

Data Snapshot 2016-17

Career Technical Programs

13,680

of high school students enrolled in a career-focused academy or course.

Note: Students in our Career Tech Programs outpace other high school students who are not enrolled in these unique programs.

8,500

of middle school students enrolled in a career technical course / grades 6-8.

700

of 8th graders in a high school career technical program course.

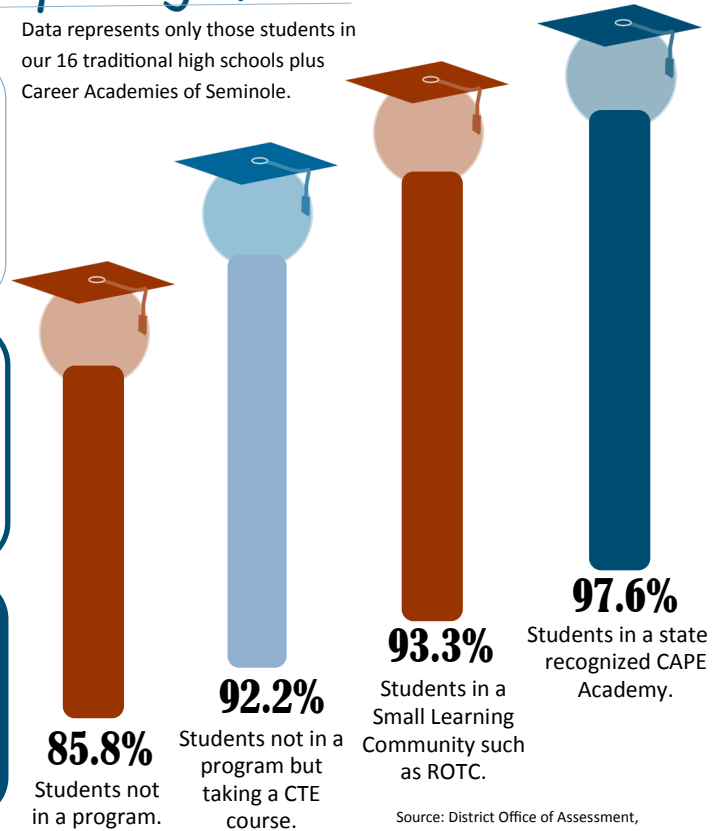

2,801

of middle school students earning an industry certification.

Innovative Solutions

- Pinellas County Schools is recognized as an industry leader in career technical education. The Ford Next Generation Learning Winter Conference is a national showcase for career technical leaders and educators that's held in February at the Tradewinds Resort.
- The addition of our Career Technical Programs in our middle schools and high schools are part of a district-wide effort to provide hands-on, applied learning opportunities for our students.

Pinellas County High Schools 2015-16	Students Not Enrolled in a Career or Academic Program	Students Enrolled in a CAPE Career Academy Program
Graduation Rate / All	85.8%*	97.6%
Grad Rate / Female	88.1%	98.1%
Grad Rate / Male	83.5%	97.2%
Unweighted GPA / All	2.36	3.03
Unweighted GPA / Female	2.57	3.15
Unweighted GPA / Male	2.17	2.92

Source: District Office of Assessment, Accountability and Research / February 2017. *Data represent students in our 16 traditional high schools and Career Academies of Seminole because that is where career programs are housed. The district's final 2016 graduation rate for all students is 80.1% because it includes students in all schools, including alternative school settings.

Innovative Solutions *Personalized Learning* by the numbers

\$3.4 million

◆ Pinellas County Schools was awarded \$3.4 million from the Bill and Melinda Gates Foundation in support of an ambitious plan to personalize learning for all students.

101,516

◆ The district serves more than 100,000 students and is piloting even more advanced data systems to allow students and parents quicker access to grades, test scores and attendance, as well as online resources such as SATpractice.org to support learning at all times.

