **Canvas (for district courses):**
 - Visit pcsb.instructure.com and click “Parent of a Canvas User?” in the top right corner.
- **Check grades and course completion** regularly in Canvas and/or Educator.

Communication & Monthly Requirements

- Complete the **monthly progress call** with the teacher (student + parent/learning coach are both required).
- Be available for **virtual or face-to-face teacher conferences**. Respond to school emails or phone calls **within 24 hours on school days**.
- Review and update **student contact information** in the portal regularly. Notify PVS of any changes.

Technical Support and Academic Oversight

- Assist your student with **technical issues and course navigation**.
 - If your student experiences technical difficulties that prevent assignment completion, notify the teacher and **submit a help ticket within 12-24 hours**.
- Ensure your student has:
 - A **dedicated workspace** with necessary supplies
 - Reliable internet access and working technology
 - **Transportation** to all required **state testing sessions**

Code of Conduct and School Expectations

- Parents, guardians, and learning coaches are expected to follow the **Pinellas County Schools Code of Student Conduct**:
 - Always be **respectful and courteous** to staff, families, and students.
 - Behavior during Zoom meetings or other virtual sessions is held to the same standards as in-person school events.
- Inappropriate behavior may result in **limited access** to school events, communication channels, or virtual learning environments.

Consequences for Non-Participation

Pinellas Virtual School teachers will contact you if assignments are missing or your student falls behind.

Learning Coaches who do not meet responsibilities (such as monitoring grades, participating in monthly calls, or providing testing transportation) may be required to return their student to a traditional brick-and-mortar school setting.

Questions?

If you have any questions about your responsibilities as a parent or Learning Coach, please contact us by clicking **“Contact Us”** on the Pinellas Virtual School homepage.

Curriculum

Pinellas Virtual School (PVS) curriculum is fully aligned with the **Florida B.E.S.T. Standards** (Benchmarks for Excellent Student Thinking). These standards guide the instruction and assessments provided in each course to ensure all students are prepared for academic success.

As part of the online learning experience, PVS students will engage with:

- High-quality **online resources**
- **Live virtual lessons** with their certified teachers
- **Discussion-Based Assessments (DBAs)** to demonstrate understanding
- A variety of **formative and summative assessment tools**

To stay on track and meet course expectations, students are required to:

- Attend a **minimum of three (3) live virtual lessons per semester**
- Participate in all **Discussion-Based Assessments (DBAs)**
- Complete all assignments and assessments as outlined in the course pacing guide

These activities are designed to ensure students stay connected, receive real-time academic support, and master the course content.

ESE and 504 Students

IEP Review Meeting Requirement

All students with an **Individual Education Plan (IEP)** who apply for the **full-time Pinellas Virtual School program** must participate in an IEP review meeting **prior to enrollment**.

This meeting includes:

- The IEP team from the student’s current (sending) school
- The virtual instruction team
- Parents/guardians
- The student (when appropriate)

The purpose of the meeting is to determine if the **virtual setting can provide a Free Appropriate Public Education (FAPE)** for the student in accordance with federal and state regulations.

Accommodations and Limitations in Virtual School

Pinellas Virtual School is a **parent choice option** under **Florida Statute 1002.45**. While some accommodations are naturally embedded in virtual instruction, others—such as **specially designed instruction or curriculum modifications**—may not be available in the virtual setting.

Virtual Instruction May Naturally Include:

- Additional time to complete tasks within a week
- Flexible scheduling (shorter time frames, frequent breaks)
- Ability to revisit materials as needed
- Use of assistive technology tools (e.g., screen readers, eReaders, text-to-speech)

Not Provided in Virtual Setting:

- Modifications to course content or curriculum
- Face-to-face specialized instruction unless determined necessary by the IEP team

Related Services

If a student requires services such as:

- **Speech or language therapy**
- **Occupational or physical therapy**
- **Counseling**
- **Other direct services requiring in-person delivery**

These can:

- Often be delivered **virtually**, if determined appropriate in the IEP
- Be provided **face-to-face at the zoned school** if virtual delivery is not appropriate

 **Transportation is not provided** for these services, as full-time virtual participation is a parent-selected option.

To receive in-person related services, parents must co-enroll the student with their **zoned school** through **Student Assignment**.

Clarifying “Extended Time” in a Virtual Setting

If your student’s IEP or 504 plan includes extended time for assignments, please note:

- **Extended time does not mean extended term.**
- Students must still **submit work weekly** according to the **course pacing guide**.
- Students are not permitted to continue a course **beyond the scheduled term**.
- Weekly pacing is approximately **6% of the course per week**.

Students may:

- Chunk their weekly assignments into smaller segments
- Take frequent breaks as needed
- Utilize **evenings, weekends, and holidays** to complete work within the assigned week

Example: Extended Time for Assessments

- A 2-hour test with **double time** = up to 4 hours
- A 2-hour test with **time and a half** = up to 3 hours
This time must still be used **within the assigned pacing week**.

Attendance and IEP/504 Plans

All Pinellas Virtual School students are required to adhere to **Florida’s compulsory attendance laws**, including students with IEPs or 504 plans.

