

Good morning TSHS Learning Community,

Hope everyone is having a great week. Our week at TSHS has been quite productive and we continue to be impressed with our students' efforts.

Thank you to our Athletic and Band Boosters for a great reopening to their seasons!!! Thank you to all our TSHS Mentors for their continued efforts in supporting our students using a virtual platform during this temporary time.

The announcements and updates for TSHS students and families for this week are as follows:

Curriculum

- Calendar – revised PCS student calendar for 20/21 school year
- Open House is scheduled for Wednesday, Sept. 30 at 6:00 p.m. Please use your student's Canvas account to access the Teams meetings. All meetings will be set by class period and all parents/guardians will be asked to follow their student's schedule for the virtual meetings.
- PSAT – College Board Resources
- Technology Reminders & Troubleshooting Suggestions
- Please be sure to use the Chrome Internet browser to access Clever and Canvas
- As you use applications on your computer or device, at times it is helpful to cache or clear an app's cached data to regain used space on your device
- All TSHS students should log in using their R2.D2 password for access for all online textbooks, Clever, Canvas. *this will be helpful for an easier navigation into the system.
- Attendance is an expectation for all learners (on campus and My PCS). Students who are working remotely are expected to be in the 'class lobby' in Teams prior to the start of class. Teachers will not be permitting students to enter late since they are balancing dual platforms (classes). Thank you for your understanding. My PCS Learners who are late to the class meeting may be considered tardy/absent for class.

Campus

Clubs and Organizations gatherings are on hold for quarter 1. I am hoping we can begin our year plans for all our clubs and organizations soon. National Honor Society and Student Council membership invitations, elections and inductions will be taking place in quarter 2.

Cell phone policy for students on campus are:

- Off and out of view during class
- At the teacher discretion, maybe utilized for classroom instruction and independent work
- *** Students are discouraged from using their phones to make posts or share photos from class/campus to any social media outlet (Facebook, Instagram, Snapchat, TikTok, etc) during the school day ** Such activity places the campus at risk for unnecessary disruption to our academic goals.

Sponger Café – Menus for October - see attached

Athletic Update from the desk of Assistant Principal Natoli, TSHS Athletic Director – see attached

Congratulations to the Lady Spongers Volleyball Team for a fabulous victory of the East Lake Eagles!!!!
