Mission Statement

Parent and Family Engagement Mission Statement (Optional)

Response: Tarpon Springs Elementary School believes that positive parent/family involvement is essential to student achievement and thus encourages such involvement by our families in all school activities. We also provide parent involvement activities informing, educating and supporting parents while encouraging parent input throughout our school year.

Mission statements are written concisely, free of jargon, and parent-friendly and inspire stakeholders to be involved and supportive of the program. Strong mission statements include:

- Explanation of the purpose of the parental involvement program;
- Description of what will be done; and
- Description of the beliefs or value of the LEA.

Engagement of Parents

Response: Tarpon Springs Elementary School believes in involving parents in all aspects of its Title I programs, therefore our school will encourage parents to become active members of our School Advisory Council (SAC). More than 50 percent of the members of the SAC are required to be parent (non-employee) representatives. The SAC has the responsibility for developing, implementing, and evaluating the various school level plans, including the School Improvement Plan (SIP) and Parent and Family Engagement Plan (PFEP). Therefore, parents will be provided opportunities to give input in the development and decision-making process of all Title I activities related to the school. An annual evaluation will be conducted using surveys completed by stakeholders. The results will be analyzed to evaluate the effectiveness of the school's parent involvement program. Parents may request additional support either directly through their child's teacher or grade level administrator. A parent may also request support during regularly scheduled SAC or PTA meetings.

Strong responses include:

- Identification of the group responsible for the development, implementation and evaluation of the plans;
- Description of the procedures for selecting members of the group;
- Explanation of how the input from parents will be documented; and
- Description of the process and involvement of parents in the development of required plans; and
• Information on how the school will provide other reasonable support for parent and family engagement activities under section 1118 as parents may request [Section 1118(e)(14)].

**Response:** Tarpon Springs Elementary School seeks to provide excellent customer service and availability for parents. The administrators make themselves available to parents to the largest degree possible when parents come to the school with questions or concerns. We offer morning and evening events throughout the year. Parent conferences are scheduled in either the morning or afternoons. The Social Worker works with teachers, parents, and administration to provide home visits as necessary. At TSES we strive to accommodate our families' needs and busy schedules by offering a variety of meetings. Response: Tarpon Springs Elementary School will create a family-friendly school; encourage teachers to help parents become involved in ways that don’t require the parent to come to the school; creating and maintaining our school website; developing support groups for parents and families and providing workshops for parents in the academic areas. Tarpon Springs Elementary has been working with both the Citizen’s Alliance for Progress (CAP Center) and the Hispanic Outreach Center, to provide support and work collaboratively to build relationships with the community and as another point of communication for families.

Response: Our parents receive information about the Title I program in a variety of ways. At the Title I Annual Meeting/Open House in August, TSES will hold a general meeting where information will be presented about the Title I program, the curriculum, and academic assessments. Parents will learn
about the school-wide program, how to schedule parent-teacher conferences and opportunities for participation in decisions related to the education of their child.

Ideas for working at home with children are presented in calendar and newsletter form. Often surveys requesting parents to share what information they would like provided by the school are included.

Articles will be submitted regularly for inclusion in our school's newsletter. These articles tell about the program as well as, offer ideas for parenting and working with children at home.

Workshops presented by our teachers, specialists and consultants address the curriculum as well as explain the forms of assessments that are used to drive instruction. During these sessions as well as at conferences, parents are informed of their child's progress and offered the opportunity to provide input regarding their child's education.

Each spring a survey is sent home for parents to complete regarding their child's educational experience for the year. On this form comments may be added regarding their level of satisfaction with our school's programs including but not limited to Title I. Response: We strive to involve all parents in the activities and learning here at Tarpon Springs Elementary School. Our ESOL teacher and assistant attend parent meetings to serve as translators. Being in a new facility makes access easier for parents with disabilities. For those parents unable to come to school we regularly send home information about our school programs along with suggestions on what can be done at home to help all of our children meet and exceed expectations. Many times this information is sent home in English, as well as Spanish. For notices and forms requiring translation our ESOL staff provides that. In order to reach all of our families, we advertise our events in a number of ways including newsletters, flyers, on our school marquee, and phone calls home using a Connect Ed. message.