- Attendance is tracked through **pacing and progress** in each course.
- Students must maintain weekly progress to meet attendance requirements.
- **Parents/guardians must confirm attendance** when requested.

Failure to maintain adequate pace and progress may result in intervention, up to and including removal from the full-time virtual program.

Testing Requirements

In-Person Testing is Required

All Florida students — including full-time virtual students — are **required to participate in state testing in person**.

What Parents Need to Know:

- **Testing dates are set by the State of Florida and cannot be changed** by Pinellas County Schools or Pinellas Virtual School.
- **Parents/guardians will receive testing details 2–4 weeks in advance**, including location, date, and time.
- **Failure to attend required in-person testing** will result in **removal from Pinellas Virtual School** and reassignment to the student’s **zoned brick-and-mortar school**.

Testing Locations

- **Full-Time PVS Students:** Test at the district-assigned location provided in your notification email.

- **Part-Time Students:** Test at their **zoned school**.
- **Home Education Students:** Test at a **district-designated site**. Contact the district testing department for details.

State Testing Windows (2025–2026)

Florida follows a three-cycle progress monitoring system during the school year:

Cycle	Testing Window
PM 1	August 4 – September 26, 2025
PM 2	December 1, 2025 – January 23, 2026
PM 3	May 1 – May 29, 2026

Parents will be notified **by email 2–4 weeks before each testing window**.

Legal Notice

State testing participation is a **legal requirement** for all Florida public school students, including those enrolled in virtual instruction.

Please see the next page for detailed information about **Florida Statutes related to state assessment requirements**.

FLORIDA STATEWIDE ASSESSMENT PROGRAM

2025–2026 SCHEDULE

The testing windows below denote the amount of time provided for districts and schools to select test administration days; they do not represent the amount of time students spend taking the assessments. The windows are established to provide maximum flexibility to efficiently deliver these important measurements of student progress and performance and maximize student learning and instructional time.

Dates ¹	Assessment
Fall	
August 4–September 26, 2025	Florida Assessment of Student Thinking (FAST) PM1 Grades K–2 FAST English Language Art (ELA) Reading & Mathematics
August 11–September 26, 2025	FAST PM1 Grades 3–10 FAST ELA Reading Grades 3–8 FAST Mathematics
September 8–October 3, 2025	FAST Retake Grade 10 ELA Reading Retake
	End-of-Course (EOC) Assessments Algebra 1, Geometry, Biology 1, Civics, U.S. History
Winter	
December 1, 2025–January 23, 2026	FAST PM2 Grades K–2 FAST Reading & Mathematics Grades 3–10 FAST ELA Reading Grades 3–8 FAST Mathematics
December 1–19, 2025	EOC Assessments Algebra 1, Geometry, Biology 1, Civics, U.S. History
	FAST Retake Grade 10 ELA Reading Retake
Spring	
March 30–April 10, 2026	Writing Grades 4–10
April 13–May 29, 2026	FAST PM3 Grades K–2 FAST Reading & Mathematics
May 1–29, 2026	FAST PM3 Grades 3–10 FAST ELA Reading Grades 3–8 FAST Mathematics
	Statewide Science Assessment Grades 5 & 8 Science
	EOC Assessments Algebra 1, Geometry, Biology 1, Civics, U.S. History
	FAST Retake Grade 10 ELA Reading Retake
Summer	
July 13–24, 2026	EOC Assessments Algebra 1, Geometry, Biology 1, Civics, U.S. History
	FAST Grade 3 ELA Reading Grade 10 ELA Reading Retake

¹School districts establish daily testing schedules within these windows according to state-provided guidance. For more detailed scheduling information for a specific school or district, please visit that organization's website.

FLORIDA STATEWIDE ASSESSMENT PROGRAM 2025–2026 SCHEDULE

March–April 2026	Classic Learning Test (CLT) ³
August 2025–May 2026	Armed Services Vocational Aptitude Battery (ASVAB)
May 2026	Advanced Placement (AP) Exams

³Districts will select either ACT, SAT or CLT to administer to all Grade 11 students in the district.

Florida Statutes – CHAPTER 1008, ASSESSMENT AND ACCOUNTABILITY

(3) STATEWIDE, STANDARDIZED ASSESSMENT PROGRAM.—The Commissioner of Education shall design and implement a statewide, standardized assessment program aligned to the core curricular content established in the Next Generation Sunshine State Standards. The commissioner also must develop or select and implement a common battery of assessment tools that will be used in all juvenile justice education programs in the state. These tools must accurately measure the core curricular content established in the Next Generation Sunshine State Standards. Participation in the assessment program is mandatory for all school districts and all students attending public schools, including adult students seeking a standard high school diploma under s. [1003.4282](#) and students in Department of Juvenile Justice education programs, except as otherwise provided by law. If a student does not participate in the assessment program, the school district must notify the student’s parent and provide the parent with information regarding the implications of such nonparticipation. The statewide, standardized assessment program shall be designed and implemented as follows:

