In years past has organized all volunteers and events on campus, bringing in business partners, Take Stock in Children. With everything happening this year things look different, has given more time to focus on the students. GATI was online this year – new people were able to be involved virtually when normally they are unable to attend.

Coordinating mentor Zoom meetings with scholarship students – averaging 1 to 3 calls a day, working with the volunteers virtually.

Coordinates the Caught Being Awesome program that is partnered with American Legion – an award for students who show great character. In the past they were able to come and present to students, this year they are sending in award/Mrs. Wisdom presents.

Also enjoying creating the newsletter, as well as learning to make posters etc.

5 Star Award is on hold until we are “back to normal”. Waiting for more from DoE on this.
