Dear Mildred Helms IB Families,

Happy New Year! We hope you enjoyed the Winter Break & Holidays with family and friends. A great big thank you to all of our business and community partners who adopted multiple families over the holidays. We appreciate you all!

Special congratulations to the following fifth grade students who have been selected to represent our school in the 2024 Elementary All-County Honors Chorus: Myla B., Ashonni B., Angelina L., and Victoria V. We look forward to the district All-County Chorus Concert where they will represent Mildred Helms IB World School. Congratulations also to our Dolphin Magic Chorus and First Grade Singers for their performance in the Winter Musical. What a fantastic performance led by Mrs. Clemens!

As the second semester begins, we will be reflecting on our progress from the first half of the year. Our learners will set goals and monitor their progress to ensure each student makes a year’s growth by the end of May. Parents, remember you can monitor your student’s grades and progress in FOCUS.

Literacy Week begins January 22nd through 26th. We look forward to a fun filled week of reading and writing experiences throughout the day. Our family involvement event during this week will be our Reading Under the Stars Night, presented by MHES Title One. We hope you can join us for games and good times centered around reading and writing.

Just a reminder there is no school for students on Monday, January 15th.

We thank you for all your support and look forward to a terrific second half of the school year.

Respectfully yours,

Mrs. Brennan

Happy New Year! We are excited to kick off our second semester of learning for all of our IB scholars! Our end of semester PBIS-IB Bucks party and PBIS store shopping were a great success! Our students saved their hard earned IB bucks received for demonstrating our Guidelines for Success and our IB Learner Profile and used them for fun rewards in the store and an exciting party! Thank you for all of your continued support and donations that ensure we are able to keep our store stocked!

I look forward to seeing all of you at our Literacy Night on January 24th!

As always, please feel free to reach out anytime at (727) 588-3569 or cooperkar@pcsb.org.

Happy New Year!

In January, we focus on the Learner Profile Trait: Principled. Our SAVE Club has spent some time thinking about principled characters in literature. Their reflections on how different characters are Principled can be viewed on the SAVE Club bulletin board outside the front office.

We’ll be having lessons in 2nd, 3rd, and 4th grade this month. Second grade will focus on empathy, third grade will do an abbreviated inquiry into bullying, and fourth grade will practice being principled in making an apology.

Mr. Kiebzak’s Artists Loft

There have been so many AMAZING artistic creations so far this year in EVERY grade level! We just completed digital art & photography which was super fun! As we enter 2024, everyone will be creating different types of 3-D artwork using clay, cardboard and many other items. I am really looking forward to creating these wonderful sculptures with the kids.

Last month, I had 3 students proudly selected for the Creative stART exhibition which will be hanging at the Dunedin Fine Arts Center from 12/15-1/19. This is such a wonderful accomplishment and opportunity to have students artwork hanging in a local museum! Congratulations to Corie P. (4th grade, Graffiti Name Tag), Emma B. (2nd grade, Still Life) & Javon B. (5th grade, 1 pt. Perspective). I’m looking forward to the reception at the museum in January to see these framed on the wall!

The very first project that the 5th grade students completed this year was their Kids Tag Art. This is where they designed a license plate which can be purchased as their art on a real metal license plate. Thanks to all the families LAST school year who purchased them as I now have an extra $700 to purchase supplies with for this year’s students! So by purchasing your child’s license plate, not only are you getting their artwork printed on metal (which you can hang in your home, garage or even put on the front of your car), but you are also paying it forward to all the students NEXT school year with a portion of each proceeds going back to the Visual Arts Dept. The judges voted and the top 3 award winning students are Aiyana P., Sidney C. & Oliver V. There will be a reception at Largo High in January to honor all the students across the county who were voted as top of each participating school. Congrats to the 3 of you!

Stay tuned as there are 6 more exhibitions, in which I will be submitting artwork for during the rest of the school year!
Thank you for all that continue to support our wonderful PBIS store for our IB scholars! This quarter our students spent approximately 1,000 IB bucks on items they picked out! In addition, we had about 400 IB bucks spent to attend our quarterly PBIS celebration. Your continued donations help us keep our store stocked and ready for our students! If you would like to donate or for more information please contact me at (727) 588-3569 or cooperkar@pcsb.org.