(a) *Statewide, standardized comprehensive assessments.*—The statewide, standardized Reading assessment shall be administered annually in grades 3 through 10. The statewide, standardized Writing assessment shall be administered annually at least once at the elementary, middle, and high school levels. When the Reading and Writing assessments are replaced by English Language Arts (ELA) assessments, ELA assessments shall be administered to students in grades 3 through 10. Retake

opportunities for the grade 10 Reading assessment or, upon implementation, the grade 10 ELA assessment must be provided. Students taking the ELA assessments shall not take the statewide, standardized assessments in Reading or Writing. ELA assessments shall be administered online. The statewide, standardized Mathematics assessments shall be administered annually in grades 3 through 8. Students taking a revised Mathematics assessment shall not take the discontinued assessment. The statewide, standardized Science assessment shall be administered annually at least once at the elementary and middle grades levels. In order to earn a standard high school diploma, a student who has not earned a passing score on the grade 10 Reading assessment or, upon implementation, the grade 10 ELA assessment must earn a passing score on the assessment retake or earn a concordant score as authorized under subsection (8).

(b) *End-of-course (EOC) assessments.*—EOC assessments must be statewide, standardized, and developed or approved by the Department of Education as follows:

1. EOC assessments for Algebra I, Geometry, Biology I, United States History, and Civics shall be administered to students enrolled in such courses as specified in the course code directory.
2. Students enrolled in a course, as specified in the course code directory, with an associated statewide, standardized EOC assessment must take the EOC assessment for such course and may not take the corresponding subject or grade-level statewide, standardized assessment pursuant to paragraph (a). Sections [1003.4156](#) and [1003.4282](#) govern the use of statewide, standardized EOC assessment results for students.
3. The commissioner may select one or more nationally developed comprehensive examinations, which may include examinations for a College Board Advanced Placement course, International Baccalaureate course, or Advanced International Certificate of Education course, or industry-approved examinations to earn national industry certifications identified in the CAPE Industry Certification Funding List, for use as EOC assessments under this paragraph if the commissioner determines that the content knowledge and skills assessed by the examinations meet or exceed the grade-level expectations for the core curricular content established for the course in the Next Generation Sunshine State Standards. Use of any such examination as an EOC assessment must be approved by the state board in rule.
4. Contingent upon funding provided in the General Appropriations Act, including the appropriation of funds received through federal grants, the commissioner may establish an implementation schedule for the development and administration of additional statewide, standardized EOC assessments that must be approved by the state board in rule. If approved by the state board, student performance on such assessments constitutes 30 percent of a student's final course grade.
5. All statewide, standardized EOC assessments must be administered online except as otherwise provided.

[Click here for more information about State of Florida testing requirements.](#)

Grading Policy

Pinellas Virtual School follows the **Pinellas County Schools Grading Scale**:

Grade	Points	Range
A	4	89.5% to 100%
B	3	79.5% to 89%
C	2	69.5% to 79%
D	1	59.5% to 69%
F	0	0% to 59%

Assignment Expectations

- Students must complete **all assignments in order** to ensure mastery of content.
- **Assessments submitted out of order** may be removed by the teacher and must be resubmitted after proper completion of prior coursework.
- A **zero (0.0 or 0.5)** in the gradebook indicates that the assignment was **not submitted** and will significantly lower the overall grade.
 - **Teachers cannot issue final grades** if there are zeros in the gradebook for any required assignment.
- Students should check **Canvas and/or Educator gradebooks regularly** to monitor progress and pacing.

GPA Requirements

- Students are required to maintain:
 - A **minimum 2.0 overall GPA**
 - A **minimum grade of 70% (C)** in each course
- Students falling below **70%** or not submitting **6% of course content per week** are **required to**:
 - Attend **live lessons**
 - Utilize **teacher open office hours** for support
- Students who consistently fail to meet academic expectations or who do not access available support services may be **returned to their zoned brick-and-mortar school**.

Mandatory Segment Exam Policy

- All students are required to take and **pass the Segment Exam** in each PVS course to earn credit.
- The Segment Exam helps validate that students have mastered key course standards.
- Once a student receives the **Segment Exam password**, **no additional coursework may be submitted or resubmitted**.

Discussion Based Assessments (DBAs)

- DBAs occur at key points and are part of each course's assessment requirements.
- To complete a DBA:
 - All **assignments prior to the DBA** must be completed
 - The average of those assignments must be **at least 60%**
- Teachers will conduct **no more than one (1) DBA per course per day**.
- Students must complete DBAs **independently**, free from distractions or outside help.
- Failure to complete and pass all DBAs will result in **no course credit**.

Collaboration Assessments & Live Lessons

PVS promotes **21st-century skills** through collaborative assignments and live learning experiences.

- Collaborations and **live lessons are required**.
- Full-time students must attend **at least 3 live lessons per semester**. Students will attend:
 - Semester 1:
 - One Live Lesson per course in September
 - One Live Lesson per course in October
 - One Live Lesson per course in November
 - Semester 2:
 - One Live Lesson per course in January
 - One Live Lesson per course in February
 - One Live Lesson per course in April
- Participation is graded and part of your final course grade.

Live Lesson Expectations

Live lessons are considered **school-sponsored instructional time** and are subject to the [Pinellas County Student Code of Conduct](#).

Students should:

- A. Attend each live lesson
- B. Arrive on time
- C. Be prepared with materials and supplies
- D. Keep a planner or agenda
- E. Complete all assignments on time
- F. Dress appropriately
- G. Be respectful to themselves and others
- H. Arrange to make up missed work in a timely manner
- I. Contact a school staff member with concerns
- J. Set academic goals
- K. Maintain healthy sleep habits
- L. Set responsible working hours outside of school
- M. Identify themselves to staff upon request

Note: Live lessons are for enrolled students only. **Parents, guardians, and learning coaches may not attend or participate in live lessons.**

Honors Assessments

Students enrolled in an **Honors course** (where available) must complete and pass **all Honors-specific assessments** to receive Honors credit.

Honors Course Expectations:

- A passing score on each Honors assessment is **60% or higher**.
- Students **must also complete and pass the Honors Segment Exam**.
- Students who **do not complete or pass all Honors assessments** will receive **regular credit only** for the course.

Attendance Policy

Why Attendance Matters

Regular participation is essential for success in a virtual school setting. Although virtual, attendance at Pinellas Virtual School is required by **Florida's compulsory attendance laws**, just as it is for traditional schools.

How Attendance is Taken

- **Attendance is based on student work submission**, not daily login.
- **Assignments must be submitted weekly by Friday at 5:00 PM** according to each course's **pacing chart**.
- If **no assignments** are submitted in a course by the weekly deadline (Friday at 5:00 PM), the student will be marked **absent for the entire week** in that course.
- If **only some assignments** are submitted, the student will be marked **partially absent** based on the number of assignments missed.

 *All courses are paced at approximately 6% per week to ensure steady progress and healthy learning habits.*

Submitting Absences

If a student cannot submit work for the week:

- The absence must be **reported in writing by the following Monday** via email to the teacher.
- Include:
 - Student name
 - Grade level
 - Dates of absence
 - Reason for missing work
 - Doctor's note (if applicable)

Type of Absence	Description
Excused	Parent or doctor note is submitted for the missing week.
Unexcused	No documentation is provided for the week of missing assignments.

Vacation & Travel Policy

- Vacation-related absences **may not exceed 5 days per school year**.
- Travel is **not permitted during state testing windows**.
- Parents must **notify teachers at least 2 weeks in advance**.
- A plan must be in place to **submit all required work before vacation**.

Truancy and Reassignment

- Students who fall **2 or more weeks behind pace in 2 or more classes** are considered **truant**.
- Teachers report truant students to **PVS administration** on a scheduled basis.
- Truant students will be **reassigned to their zoned brick-and-mortar school**.
- If the student does not attend the zoned school, the district may **initiate a truancy petition**.

Attendance Entry and Monitoring

- Attendance records are entered into **Focus** weekly by teachers.
- Teachers and administrators monitor pacing and progress in all courses.
- Regular communication will occur for students falling behind or not submitting work on time.

 *Remember: Pacing + Progress = Attendance in Virtual School.*

Homeroom Attendance & Assignment Expectations

Purpose of Homeroom

Homeroom at Pinellas Virtual School serves as a vital touchpoint for student success. It is designed to build community, provide academic guidance, deliver school-wide announcements, and support students in staying organized and engaged throughout the school year.

Weekly Requirement

All students are **required to attend Homeroom every Monday** as scheduled. Attendance is monitored and recorded, and consistent participation is essential for maintaining good standing with the school.

Assignment Completion

In addition to attending live Homeroom sessions, students are expected to complete **all**

Homeroom assignments posted each week. These assignments may include:

- Goal-setting activities
- Progress checks
- School surveys or reflections
- Important informational reviews
- Required Computer Technology lessons for all grade levels
- Required Mental Health Lessons for middle and high school

These tasks are not optional and are counted as part of the student's academic engagement and participation. Incomplete assignments may lead to a parent contact or a support plan to ensure the student is staying on track.

Why It Matters

Homeroom is a cornerstone of our virtual learning environment. It keeps students connected, informed, and supported. Missing these opportunities can cause students to fall behind in both academic and social aspects of their school experience.

Parental Support

We ask that families prioritize Homeroom just as they would any core subject. Please ensure your student logs in on time each Monday and follows through on all Homeroom tasks. Together, we can set the stage for a successful and connected school year.

Summer Courses

Pinellas Virtual School offers summer courses for Pinellas County students on an **accelerated schedule**.

Key Details:

- **Summer courses follow a condensed 8-week term**, beginning when the regular school year ends.
- The **final completion date is July 24, 2026**.
- Teachers will create a **custom pace guide** for each student based on their **individual course start date**, ensuring on-time completion.

Important Notes:

- Summer courses move at **twice the pace** of traditional courses (which typically follow a 16-week schedule per semester).
- Students must be committed to working consistently to keep up with the accelerated pace.
- **Course completion affects student schedules and promotion** for the upcoming school year, so timely completion is critical.

- **Minimum seat time requirements still apply**, even in summer:
 - Most courses require students to be **actively working in a course for at least 14 days per segment** to be eligible for credit. (Exceptions: HOPE and Personal Fitness: 28 days per segment)
 - This means students **cannot complete the entire course in just a few days**, even if all work is submitted.

