School Improvement Plan – Mid-Year Review by Mrs. Huzar:

- Math Goal: **Intended Outcome** – The percent of all students achieving math proficiency will increase by three percentage points from current levels, as measured by end-of-year assessment or Algebra EOC exam or Geometry EOC exam. Overall, we are currently at 73% of students at 3 or above evidenced on PM2 FAST. We are currently at 78% at 3 or above evidenced on Algebra and Geometry mid-terms.
- ELA Goal: **Intended Outcome** – The percent of all students achieving ELA proficiency will increase by 2% from FSA ELA 2022 to FAST 2023. Our PM FAST Data is as follows: 6th grade - 66% level 3 or above, 7th grade - 68% level 3 or above, 8th grade - 58% level 3 or above.
- Science Goal: **Intended Outcome** – The percentage of 8th grade students achieving science proficiency will increase by 3% as measured by the Spring SSA in May of 2023. The percentage of 6th and 7th grade students performing at, or above, grade level will remain at 85% or higher as indicated by a grade of C or higher on the district level exam in May of 2023. As evidenced by our mid-term the following achieved a "C" or better on the mid-term exams. 6th grade - 88%, 7th grade - 86% and 8th grade - 96%.
- **Social Studies: Intended Outcome** – 100% of students achieve proficiency (3.0) as measured on the Civics EOC in Spring 2023. -6th and 8th grade SS goal is that 100% of students will pass the end of year exam. Our mid-term for Civics indicated that 75% of students in this course at level 3 or above.
- Career and Technical Education Goal: **Intended Outcome** – The percent of 8th grade students who pass the Introduction to Engineering Design (IED) End of Course exam (C or greater) will increase from 81% to 85% or greater. The percent of 7th grade students who pass the Design Process Certification Test (C or greater) will increase from 95% to 100%, as measured by the Design Process Certification Test. The percent of 6th grade students who pass the Design Process Certification Test (C or greater) will increase from 78% to 80% or greater, as measured by the Design Process Certification Test. Per mid-term pre-test data 7th grade students had a passing rate of 76% in the Design Process Certification Test.
- Positive Culture and Environment: **Intended Outcome** – All students will be successful with Adv Accelerated, Honors, Pre-AP and high school credit courses with a D or better. 90% of the students will show success with a C or better. Semester grades show that 93.5% of all high school credits being earned (which is 800 credits) are at or above a C at semester grades.

4. Principal Update:
