End of Quarter & December Testing

End of Quarter is December 22nd, however mid-terms start 12/16. Please check Focus and make sure your student is up to date on their work. Remember not all courses will have mid-terms but those that do will give out a study guide this week. It is important that your student goes over their study guide and spends time studying.

FAST Testing is next week. Reading FAST PM2 is on 12/5 and Math FAST PM2 is 12/7.

Please make sure to check out the December testing schedule attached. [December Testing.pdf]