Tiered Interventions

At Pinellas Virtual School, we are committed to partnering with families to help every student succeed. When a student shows signs of struggling academically or with engagement, we follow a **three-tiered system of support** to provide early help and prevent further challenges.

✓ Tier 1 – Teacher-Led Support (All Students)

Every student begins at Tier 1, where their **teacher is the primary contact** for academic success and support.

What to Expect:

- Teachers will contact families at the beginning of the course to:
 - Introduce themselves
 - Share course expectations
 - Learn more about the student and their home learning environment
- Teachers will follow up **at least once per month** to discuss:
 - Student progress
 - Any early concerns (e.g., missing assignments, falling behind, academic integrity, poor-quality submissions)

If issues arise, the teacher will:

- Clearly explain the concern to the student and parent
- Collaborate with the family on solutions such as:
 - Adjusting the student’s workspace
 - Creating a written weekly schedule
 - Printing and using the course pacing guide
 - Encouraging respectful communication when the student is stuck

The teacher will monitor the student weekly to see if improvement occurs before escalating to Tier 2.

⚠ Tier 2 – Counselor Support (Approximately 10–20% of Students)

If concerns continue after Tier 1 supports, the **school counselor** will step in to provide additional help.

What to Expect:

- The counselor will contact the student and parent if the student:
 - Is more than **two weeks behind**
 - Has **failing grades**
 - Has withdrawn from one or more courses
 - Needs a new pacing plan or student success plan

Support at Tier 2 may include:

- Face-to-face tutoring sessions with teachers
- Revised learning plans and pacing guides
- Weekly progress updates from teachers
- Increased communication with the family

Tier 3 – Administrative Intervention (Approximately 5–9% of Students)

If there is still no improvement, the **administration team** will take a more active role.

What to Expect:

- Administration will contact the student and parent to review:
 - Previous interventions attempted at Tiers 1 and 2
 - Concerns that have not improved over time
- A meeting will be scheduled with the family to create a **personalized success plan**.

This plan may include:

- Daily check-ins with school staff
- In-person progress monitoring
- Support from a lead teacher or additional staff
- Other customized interventions based on student needs

Our Commitment

This tiered system is designed to:

- **Prevent failure**
- **Promote early intervention**
- **Strengthen the partnership between home and school**

We are here to help, every step of the way.

School-wide Expectations

PVS Learners Spark by

S

Submitting all weekly assignments according to the pacing guide.

P

Participating actively in live lessons.

A

Academic Integrity- submitting 100% of my OWN work.

R

Respecting yourself, others, and learning environment.

K

Keeping a daily schedule.

PBIS REWARDS:

Full-time Pinellas Virtual School students may earn reward points by meeting school expectations. These points can be redeemed for prizes and recognition through our PVS Rewards Program.

Academic Integrity

Pinellas Virtual School (PVS) is committed to maintaining the highest standards of academic integrity. All students are expected to submit **100% original work** and demonstrate honesty in every part of their online learning experience.

State Law and Policy

As outlined in **House Bill 7063 – The Digital Learning Act** (effective July 1, 2012), it is **unlawful** for anyone to **knowingly take an online course or exam on behalf of another person in exchange for compensation**.

By enrolling in PVS, students and families agree to follow the academic integrity expectations of both **Pinellas Virtual School** and **Florida Virtual School (FLVS)**.

What Violates Academic Integrity?

Academic dishonesty includes, but is not limited to:

- Copying or pasting internet content without proper citation
- Plagiarizing the work of others (including classmates)
- Submitting another person's work as your own
- Allowing someone else to complete your work
- Sharing assignments, usernames, or passwords
- Uploading coursework to third-party websites or forums
- Refusing to take a required **proctored exam**
- Completing a course segment in an **unrealistically short time**

Students who violate these expectations may be removed from the course or the full-time PVS program and may receive a **failing grade**.

Tools Used to Ensure Academic Integrity

Teachers use several tools to verify student work and ensure authenticity, including:

1. **Plagiarism detection software**
2. **Academic integrity database**
3. **Teacher expertise and grading patterns**
4. **Discussion-Based Assessments (DBAs)**
5. **Proctored exams**
6. **Random proctored exams (scheduled or unscheduled)**

Student Responsibilities

To maintain academic integrity, students are expected to:

1. **Read and sign** the Academic Integrity Statement and complete the Academic Integrity Module during enrollment.
2. Participate in a **welcome call** that includes an overview of academic integrity expectations.
3. Complete **Discussion-Based Assessments (DBAs)** directly with their teacher, free from assistance or distractions.
4. **Ask questions** if unsure about what is or isn't allowed.
5. **Protect their own work**, including:
 - Never sharing assignments or answers with others
 - Not posting work to outside websites
 - Keeping login credentials private
 - Saving work securely (e.g., on a personal USB drive or device)
6. **Take a proctored exam** when requested to confirm understanding of course content.

Parent/Guardian/Learning Coaches Responsibilities

Parents, guardians, and learning coaches play a key role in upholding academic integrity:

1. **Review and sign** the Academic Integrity Statement during enrollment.
2. Join the **welcome call**, which includes an explanation of academic integrity policies.
3. **Monitor student work** to ensure it is original and completed independently.
4. Reinforce that **DBAs are to be completed by the student only** and must follow PVS guidelines.
5. Understand that students may be selected for **proctored segment exams**, and failure to take and pass this exam will result in **removal from the course with a failing grade**.

