We have found that a half day isn't enough for teachers

DBQs 5th grade Valley Forge were one of the favorites of Mrs. Price.

Have a specific fundraiser to help with SAC funds and also we are taking energy source money for the teachers days.

SIP Plan- ELA 90% proficiency; 87% overall as a school is the goal

Right now we are at 74% for ELA and 24% Math

Gains are the most important for SIP plans

- students that need help are getting extra help and becoming prepared.

3rd grade is at 79%

5th grade is at 65% science

The Parent survey results:

217 participated

136/142 (3-5) participated

25 staff participated

There is a PTA retreat on Thursday and the budget will be discussed, as well as volunteers.

A blast about volunteers for Spring Fling is needed

Also discuss the importance of fundraising (PTA funds)

The mission and vision need to be revised

Dress Code Clarifications

-solid colors

-zipper

-no logos on sweatshirts & appropriate size

-dresses- all colors

Believing that staff must be stronger in the beginning of the year so that at the end of the year children make the decision to do the right thing at the end of the year!

Trying to do monthly meetings next year!
