## A MESSAGE FROM THE PRINCIPAL

Principal Karen Huzar

Happy New Year. Second semester begins tomorrow 1/8. This is the time of year to reflect on first semester and set goals for second semester. I would love to hear your students goals but more importantly they should write them down and put them somewhere they look at often. It could be their desk, mirror or maybe the refrigerator.

During this week back to school we will be reviewing expectations with students and reminding them of some ELMS policies and procedures. We will also be having all students to complete a short survey to find out how they feel they did during their first semester. We also want to get their input on some of our procedures and practices.

Please remind students that all outerwear should be placed in their locker. Only sweaters and sweatshirts in gray, white or light blue is approved for them to wear throughout the day.

It is also important to mention that these items may not have any logos bigger than a half dollar unless it is ELMS logo. I hope everyone had a great break and is rejuvenated to tackle second semester.

## DECEMBER STUDENTS OF THE MONTH

### 6<sup>TH</sup> GRADE

Camille DiCarlo

### 7<sup>TH</sup> GRADE

Katelyn Butts

### 8<sup>TH</sup> GRADE

Sarah Palma

Zach Porter

Jackson Yambor

Advait Nambiar

**Our own Sydney Moore had her digital artwork exhibited at the Morean Arts Center in Saint Petersburg. Congratulations Sydney**

If...

## You Could Reach The Clouds...

You would soar above and feel the fluffy soft exterior of a cloud. You could drift around for hours floating above the world below you. You could float away from the problems on Earth and leave to go clear your mind. You could discover millions and millions of things unknown to mankind. You could play a fun game of hide and seek, floating tag, and even build a cloud man. You could soar and fly. You could imagine the impossible.

By - Sydney Moore

## Future Business Leaders of America

Future Business Leaders of America is a club that competed against other Pinellas County middle schools in December. The tasks include job related activities such as desktop publishing, spreadsheets and keyboarding.

23 students completed in timed tasks at school on 12/05/18. These projects were submitted and scored by FBLA teachers. On 12/14/18, students from middle and high school attended the FBLA district competition at SPC – Seminole. ELMS chose to compete remotely, and we found out our scores during the awards ceremony.

Of the 23 ELMS competitors, 13 students placed (4th-7th place) and 6 students earning 2nd and 3rd in their skill advanced to the State Championship in Orlando in March. – Jennifer Hill

## Math Mu competition Saturday December 15, 2018

PI - off competition - Second place - Sophia Galbraith

Seventh-grade individual competition  
Mark Shaker - 8th place

Sixth-grade individual competition  
Peter Wendol - 8th place  
Zach Porter - 7th place  
Chloe Mossey - 3rd place

Sixth-grade team competition  
Peter Wendol, Zach Porter, Chloe Mossey, and Camille DiCarlo  
1st place!