Important Note

Pinellas Virtual School reserves the right to require a **proctored exam at any time**, for any reason, to confirm content mastery and uphold academic integrity standards.

Consequences for failing to maintain academic integrity

Seat Time Policy

At Pinellas Virtual School, we are committed to ensuring all students have adequate time to engage with course content, receive feedback, and demonstrate mastery. To support this, we follow a **seat time policy** for each course segment.

Seat Time Requirements:

- Students must be actively working in **each course segment** for a **minimum of 14 calendar days**, starting from the date of the **first assignment submission**.
- For a full, two-segment course, students must complete a **minimum of 14 active days** per segment, totaling **at least 28 active days** overall.
- Some courses may have **extended seat time requirements** due to the depth or complexity of content. Teachers will inform students if this applies.

Submitting assignments consistently — not all at once — ensures that learning is happening over time and gives students the opportunity to receive valuable feedback and remediation.

Progress Monitoring & Checkpoints

To support academic integrity and learning:

- **Discussion-Based Assessments (DBAs)** are limited to **one per course per day**.
- Students must complete **all assignments in the segment** before taking the **Segment Exam**.
- The **Administration Team reserves the right to:**
 - Review a student's gradebook to confirm consistent work habits
 - Adjust the start date of the seat time clock if work appears to be rushed or inauthentic
 - Require a **proctored exam** before final course completion if academic integrity concerns arise

Questions About a Course?

If you have any questions about a specific course's seat time policy or pacing expectations, please **contact your student's teacher** directly. We're here to help ensure every student's success.

Technology Requirements

To ensure your student's success in Pinellas Virtual School, it's important that their computer and internet setup meets the minimum technical requirements. The **Learning Coach** is responsible for confirming that the device used for coursework is compatible and ready for learning.

*Some courses may have additional or different requirements. Always check the **Materials List** in the **Course Information tab** for each specific course.*

Supported Operating Systems

Your student's computer should use one of the following:

- **Windows 11**
- **macOS Ventura (13)**
- **macOS Sonoma (14)**
- **macOS Sequoia (15)**

Supported Web Browsers

For best performance, use the latest version of one of the following browsers:

- **Google Chrome**
- **Microsoft Edge**
- **Mozilla Firefox**
- **Apple Safari**

If one browser isn't displaying the course correctly, try another one.

Required Settings & Plugins

To fully access course content, make sure:

- **JavaScript is enabled**
- **Cookies are enabled**
- **Java is installed (if required by a course)**

You can visit whatsmybrowser.org to check your browser version and settings.

Troubleshooting Tips

- Your **experience may vary depending on your device and browser**.
- If content is missing or doesn't look right, **try switching to another supported browser** or use a different device.
- For help, contact your teacher or the Pinellas Virtual School support team.

Requesting Technology Help

If your student is experiencing technical issues that prevent them from completing assignments, it's important to act quickly to avoid falling behind.

What to Do First

If the issue affects access to **Canvas** or **FLVS**:

1. **Notify your teacher immediately** to let them know there is a problem.

2. Submit a tech help request using this link:

👉 <http://techhelp2.pcsb.org/MRcgi/MRentrancePage.pl>

⚠️ Technology issues must be reported **within 12–24 hours** of when the problem begins.

When Submitting a Help Request, Include:

- **Your full name**
- **Course name**
- **Teacher's name**
- **Module or lesson affected**
- **A detailed description** of the problem

Providing complete information helps resolve the issue faster.

If You Need Help in Educator (FLVS Courses)

Contact **FLVS Support** in one of the following ways:

- Visit: help.flvs.net
- Call: **1-888-322-8324**

The FLVS Support Center can help with:

- Course registration
- Accessing or submitting course paperwork
- Password resets
- File saving issues
- Software installations
- Browser or device compatibility
- Errors in course content (broken links, typos, etc.)
- Math or multimedia tools (e.g., Java applets, audio/video issues)

Free Software for Students

All Pinellas Virtual School students can **download Microsoft Office at no cost** using their **PCSB Office 365 account**.

Internet Code of Conduct

All Pinellas Virtual School students are required to have reliable internet access to complete their coursework. With this access comes the **responsibility to use technology in a safe, respectful, and legal manner**.

We are committed to partnering with families to help students develop responsible digital citizenship skills. While inappropriate or harmful content may exist online, students are expected to make smart, safe choices when using the internet and communicating digitally.

General Expectations

- Students must follow the same rules of **good behavior online** as they would in a traditional classroom.
- All online activity must comply with the **Technology Acceptable Use Policy** and the **Pinellas County Schools Student Code of Conduct**.
- The district's [Acceptable Use Agreement \(Policy 7540.03\)](#) outlines expectations for using school technology and internet services.

