A. Total Creditable M/MA Amount

II. Alternate Protein Product (APP)
If the product contains APP, please fill out the chart below to determine the creditable amount of APP. If APP is used, you must provide documentation as described in Attachment A for each APP used.

*Percent of Protein As-Is is provided on the attached APP documentation.

***Creditable amount of APP equals ounces of Dry APP multiplied by the percent of protein as-is divided by 18.

Total weight (per portion) of product as purchased ________ 1 oz. ______________

Total creditable amount of product (per portion) ________ 1 oz. ______________

(Reminder: Total creditable amount cannot count for more than the total weight of product.)

I certify that the above information is true and correct and that a _1_ ounce serving of the above product (ready for serving) contains _1_ ounces of equivalent meat/meat alternate when prepared according to directions.

I further certify that any APP used in the product conforms to the Food and Nutrition Service Regulations (7 CFR Parts 210, 220, 225, 226, Appendix A) as demonstrated by the attached supplier documentation.
