We had so many activities this past month. Before break our students participated in the Young Innovators Challenge, this past week our finalists had their final judging. I wanted to tell all parents that we are so impressed with all students ideas and work. Taking the projects through this process is a test of your students stretching their thinking.

Our students very well on the last report cards with 72% receiving Honor Roll or Principals List. I want to encourage all students to keep on top of their work and when you are absent please make sure your always follow up with your teachers and make up your work.

Our Walk to School Event this month will be next Wednesday on 2/6 - Hope to See you there!

Just a quick reminder for Valentine's Day, I know students like to celebrate this however we need to remind all to keep the cupcakes and balloon at home. Please find time out side of school to celebrate.

Principal Karen Huzar
