Happy Fall! Our November family engagement night will be a dinner with books. It will be held from 5:30 P.M. – 6:30 P.M., on Monday, November 18th. The art supplies will be donated by GFWC St. Petersburg Juniorettes. Registration forms will be sent home with your child in the next week or so, please be looking for them. I look forward to seeing you there.

Parents,
I would like to remind everyone once again that it is recommended that you write your children’s name in their belongings just in case they are left behind at class. The temperatures are FINALLY beginning to cool off which means that jackets are typically left behind. We will return ALL items that have their names on them. For this month our students will be working on throwing and catching skills from football to baseball, as well as dribbling skills from basketball and hockey. We encourage all of our students to watch some of these sports to get familiar with their skills!

Chorus Program is conducting a gift drive called, Earn from the Heart!
We are in need of dollar tree items that would make great gifts for students to give to family members. We want to empower students to be in control of their giving by controlling their behavior so that they can learn the power of giving to someone else. They will earn points in music that will go toward one visit to the gift box, where they will be provided wrapping paper and a name tag to prep a gift to give to someone special at home. Please help by donating an item that a student can earn and give. The choral students are the leaders of this program and will help to facilitate it.
