September is here, and we will start to have more clubs starting this month. We also have our Extended Learning Program beginning. If you need more information about this program, please reach out to Mrs. Chichester, our school counselor at wisdoms@pcsb.org

Parents, just a reminder about ELMS dress code. Please visit, <https://tinyurl.com/5xc4dfp2> to review. The appropriate school colors for our collared shirts are white, grey, royal blue & light blue. Navy blue is not a SAC approved color. Also, sweatshirts and jackets must follow the approved colors. I've seen a lot of black jackets & sweatshirts lately. Thank you for helping us have our students uphold

our dress code. On Fridays students can wear ELMS spirit shirts. Spirit shirts are either PTA purchased, ELMS club, or AVID.

7th & 8th Grade Only Open House-**VIRTUAL EDITION** on Thursday, 9/9. See the link included in your student's weekly newsletter sent via email, to view the videos from your student's teachers. If you're not receiving emails, please call or email Mrs. Johnson, our DMT, at johnsonshari@pcsb.org.

Progress Reports will go home on 9/9. Parents, please set up your companion Canvas page & check FOCUS with your student on a weekly basis. If your student is home sick

or quarantining, please know that all teachers have their lessons posted under modules in their Canvas page. Email the teacher for specific class questions. If you'd like to set up a parent conference, contact Mrs. Chichester, our school counselor at wisdoms@pcsb.org.

Foreign Language News!

We are proud to announce that the Foreign Language Department at East Lake Middle School Academy of Engineering has a unique teaching tool – a state of the art language laboratory! This laboratory consists of trays that descend from the ceiling with headsets for each student, we can use them this year, due to covid we were not able to make use of our language lab. In order to stay safe we do ask for donations of sanitizing wipes so that each student can wipe down their headset before and after use to help keep us germ free. Be on the lookout next week (Tuesday & Wednesday) for the language lab form that will require parent signature.

Congratulations to our 2021-2022 News Crew!
