Bayside High School
2023-2024
Together we can make a difference.
Bayside High School will engage and inspire all scholars to graduate.

As a Parent/Guardian, I shall strive to:

- see that my child attends school regularly, on time, and dressed appropriately
- monitor my child's progress weekly on Focus and expect my child to complete all assignments on time
- support the school by exhibiting and maintaining positive behavior
- communicate as necessary with teachers via phone or email
- make an effort to participate in student orientation, SAC, conferences, two Back-to-School nights, parent workshops, and other school events.

As a Student, I shall strive to:

- attend school and consistently be prepared for success
- respectfully follow the BHS guidelines for success and responsibly conduct myself as part of the Bayside High community
- complete academic assignments honestly and in a timely manner
- participate in ELP opportunities as discussed with my guidance counselor and instructors
- respect and follow directions of all staff members
- dress appropriately and respectfully for school according to Bayside High and District dress code requirements
- follow School Board policies including the use and possession of electronic devices (to be collected each class period)

As a Principal, I shall strive to:

- provide an atmosphere conducive to learning and positive communication between staff and families
- demonstrate and reinforce our "Guidelines for Success"
- implement initiatives that support the School Improvement Plan and student success according to Bayside's mission statement
- provide all students and families with a second chance and a sense of hope.

As a Teacher, I shall strive to:

- provide a safe and positive classroom environment that promotes learning
- support the school mission statement
- have high expectations for students to meet new Florida State Standards
- provide high-quality curriculum and instruction while integrating the use of technology
- enforce school and classroom rules consistently and fairly
- maintain open lines of communication with families and students
- provide meaningful and suitable lessons and assignments.
