Message from the Office

On behalf of New Heights staff, we are happy to officially welcome you to the 2018-19 school year. We hope that each of you have enjoyed your summer activities and your child spent time reading for pleasure.

Safety continues to be a priority. We have a new policy for parents who want to eat lunch with their children. See below. We also welcome **School Safety Officer Podraza** who will be here daily to ensure a safe learning environment.

The staff has spent much time training and prepping to get classrooms ready. All of our effective instructors have high expectations. We thank you for your necessary support to make each child successful.

We continue to need volunteers for all kinds of important support. Consider volunteering for a variety of activities as well as SAC and PTA.

We are looking forward to this being a fantastic year for all!

This year, students will get their own student accounts on ClassDojo to document and share their classwork. Teachers will use ClassDojo to message you and post announcements. It’s the easiest way for you to see what your child is working on and to get in touch. With their student account, your child will share what they’re learning through photos, videos, and journal entries on their own Student Story. Your child will also be able to view their feedback from class and also general classwide and schoolwide announcements made on Class Story and School Story. If your child is under 13, your consent to create your child’s student account on their behalf is needed. See separate flyer to sign and return.