Prohibited Activities

The following actions are **not allowed** and may result in disciplinary action:

- **Using obscene, profane, threatening, or disrespectful language online**
(F.S. 874.001 Obscene Literature; Profanity)
- **Creating or spreading computer viruses**
(F.S. 815 Computer-Related Crimes)
- **Sexting or sharing inappropriate images or content**
(F.S. 847.001 Sexting)
- **Cyberbullying or harassment of any kind**
- **Impersonating someone else online**
- **Sharing personal information** (e.g., home address, phone number, passwords)
- **Posting or sending offensive messages, pictures, or downloads**

Behavior and Monitoring

- **Email and messaging are not private.** Never write anything you wouldn't want shared publicly.
- Be cautious of **messages from strangers**, especially adults asking for personal details or meetings. Report any suspicious or uncomfortable communication to your teacher or school administrator immediately.
- When participating in live lessons or video calls, students must follow the **Dress Code Policy**:
 - Clothing that exposes undergarments or body parts in an inappropriate or disruptive way is not permitted.

Pinellas Virtual School is **not responsible for any charges** related to internet access, phone lines, or data usage.

Privacy, Passwords & Copyright

- **Only use your own login credentials.** Do not share your username or password with others.
- Students **may not access, copy, or alter** another user's files or folders.
- **Teachers and administrators** may access student work and school-issued devices as part of monitoring and instruction.

- Respect **copyright laws**:
 - Cite all quotes, graphics, music, and digital resources used in coursework.
 - Never copy work from the internet without proper attribution.

Final Reminder

Using the internet responsibly is part of being a successful digital learner. Parents and students should regularly review the full [Network/Internet Acceptable Use Policy \(7540.03\)](#) and the **Student Code of Conduct** to stay informed and protected.

Civility Code

At Pinellas Virtual School, we are committed to maintaining a safe, respectful, and supportive virtual learning environment for **all students, families, teachers, and staff**.

Our goal is to help every student reach their full potential through personalized learning and strong partnerships between the school and home. To achieve this, we ask that everyone—students, parents/guardians, and staff—commit to conducting themselves with **civility and mutual respect** at all times.

Expectations for All Stakeholders

Everyone involved in the virtual learning environment must:

- Engage in communication that is **respectful, courteous, and free from profanity or threats**
- Support a **safe and inclusive environment**, free from discrimination or harassment
- Work collaboratively with teachers and staff to address concerns in a productive and respectful way

Unacceptable Behavior

To maintain a secure and orderly learning environment, the following actions are **strictly prohibited**:

- Using **profanity, threatening language, or disrespectful communication** toward school staff, students, or families (verbally, in writing, or online)
- **Causing or threatening physical or emotional harm** to any person
- **Damaging or destroying school property**, including virtual platforms or digital resources
- **Disrupting online classes**, school activities, or meetings
- **Bullying, harassing, or intimidating others**, including on the basis of race, color, religion, national origin, age, gender, sexual orientation, or disability
- Refusing to comply with **reasonable requests** from teachers, administrators, or other school staff
- **Encouraging others** to engage in prohibited or unlawful behavior
- Violating **any federal or state laws**

Our Commitment

Pinellas Virtual School takes these expectations seriously and reserves the right to take appropriate action if these standards are not upheld. This includes interventions, administrative review, or removal from the program depending on the nature of the behavior.

Let's continue working together to create a positive and productive online learning experience for every student.

Event Guidelines

Pinellas Virtual School offers students the opportunity to participate in **face-to-face events and gatherings** throughout the school year. These activities are designed to be safe, meaningful, and aligned with the values and expectations of **Pinellas County Schools**.

To ensure a positive experience for all, students and families are expected to follow the guidelines outlined below.

Dress Code

Whether attending an event **in person or virtually**, students must follow the **Pinellas County Schools Dress Code Policy** as outlined in the Student Code of Conduct.

Clothing must be appropriate, respectful, and not disruptive to the learning environment.

Prohibited Items & Behavior

The following items are **strictly prohibited** at all PVS-sponsored events (virtual or in person):

- **Alcohol, drugs, or tobacco products**
- **Firearms, fireworks, or other dangerous items**
- **Pornographic or obscene materials**
- Any other items or behaviors that violate the [Student Code of Conduct](#)

Expectations for Student & Family Conduct

To maintain a safe and welcoming environment for all attendees:

- All students and families must exhibit **respectful, courteous behavior** aligned with district standards.
- Any **previous acts of misconduct** or inappropriate behavior during an event may result in a student being **excluded from future events**.
- Pinellas Virtual School reserves the right to ask a student or family to **leave an event** immediately if their behavior violates the [Code of Conduct](#) or disrupts the event.
- Students and families are expected to represent **Pinellas Virtual School and Pinellas County Schools positively** at all times.

Participation Requirements

To attend a PVS face-to-face event, parents/guardians may be required to complete specific steps, such as:

- **Submitting forms or permissions**
- **Purchasing tickets or confirming attendance in advance**

Details for each event will be communicated ahead of time by the school.

Enrollment and Withdrawal Procedures

Procedures to Enroll

The 2025-2026 enrollment period will run from 5/11/25 through 7/11/25.

To enroll for full-time, please go to <https://focus.pcsb.org/focus/index.php>. Follow these steps to apply:

1. Use Focus Parent Portal or Create a Focus Parent Portal at <https://focus.pcsb.org/focus/index.php>
2. Click "Student Reservation System" on the left navigation sidebar.
3. Follow prompts, select "Pinellas Virtual Application."
4. Select "Full-time Application" and complete the application.

