

SAC Meeting

The meeting started at 7:30 in the morning.

Majorie Williams and Latte Smith approved the minutes from the last meeting.

The meeting started off with the showing of the dress code options.

It was discussed about the voting about the dress code (SAC members or everyone)

We may need 75% from the whole school approval if we decide full uniform

Also, we received input from Mrs. Scott and Mrs. Moran (They both agreed on full uniform because there is no clarity in the modified version. They both think it is a lot focusing on dress code.)

We took a survey on the options for dress code. The results were Full uniform vs. modified dress code.
