Reporting Absences Online

Did you know???

Families can log on to our school's website at <u>www.pcsb.org/gibbs-hs</u> and report your child's absence that day?

Along with calling the school, or your child's teacher, sending in a note from home or from the doctor; you can also go online at our website above and report your child's absence. Our families can also attach a doctor's note when reporting a medically excused absence online, or any other documentation. Use the link above and in the top right corner, you will see an icon that says Report Student Absence. The top of the website looks like this with the icon on the right.

Click on the icon and it will direct you on how to report your student's absence. The page will look like this one below. Click on the blue circle and it will create an email to the school directly.