To enroll for part-time, please go to <https://focus.pcsb.org/focus/index.php>. Follow these steps to apply:

Follow these steps to apply:

1. Use Focus Parent Portal or Create a Focus Parent Portal at <https://focus.pcsb.org/focus/index.php>
2. Click "Student Reservation System" on the left navigation sidebar.
3. Follow prompts, select "Pinellas Virtual Application."
4. Select "Part-time Application" and complete the application, then create your online account at flvs.net.

An IEP Review Meeting is required for ALL students with an Individual Education Plan whose parent submits an application for full time virtual program. The purpose of the meeting is to convene the sending team and the virtual instruction program team along with the parental figures, and student if appropriate, to determine if the virtual school setting provides FAPE for the student.

Procedures to Withdraw

In order to return to their zoned school, a [reservation](#) must be made through student assignment. Once the reservation is made, parents must go to the school to register their student.

Steps for withdrawing from virtual school full time:

- Parent completes [online withdrawal form](#)

- Virtual school notifies student assignment and student reservation is made
- Parent receives new school assignment via email from virtual school
- Parent registers at school for student schedule
- New school calls virtual school and student is withdrawn

Steps for withdrawing from a part time class in virtual school:

- Parent completes [online withdrawal form](#)
- Virtual school counselor notifies counselor at student's zoned/assigned school they are withdrawing from virtual class and requests virtual course be replaced in student schedule
- Parent receives email confirming that student has withdrawn from virtual school class

[Click here for more information about the student withdrawal process.](#)

Pinellas Virtual School
Parent/Guardian Memorandum of Understanding (MOU)
2025–2026 School Year

Welcome to the Pinellas Virtual School (PVS) community! This Memorandum of Understanding (MOU) outlines the key expectations and responsibilities for parents/guardians of students enrolled in PVS. Our goal is to ensure a successful and enriching virtual learning experience for your child.

By signing this MOU, you confirm that you have read the 2025-2026 PVS Parent Student Handbook and understand your role in supporting your child's success in a virtual learning environment. This includes providing supervision, ensuring a distraction free learning space, and actively participating in your child's education.

We appreciate your commitment to partnering with us on this educational journey. Together, we can create a positive and productive learning experience for your child.

 I understand and agree to the following:

1. Learning Coach Role
 - I will serve as a Learning Coach or designate a responsible adult to do so.
 - I will provide supervision during the school day, ensure a distraction-free learning space, and support my child's learning and organization.
2. Weekly Schedule and Pacing
 - I understand that my student must complete approximately 6% of each course per week and follow the pacing guides.
 - I will help my child create a weekly schedule and monitor their daily learning progress.
3. Communication Requirements
 - I will participate in the required monthly progress calls with the teacher and respond to school communications within 24 school hours.
 - I understand that consistent two-way communication is required for continued enrollment.
4. Live Lessons and DBAs
 - I understand my student is required to attend three (3) live virtual lessons per semester (Semester 1 one each month in: September, October and November; Semester 2 one each month in: January, February, and March) and complete Discussion-Based Assessments (DBAs) independently.
 - I will not assist or participate in live lessons or DBAs.
5. Testing and Attendance
 - I understand that my student must attend all required in-person state testing sessions.
 - I acknowledge that attendance is based on weekly assignment submissions and that falling behind will lead to withdrawal from PVS.
6. Academic Integrity
 - I will reinforce the importance of submitting original work and ensure my student follows the academic integrity policy.
 - I understand that violations (e.g., plagiarism, impersonation, sharing answers, using Artificial Intelligence) can result in removal from the course or program.
7. Technology and Support
 - I will ensure my student has access to a reliable device, internet, and needed supplies.

- I will promptly report any technical issues and assist in resolving them within 12–24 hours.
8. Code of Conduct and Civility
 - I agree to uphold the Pinellas County Schools Code of Conduct and Civility Policy, including expectations for respectful and appropriate behavior in all communications and events.
 9. Consequences for Non-Compliance
 - I understand that failure to fulfill these responsibilities will result in consequences for my student. These consequences will be communicated clearly and may include the following:
 1. First Instance: A meeting with the parent/guardian to discuss the issue.
 2. Second Instance: A detailed success plan.
 3. Third Instance: Formal notice and return to the zoned brick-and-mortar school.
 - Specific actions that may lead to these consequences include:
 - Missing more than one live lesson in a semester.
 - Failing to submit assignments for two consecutive weeks in a course.
 - Engaging in academic dishonesty such as plagiarism or using AI to complete assignments.
 - Non-attendance at any state testing date.

Parent/Guardian Acknowledgment

I confirm that I have read and understood the expectations outlined in this Memorandum of Understanding (MOU) and in the full PVS Parent Student Handbook. I agree to support my student's virtual learning and adhere to all school policies and procedures.

Student Name: _____

Parent/Guardian Name (Printed): _____

Parent/Guardian Signature: _____ Date: _____

Optional: [] I have submitted this form electronically via QR code or online form provided by PVS.
