III. SPECIAL CONSIDERATIONS (continued)

- Other Considerations

  Layout the Laboratory to provide classroom space for 24 students separate from the Patient care area and in proximity to the Smartboard location.

  Layout the Laboratory to provide space for patient-care area as follows: allow 4’ between the Owner-provided beds to accommodate a bedside cabinet and give ample work space. Allow 8’ for the length of the bed to permit working space at the end of the bed. A minimum of 56 square feet should be allowed for each bed.

  The number of beds to be provided will be determined by the owner for the particular project.