25

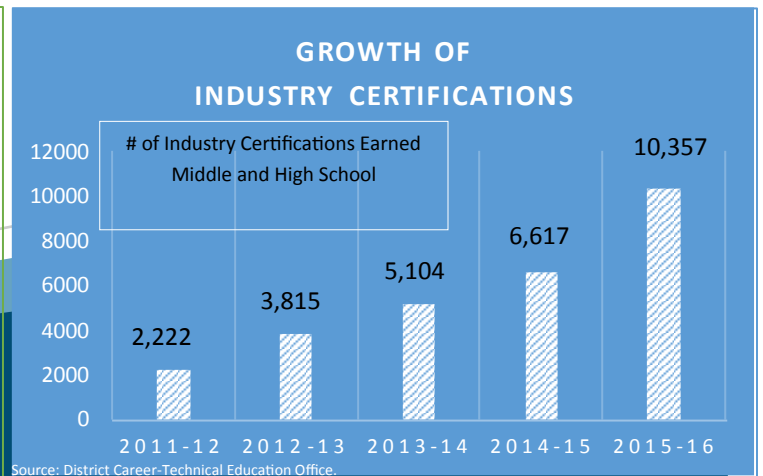

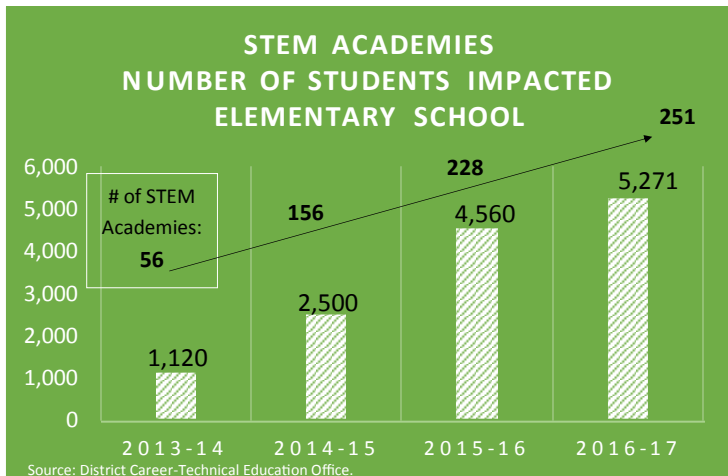

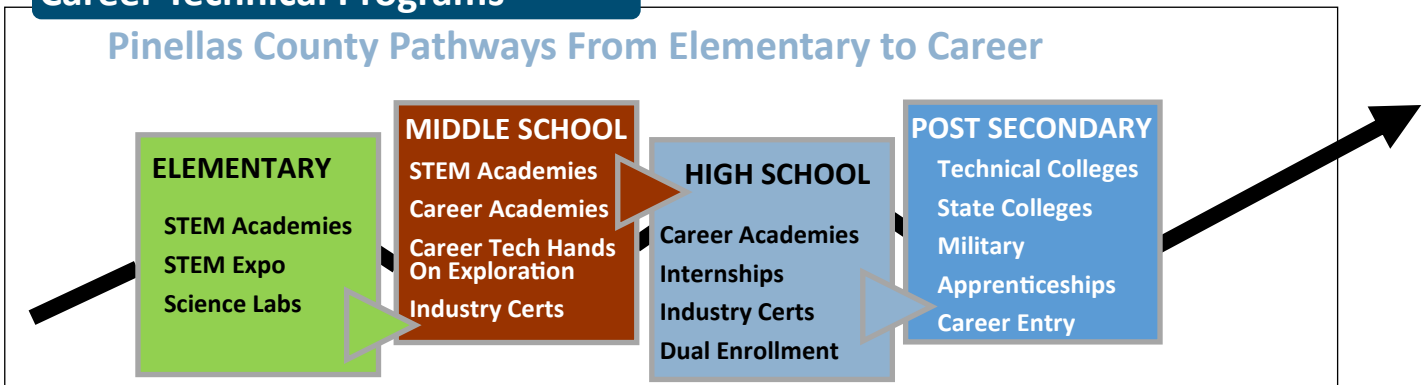

◆ The district already has personalized programs in place in more than 25 schools. The iHawk program at Seminole High is one of our school-within-a-school programs and Lealman Innovation Academy is a full school program that is up and running.

6

◆ Only six school districts in the nation were awarded this prestigious Gates honor. PCS is privileged to be among them.
