

"GET OUT" (RUN) DRILL INSTRUCTIONS

During a "Get Out" (Run) drill your teacher will ask you to listen to his/her instructions.

- Your teacher will discuss with you where the "Safe Places" are, in case anybody gets separated from the class.
- Your teacher will direct you to follow them on a route which will get you safely away from the danger.
- Your teacher and your class will WALK the route.
- Your class might change directions along the way or discuss other ways to get off campus.
- Your teacher might point to places to hide along the way.
- Your teachers might point out the helpers that are on campus during the drill. (Police Officers or Fire Fighters)
- Your class will stop at campus boundary (fence).
 - You will NOT leave campus during the drill.
- When the drill is over you will return to your classroom.

Intended Audience:
Elementary Students
