A Note from the Administrator:

As the Administrator of the Clearwater Adult Education Center, it is my privilege and honor to welcome you to our school. I have been in education for 34 years and served as the CAEC administrator for the past four years. I have worked as an administrator in Pinellas County Schools since 1994.

We truly believe in lifelong learning at Clearwater Adult Education Center and offer a wide variety of opportunities for adults to achieve their personal, academic, and professional goals. Our staff has the experience and expertise to help you improve your skills with our multi-levelled English as a Second Language program (ESOL), Adult Basic Education Program (GED), or adult high school diploma programs. We offer high school credit recovery classes that allow adults to complete the requirements for a traditional high school diploma and we also provide co-enrolled classes for students still in high school who need to earn a missed credit.

If the Staff and/or Faculty at Clearwater Adult Education Center may be of assistance in helping you obtain your high school diploma, GED, or improving your English please contact us. Earning your high school diploma, GED, or bettering your English is just the beginning for your successful future. Classes are conveniently scheduled both during the day and in the evenings throughout the year.

We welcome you to be a part of our success and become a future CAEC graduate.

High School Credit/Apex FAQ

What is Apex?

Apex is a credit recovery program which allows students, whether currently in high school or adults without a diploma, to make up high school credits online. This can be accomplished in our lab on the Clearwater Adult Education Center campus or on a home computer with an internet connection. All testing must be completed in the school lab.

What is the admission and registration process?

Current high school students wishing to enroll in Apex should speak to their guidance counselor who will issue them the necessary paperwork (PCS Form 2097). Students should then bring their PCS Form 2097 to the Clearwater Adult Education Center office where they will be enrolled in Alex and can begin classes. Tuition does not apply to co-enrolled high school students.

Adult students (not currently enrolled in a Pinellas County school) should come to the Clearwater Adult Education Center office with their transcripts if available. Tuition fees apply.

EDUCATION

Clearwater Adult has partnered with the Homeless Empowerment Program (H.e.p.)

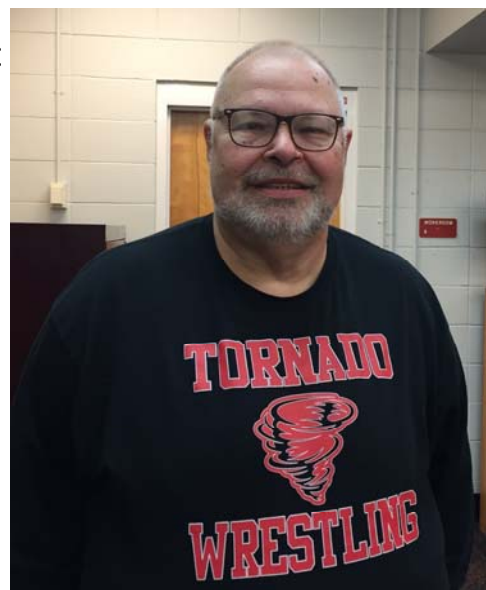

The purpose of H.e.p. is to break the cycle of homelessness for the thousands of people they help each year. H.e.p. monitors their programs to measure progress against stated goals and they make necessary refinements throughout the process. Since 1986, their mission has been to provide homeless and low-income individuals and families, including veterans, with housing, food, clothing and support services necessary to obtain self-sufficiency and improved quality of life.
